INDEPENDENT AUDITOR'S REPORT

The Honorable Linda D. Thompson, Mayor
and Honorable Members of City Council
City of Harrisburg, Pennsylvania

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Harrisburg, Pennsylvania (City), as of and for the year ended December 31, 2010, which collectively comprise the City's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the City's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. The financial statements of The Harrisburg Authority, the Harrisburg Parking Authority, and the Coordinated Parking Fund were not audited in accordance with *Government Auditing Standards*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City, as of December 31, 2010, and the respective changes in financial position and cash flows, where applicable, thereof for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared assuming that the City will continue as a going concern. As discussed in Notes 22 and 23 to the financial statements, the City has suffered ongoing structural deficits, has been unable to fulfill its debt obligations and its obligations as guarantor of component unit debt, and has a net asset deficiency that raises substantial doubt about its ability to continue as a going concern. During the year ended December 31, 2010, the City applied for and was granted status as "fiscally distressed" under the Commonwealth of Pennsylvania's Municipalities Financial Recovery Act of 1987 (Act 47). The City's Act 47 petition states that defaults by the City on future bond and note guaranty obligations are imminent and inevitable. During the year ended December 31, 2011, as a result of the City's fiscal circumstances, the Governor of the Commonwealth of Pennsylvania declared a fiscal emergency and, through the Commonwealth of Pennsylvania's Department of Community and Economic Development and the Commonwealth Court, appointed a receiver to develop and submit a fiscal recovery plan. Management's plans in regard to these matters are described in Note 21. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

The Harrisburg Authority, a discretely presented component unit of the City, incurred significant financings in December 2003 and, again, in December 2007, to fund the costs of the modernization project related to The Harrisburg Authority's Resource Recovery Facility. Additionally, The Harrisburg Authority's Resource Recovery Segment has experienced significant operating losses, has an accumulated deficit of approximately \$173 million at December 31, 2010, and is in violation of certain covenants under its trust indentures. Additionally, as discussed further in Note 23 to the financial statements, The Harrisburg Authority has issued multiple notices of material events including, but not limited to, non-payment of required debt service with respect to certain of the Resource Recovery Facility bonds, which are guaranteed by the City.

The Harrisburg Authority's Water Segment has an accumulated deficit of approximately \$37 million at December 31, 2010, and is in violation of certain covenants under its trust indentures. Additionally, as discussed further in Note 23 to the financial statements, the Authority has issued multiple notices of material events with respect to certain of the Water System bonds.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 18, 2012, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of our audit.

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (MD&A), budgetary comparison information, and pension plan information on pages 3 through 13, 145 through 147, and 148 through 151, respectively, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's financial statements as a whole. The supplementary information, as listed in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit* and is also not a required part of the financial statements. The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Maher Duessel

Harrisburg, Pennsylvania
December 18, 2012

This section of the City of Harrisburg's Comprehensive Annual Financial Report (CAFR) presents Management's Discussion and Analysis of the City's financial performance during the year ending December 31, 2010. Readers are encouraged to consider the information within the context of the preceding Transmittal Letter and the following financial statements. The discussion also focuses on the primary government and unless otherwise noted, component units are not included.

Financial Highlights

- The City of Harrisburg's liabilities for the year ending December 31, 2010 exceeded assets by \$227,649,107. In 2009, liabilities exceeded its assets by \$227,092,975, representing a decrease of net assets of \$556,132.
 - Invested in capital assets, net of related debt, in the amount of \$95,099,359 and \$74,779,080 for the years ending December 31, 2010 and 2009, respectively, includes all capital assets including infrastructure.
 - Restricted net assets with external restrictions imposed by creditors or laws or regulations of other governments amounted to \$1,298,359 and \$1,728,087 for the years ending December 31, 2010 and 2009, respectively.
 - Unrestricted net assets, which are assets not restricted for any particular purpose, were (\$324,046,825) and (\$303,600,142) for the years ending December 31, 2010 and 2009, respectively.
- At December 31, 2010 and 2009, the fund balance of the City of Harrisburg's governmental funds was (\$41,740,553) and \$5,715,743, respectively. This decrease was primarily due to the accrual of approximately \$44.6 million in reimbursements due to The Harrisburg Authority bond insurer and Dauphin County pursuant to the City's guarantee obligations under The Harrisburg Authority Resource Recovery Facility debt.

Overview of the Financial Statements

The financial section of the CAFR consists of five parts in the following order: the independent auditor's report on the financial statement audit, Management's Discussion and Analysis (MD&A), the basic financial statements, required supplementary information (RSI), and other supplementary information. The basic financial statements can be further classified into the following three types: government-wide financial statements, fund financial statements, and notes to the financial statements.

1. **Government-Wide Financial Statements** The government-wide financial statements provide a summary of the City of Harrisburg's financial condition in a similar fashion to the private business sector. The focus of these statements is the economic resources measurement and full accrual basis of accounting.

All of the City of Harrisburg's net assets are reported as the difference between the assets and liabilities. Increases and decreases in net assets serve as a good indicator of the financial condition improving or deteriorating.

The Statement of Activities presents information on how net assets changed during the year. All changes are recorded as soon as the change occurs even though cash may not be received yet; cash flow may even occur in a later fiscal year, such as uncollected taxes and vacation leave earned, but

not used. The Statement of Net Assets and the Statement of Activities distinguish between functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The City of Harrisburg's governmental activities are comprised of general government, building and housing development, public safety (police and fire), public works, parks and recreation, incinerator, tourism, and interest on long-term debt. The business-type activities of the City include Sewer, Sanitation, Harrisburg Senators, and Incinerator Funds.

2. **Fund Financial Statements** A fund is a grouping of related accounts used to control resources that are separated by activity. Fund accounting is used by the City of Harrisburg to monitor and show compliance with budgetary requirements. Funds are either governmental, proprietary, or fiduciary funds.

a. **Governmental Funds** Governmental funds are used to account for the functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Since the focus of governmental fund financial statements is narrower than that of the government-wide financial statements, it is useful to compare the information presented by the two in order to better understand the long-term impact of near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balance provide reconciliation to facilitate the comparison between governmental funds and governmental activities.

The City of Harrisburg reports three major governmental funds: (1) the General Fund, which accounts for all financial resources of the general government except those accounted for in another fund; (2) the Grants Programs Fund, which accounts for the revenues and expenditures of federal, state, and other grant programs including the Community Development Block Grant Entitlement Program; and (3) the Debt Service Fund, which accounts for the accumulation of resources, which are principally transfers from other funds, for the payment of general long-term obligation principal, interest, and related costs. Data from all the other governmental funds are combined into a single aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements in supplementary information.

b. **Proprietary Funds** The City's proprietary funds are all classified as enterprise funds. They are used to account for the operations that are financed and operated in a manner similar to private business enterprises. The intent of the governing body is that the expenses of providing goods and services to the general public on a continuing basis be financed or recovered primarily through user charges or when the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, and/or other purposes.

The City of Harrisburg reports three major enterprise funds: (1) the Sewer Fund, which accounts for the revenues and expenses associated with the provision of sewage service to the residents and commercial and industrial establishments of the City as well as six municipalities surrounding the City; (2) the Harrisburg Senators Fund, which accounts for the revenues and expenses associated with the payment of debt on the financing of a new stadium of the Harrisburg Senators, a AA minor league baseball franchise formerly owned by the City; and (3) the Incinerator Fund, which accounts for the collection and remittance of incinerator/resource recovery disposal fees billed by the City of Harrisburg and remitted to The Harrisburg Authority for their provision of solid waste incineration services to the residents and commercial and industrial establishments of the City.

The City does present one non-major enterprise fund, the Sanitation Fund, which accounts for the revenues and expenses associated with the provision of refuse collection and disposal services to the residents and commercial and industrial establishments of the City.

- c. **Fiduciary Funds** Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. The City's fiduciary funds are all classified as trust and agency funds. Fiduciary fund financial statements report similarly to proprietary funds.
3. **Notes to the Financial Statements** The Notes give additional information that is necessary to understand fully the data provided in the government-wide and fund financial statements. The notes to the financial statements begin immediately following the basic financial statements.
4. **Other Information** The City adopts an annual appropriated budget for its General Fund. A budgetary comparison schedule has been provided for the General Fund, in required supplementary information, to demonstrate compliance with this budget. In addition, this report also presents certain required supplementary information concerning the City's progress in funding its obligation to provide pension and other post-employment benefits to its employees. The combining statements referred to earlier in connection with non-major governmental funds and agency funds are presented immediately following the required supplementary information.

CITY OF HARRISBURG, PENNSYLVANIA
MANAGEMENT'S DISCUSSION AND ANALYSIS

Total assets	<u>135,776,058</u>	<u>141,309,568</u>	<u>94,764,469</u>	<u>69,550,748</u>	<u>230,540,527</u>	<u>210,860,316</u>
Current and other liabilities	65,741,999	20,013,916	4,254,552	2,780,690	69,996,551	22,794,606
Noncurrent liabilities	373,767,535	400,696,815	14,425,548	14,461,870	388,193,083	415,158,685
Total liabilities	<u>439,509,534</u>	<u>420,710,731</u>	<u>18,680,100</u>	<u>17,242,560</u>	<u>458,189,634</u>	<u>437,953,291</u>
Net assets:						
Invested in capital assets, net of related debt	26,965,615	29,652,340	68,133,744	45,126,740	95,099,359	74,779,080
Restricted	640,116	1,069,700	658,243	658,387	1,298,359	1,728,087
Unrestricted	(331,339,207)	(310,123,203)	7,292,382	6,523,061	(324,046,825)	(303,600,142)
Total net assets	<u>\$ (303,733,476)</u>	<u>\$ (279,401,163)</u>	<u>\$ 76,084,369</u>	<u>\$ 52,308,188</u>	<u>\$ (227,649,107)</u>	<u>\$ (227,092,975)</u>

As noted earlier, net assets may serve over time as a useful indicator of the government's financial position. For the year ending December 31, 2010, the City's liabilities exceeded its assets by \$227,649,107. In 2009, the City's liabilities exceeded its assets by \$227,092,975.

The largest portion of City of Harrisburg's net assets (-42% for 2010 and -33% for 2009) is the City's investment in capital assets (i.e., land, archives, building, land and building improvements, equipment and furniture, infrastructure); less any related outstanding debt used to acquire those assets. These capital assets are used by the City of Harrisburg to provide services to its citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must come from other sources, since the assets cannot be used to liquidate these liabilities.

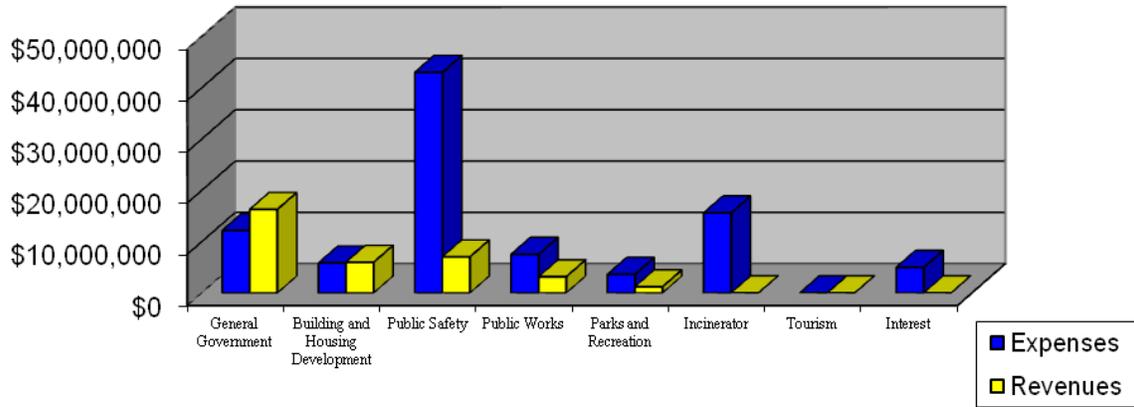

The City of Harrisburg's unrestricted net asset balances were (\$324,046,825) and (\$303,600,142), respectively, for the years ending December 31, 2010 and 2009. This negative net asset balance began in 2009, resulting from the recording of the remaining Resource Recovery Facility guaranteed debt for which the City is contingently liable.

Expenses and Program Revenues - Governmental Activities - 2010

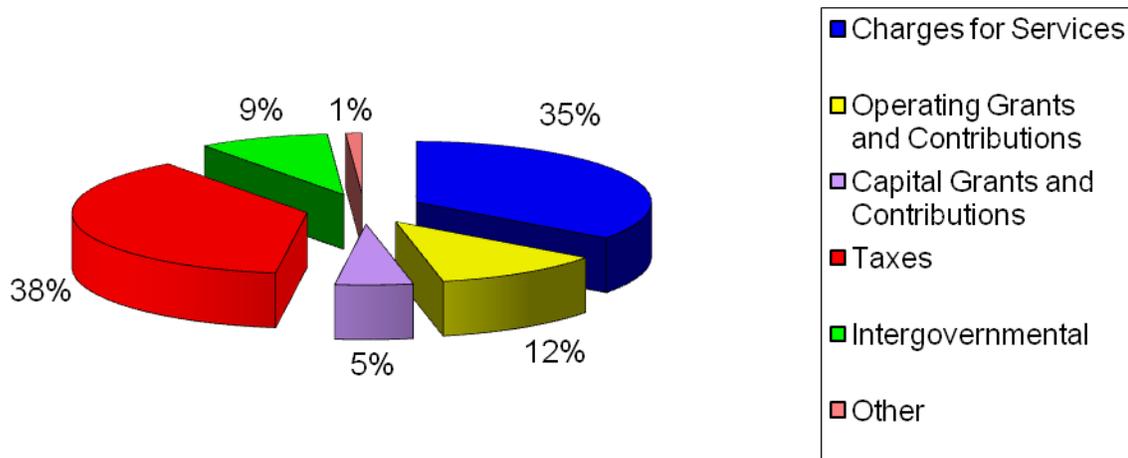

Expenses and Program Revenues - Governmental Activities - 2009

Revenues by Source - Governmental Activities - 2010

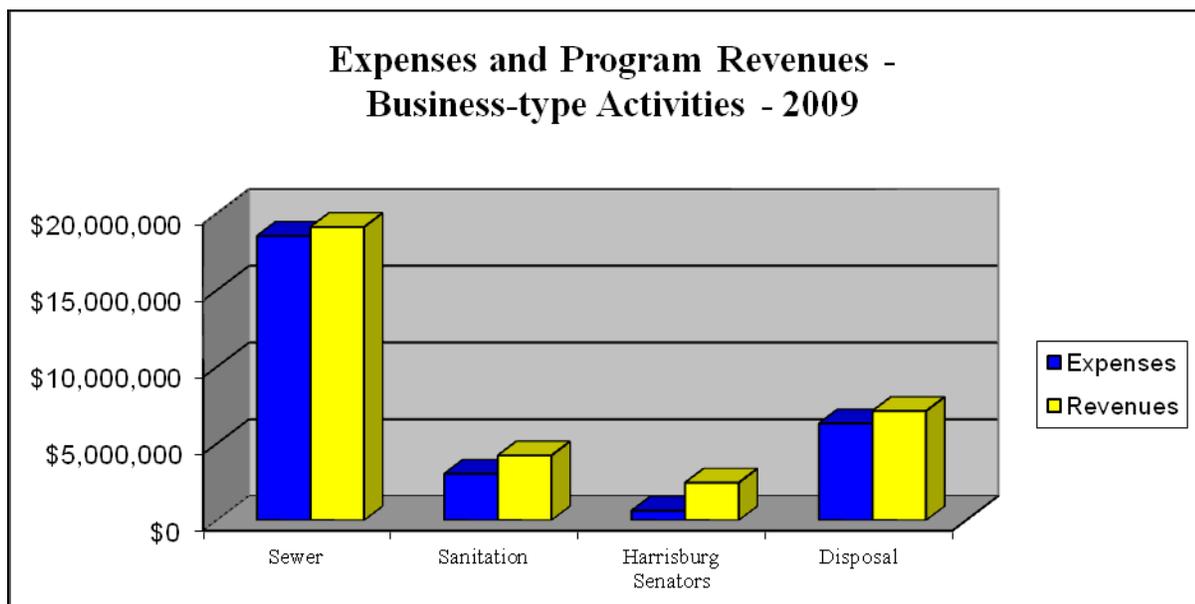

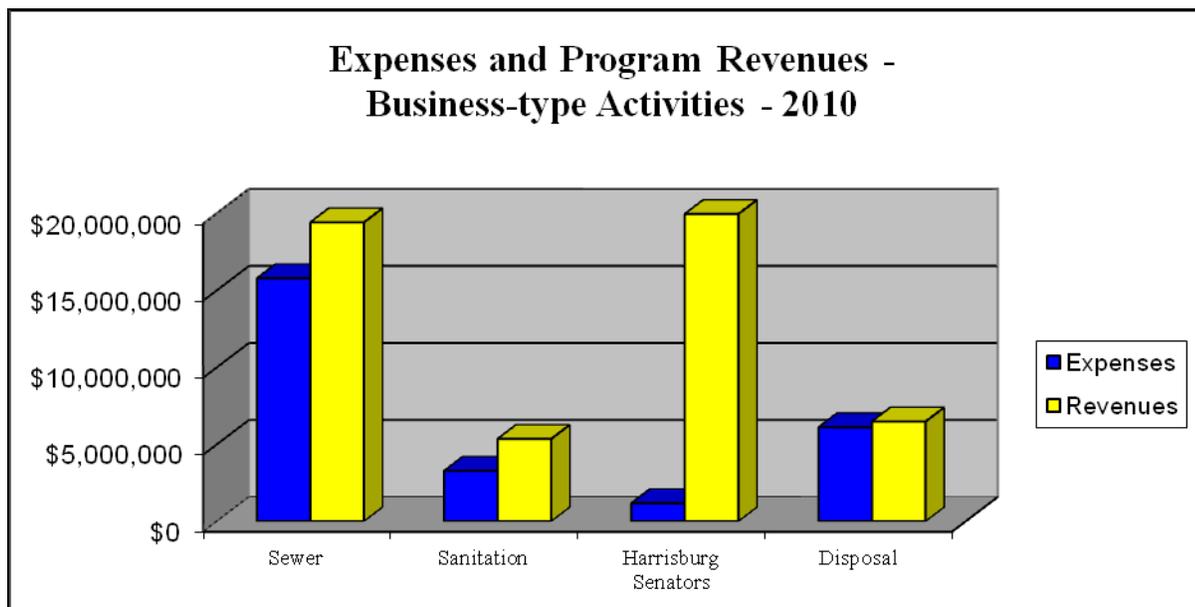

Revenues by Source - Governmental Activities - 2009

CITY OF HARRISBURG, PENNSYLVANIA
MANAGEMENT'S DISCUSSION AND ANALYSIS
DECEMBER 31, 2010

Governmental Activities: Net assets for governmental activities decreased by \$24,332,313 and \$277,526,489 for the years ending December 31, 2010 and 2009, respectively. The change in net assets during the year ending December 31, 2010 was primarily attributable to decreased revenue from charges for services of nearly \$2 million, a \$3.4 million decrease in capital grants and contributions program revenue, and \$1.2 million decrease in grants general revenue. Additionally, expenses increased in General Government, Building and Housing Development, and Incinerator by \$891,214, \$998,141, and nearly \$7.6 million, respectively. The primary reason for the decrease in net assets during the year ending December 31, 2009, was the assumption of The Harrisburg Authority's Resource Recovery Facility guaranteed debt totaling approximately \$272 million when the debt was no longer deemed to be self-liquidating under the PA Local Government Unit Debt Act.

Business-Type Activities: Net assets for business-type activities increased by \$23,776,181 and \$4,254,631 for the years ending December 31, 2010 and 2009, respectively. The basic factor for the change in net assets during the year ending December 31, 2010, was primarily due to receiving a state grant for the improvements and upgrades to the Harrisburg Senators baseball stadium in the sum of \$19.5 million dollars. The basic factor for the change in net assets during the year ending December 31, 2009, was primarily due to receiving a state grant for the improvements and upgrades to the Harrisburg Senators baseball stadium, offset by a \$600,000 annual accrual related to OPEB.

Financial Analysis of the City's Funds

1. **Governmental Funds** The focus of the City of Harrisburg's governmental funds is to provide information on near term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City of Harrisburg's financing requirements. In particular, unreserved fund balance may serve as a useful measure of government's net resources available for spending at the end of the fiscal year.

As of the end of 2010, the City of Harrisburg's governmental funds reported combined ending fund balances of (\$41,740,553), a decrease of \$47,456,296 compared to 2009.

The General Fund is the City's primary operating fund and the largest source of day-to-day service delivery. The Fund Balance of the General Fund decreased by \$47,854,391 for the year ending December 31, 2010 from the prior year, due to the accrual of a liability in the amount of approximately \$44.6 million to the secondary guarantor and the bond insurer of The Harrisburg Authority Resource Recovery Facility debt.

The Grant Programs Fund does not report a fund balance, because revenue equals expenditures. In this fund, revenue is recognized only when allowable expenditures are incurred and the legal and contractual requirements of the individual programs are met. The Fund Balance of the Debt Service Fund increased by \$449,630 for the year ending December 31, 2010 over the prior year. This is primarily due to receipt near the end of year on settlement of artifacts in the amount of \$450,000. The Fund Balance of the Other Governmental Funds decreased by \$51,535 for the year ending December 31, 2010, or 3.0% lower than the prior year.

The Fund Balance of the General Fund decreased by \$9,580,170 for the year ending December 31, 2009, or 70.5% lower, from the prior year. The basic factor for the change in the net assets is the expenditure of capital lease proceeds, \$4.8 million of Resource Recovery Facility Guarantee Payments that City paid as guarantor of The Harrisburg Authority debt, and the accrual of a liability to the secondary guarantor (\$2.3 million) and bond insurer (\$630,000) of The Harrisburg Authority Resource Recovery Facility debt.

The Fund Balance of the Debt Service Fund decreased by \$170,567 for the year ending December 31, 2009, or 110.7% lower, from the prior year. This is primarily due to a transfer to show the expenses related to the Harrisburg Senators in the corresponding fund. The Fund Balance of the Other Governmental Funds, decreased by \$767,701 for the year ending December 31, 2009, or 30.88% lower, from the prior year. This was due primarily to the City reimbursing the General Fund for prior year and partial current year Street Cut/Degradation Fees in the amount of \$400,000.

General Fund Budgetary Highlights

On a budgetary basis, the General Fund's actual revenues were \$4,936,512 less than the final budgeted amounts. This was primarily attributed to receiving \$674,000 less than the budgeted amount for EMS Tax, City's Police Bureau not receiving approximately \$1.5 million of anticipated grant revenue that was budgeted for, the Harrisburg Coordinated Parking Fund having less than \$1.36 million to be able to transfer to the General Fund, and collecting \$591,000 less than the budgeted amount for Parking Tickets. The General Fund's actual expenditures were \$4,469,515 less than the final budgeted amounts. This favorable variance is primarily attributed to the Office of City Engineer and Departments of Administration and Public Safety achieving significant budgetary savings through decreased capital projects expenditures and freezing of position vacancies.

2. Capital Asset and Debt Administration

1. **Capital assets** The City's investment in capital assets for its governmental activities and business-type activities as of December 31, 2010 amounts to \$108,938,365 and \$78,364,733 (net of accumulated depreciation), respectively. This investment in capital assets includes land, archives, buildings, land and building improvements, equipment and furniture, and infrastructure.

Major capital asset events during the current year for governmental activities included the following:

- Additions to Construction-in-Progress of \$691,947, related to the Property at 157 Paxton Street.
- Additions to Improvements, Equipment and Furniture, and Infrastructure of a total of \$566,501 related to various projects and purchases in 2010.

Major capital asset events during the current year for business-type activities included the following:

- Construction-in-progress increased by approximately \$23.3 million related to Sewer Projects.
- Buildings increased \$36,308,472 related to the Harrisburg Senators Stadium – Phase II completion changing from Construction-in-Progress.
- Equipment and Furniture increased \$6,925,267 for items related to the Sewer Facility.

Additional information on the City's capital assets can be found on page 63 of this report.

2. **Long-term debt** The only debt activity in the City's governmental or business-type activities was the required principal and interest payments under existing debt arrangements.

Additional information on the City's long-term debt can be found beginning on page 67 of this report.

Economic Factors

Arguably, the two most significant factors affecting the City's financial position are the extent of the City's debt load due to the assumption of the Resource Recovery Facility's guaranteed debt obligations and the City's structural budget deficit discussed at length throughout this CAFR.

Additionally, a most significant unfunded mandate affecting us is the liberal allowance for tax-exemption that exists in Pennsylvania. What was already a broadly-accommodating state law was further loosened several years ago by additional state legislative action. Today, approximately 49% of all real estate in the City is exempt from paying any type of taxes under state law. The number of properties achieving tax-exemption increases by the year. Some of the tax exempt-properties are amongst the greatest generators of demand for City services, for which they do not pay a dime. This is a continuing inequitable and unfair burden on Harrisburg and one that places a higher tax rate on those who pay taxes on their real estate.

Some of the factors that affect our costs are matters over which a local government has little control. Others are only marginally controllable. The following are a number of circumstances that will impact future costs:

- (a) Health care costs have been on the rise and each year the City projects increased costs; however due to turnover and vacant positions the City has been able to see these costs been the same or lower in recent years. If the City is back at full staffing, there will be a significant increase shown.
- (b) 2011 salaries for the City's Police, Firefighter, and Non-Uniformed unions were negotiated to increase 3.%, 2% in January and 2% in July, and 4.%, respectively.
- (c) The Harrisburg Authority (THA), a component unit of The City of Harrisburg, has various debt issues outstanding that the City guarantees. There is a high degree of uncertainty regarding THA's ability to operate at a capacity in order to sustain THA's debt service obligations. The City honored those guarantees at various times during 2009 and January 2010.
- (d) Pension benefits and OPEB obligations

Requests for Information

This financial report is designed for those who have an interest in the City's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to Finance Director, The Rev. Dr. Martin Luther King Jr., City Government Center, 10 North Second Street, Suite 303, Harrisburg, PA 17101. You may also find more information regarding the City of Harrisburg at our website www.harrisburgpa.gov.

CITY OF HARRISBURG, PENNSYLVANIA
RECONCILIATION OF THE BALANCE SHEET TO THE STATEMENT OF NET ASSETS
DECEMBER 31, 2010

Fund balance - total governmental funds \$ (41,740,553)

Amounts reported for governmental activities in the statement
of net assets are different because:

Capital assets used in governmental activities are not financial
resources and, therefore, are not reported in the governmental funds.

Governmental capital assets	237,008,571	
Less accumulated depreciation	<u>(128,070,206)</u>	108,938,365

Artifacts held for sale by the City are not financial resources and, therefore, are not reported in the governmental funds.		1,727,384
--	--	-----------

Other assets are not available to pay for current-period expenditures and, therefore, are deferred in the funds.		7,764,919
---	--	-----------

Guarantee and swap fees and bond issuance costs are deferred and amortized over the life of the guarantee, swap or bond period, but are available to pay current-period expenditures and, therefore, are not reported in the funds.		(4,888,113)
--	--	-------------

Long-term liabilities, including bonds payable, are not due and payable
in the current period and, therefore, are not reported in the funds.

CITY OF HARRISBURG, PENNSYLVANIA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCE OF GOVERNMENTAL FUNDS TO
THE STATEMENT OF ACTIVITIES
YEAR ENDED DECEMBER 31, 2010

Amounts reported for governmental activities in the statement of activities are different because:

Net change in fund balance - total governmental funds		\$ (47,456,296)
<p>Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.</p>		
Capital outlays	1,258,448	
Depreciation expense	<u>(6,587,037)</u>	(5,328,589)
<p>In the statement of activities, only the gain on the sale of capital assets is reported. However, in governmental funds, the proceeds from the sale increase financial resources. Thus, the change differs by the net book value of the capital assets sold.</p>		
		(11,500)
<p>Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.</p>		
		1,291,738
<p>Governmental funds report guarantee fees and swap fees as revenues when received. However, in the statement of activities, the fees are amortized over the guarantee or swap period and reported as investment income.</p>		
Amortization		541,400
<p>The issuance of long-term debt (i.e., bonds, leases) provides current financial resources to governmental funds, while the repayment of principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net assets.</p>		
Principal repayments		12,001,986
<p>Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.</p>		
Workers' compensation	(181,066)	
Claims and settlements	(371,295)	
Compensated absences	747,344	
Other post-employment benefits	(11,351,142)	
Contingent liability for component unit debt	29,994,985	
Accrued interest	(285,433)	
Amortization of bond issuance costs	(12,913)	
Amortization of bond discounts	<u>(3,911,532)</u>	<u>14,628,948</u>
Change in net assets of governmental activities		<u>\$ (24,332,313)</u>

The accompanying notes are an integral part of these financial statements.

CITY OF HARRISBURG, PENNSYLVANIA
DESCRIPTION OF COMPONENT UNITS
YEAR ENDED DECEMBER 31, 2010

The Harrisburg Authority

The Harrisburg Authority Component Unit is used to account for the revenues and expenses associated with providing water service to residents and commercial and industrial establishments of the City of Harrisburg, Pennsylvania, (City) and several surrounding municipalities; providing municipal solid waste disposal, subsequent sale of incinerator generated steam to local utility, and the production of electricity for in-house use and sale to a public utility.

Harrisburg Parking Authority

The Harrisburg Parking Authority Component Unit is used to account for the revenues and expenses associated with the ownership and operation of ten parking garages containing approximately 7,813 spaces in the central business district of the City, in addition to funds it receives from on-street parking meter charges and four open lots.

Coordinated Parking Fund

The Coordinated Parking Fund Component Unit is used to account for the net operating revenues from the components of the coordinated parking system. The components of the coordinated parking system include ten parking garages owned by the Harrisburg Parking Authority, two of the City's surface lots, and the City's parking meters. The Fund is pledged as security for the debt service payments of the Harrisburg Parking Authority Series N and Series R Bonds.

Redevelopment Authority of the City of Harrisburg (Redevelopment Authority)

The Redevelopment Authority of the City of Harrisburg Component Unit is incorporated under the provisions of the Commonwealth of Pennsylvania Urban Development Act Number 385 of May 24, 1945, as amended for the purpose of providing redevelopment and other related activities within the City.

The accompanying notes are an integral
part of these financial statements.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City of Harrisburg, Pennsylvania (City) was founded by John Harris II in 1785, established as a borough in 1791 and incorporated as a City on March 19, 1860. The City operates as a Mayor-Council form of government and provides all municipal services to its residents.

The accounting policies of the City conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The following is a summary of the significant policies:

A. *Reporting Entity*

The City used guidance contained in Governmental Accounting Standards Board (GASB) Statement No. 14, as amended by GASB Statement No. 39, *The Financial Reporting Entity*, to evaluate the possible inclusion of related entities (Authorities, Boards, Councils, etc.) within its reporting entity. The criteria used by the City for inclusion are financial accountability and the nature and significance of the relationships. In determining financial accountability in a given case, the City reviews the applicability of the following criteria. The City is financially accountable for:

- Organizations that make up the legal City entity.
- Legally separate organizations if City officials appoint a voting majority of the organization's governing body and the City is able to impose its will on the organization or if there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the City, as defined below:
 - **Impose its Will** – If the City can significantly influence the programs, projects, or activities of, or the level of services performed or provided by, the organization.
 - **Financial Benefit or Burden** – Exists if the City (1) is entitled to the organization's resources or (2) is legally obligated or has otherwise assumed the obligation to finance the deficits of, or provide support to, the organization or (3) is obligated in some manner for the debt of the organization.
- Organizations that are fiscally dependent on the City. Fiscal dependency is established if the organization is unable to adopt its budget, levy taxes, set rates or charges, or issue bonded debt without approval by the City.

Based on the foregoing criteria, the reporting entity has been defined to include all the entities for which the City is financially accountable or for which there is another significant relationship. Specific information on the nature of the various potential component units and a description of how the aforementioned criteria have been considered in determining whether or not to include or exclude such units in the City's financial statements are provided in the following paragraphs. Separately published audit reports of the component units and joint venture are available for public inspection in the City's Finance Office.

Blended Component Units

Some component units, despite being legally separate from the primary government (City), are so intertwined with the primary government that they are, in substance, the same as the primary

government and are reported as part of the primary government. The component unit reported in this way is the City of Harrisburg Leasing Authority.

City of Harrisburg Leasing Authority

The City of Harrisburg Leasing Authority was formed pursuant to the Municipal Authority Act in 1986 for the purpose of acquiring and leasing facilities and equipment to the City. The five-member Board of Directors is appointed by the Mayor. The City of Harrisburg Leasing Authority's only financial transaction is the financing of City projects. There was no activity during the year ended December 31, 2010.

Discretely Presented Component Units

Component units which are not blended as part of the primary government are discretely presented, which entails reporting component unit financial data in a column separate from the financial data of the primary government. The component units presented in this way are the following:

- The Harrisburg Authority
- Harrisburg Parking Authority
- Coordinated Parking Fund
- Redevelopment Authority of the City of Harrisburg

The Harrisburg Authority

The Harrisburg Authority was incorporated in 1957 under the provisions of the Municipal Authority Act. The entire five-member Board of Directors is appointed by the Mayor and confirmed by City Council. The Harrisburg Authority has purchased the water system and incinerator facility from the City and contracts with the City to manage the water system. With respect to the water system, the contract requires that the Mayor prepare an operating expense budget for adoption by the City Council, with final approval by The Harrisburg Authority with the inclusion of such operating expenses in The Harrisburg Authority's annual budget. The Harrisburg Authority incurred \$9,967,449 in expenses under this agreement in 2010. Additionally, The Harrisburg Authority has agreed to adopt rates sufficient to pay the operating expenses budget, as approved, plus administrative and debt service expenses. The Harrisburg Authority has contracted with an outside vendor to manage the incinerator facility. The Harrisburg Authority has financed the sewer system for the City with a lease revenue bond transaction for which the City pledged all sewer system revenues to secure The Harrisburg Authority's bonds.

Harrisburg Parking Authority

The Harrisburg Parking Authority (Authority) was incorporated in 1972 under the Pennsylvania Parking Authority Law of 1947. The five-member Board of Directors is appointed by the Mayor and members can be removed from the Board at will. The Authority owns and operates ten parking garages containing approximately 7,813 spaces in the central business district of the City.

In addition to parking charges, the Authority receives funds from on-street parking meter charges and four open lots. The City receives the benefit of excess parking revenues through a Cooperation Agreement with the Authority and the City has guaranteed a majority of the Authority's outstanding debt.

Coordinated Parking Fund

The Coordinated Parking Fund (Fund) was established in 1984 through a Cooperation Agreement for the Downtown Coordinated Parking System entered into by the City of Harrisburg, the Redevelopment Authority of the City of Harrisburg, Harristown Development Corporation, the Authority, The Mayor of Harrisburg, and the Harrisburg City Council. The Authority Board, which is appointed by the Mayor and whose members can be removed from the Board at will, administers the Fund on behalf of the City. The Fund is pledged as security for the debt service payments of the Authority Series N and Series R Bonds.

Redevelopment Authority of the City of Harrisburg

The Redevelopment Authority of the City of Harrisburg (Redevelopment Authority) was established in 1949 pursuant to the Urban Redevelopment Act of 1945 (Public Law – 991). The Redevelopment Authority is administered by a five-member Board of Directors, all of whom are appointed by the Mayor. The Redevelopment Authority provides a broad range of urban renewal and maintenance programs within the City. The Redevelopment Authority also coordinates efforts to improve the economic vitality, the housing stock, and overall living conditions within the City. The City guarantees some debt of the Redevelopment Authority projects.

Potential Component Units Excluded

City of Harrisburg Housing Authority

The City of Harrisburg Housing Authority (Housing Authority) was established in 1937 pursuant to the Housing Authorities Law to promote the availability of safe and sanitary dwelling accommodations at affordable rents to families of low income. The Housing Authority is administered by a five-member Board of Directors, all of whom are appointed by the Mayor.

The Housing Authority operates low rent subsidized housing projects established within the City. The Housing Authority manages the acquisition of federal and state funds for the construction of and/or improvements to low income properties and reviews programs with the landlords to ensure compliance with various rules and regulations. The City has no financial accountability over the Housing Authority's operations.

The Housing Authority operates and reports on a calendar year.

Harristown Development Corporation

The Harristown Development Corporation (HDC) was incorporated under the Nonprofit Corporation Law of Pennsylvania in 1974, and owns and operates several facilities within the City. HDC is governed by a 17-member Board of Directors (Board) selected by a nominating committee of the Board. City officials do not serve on the Board or nominating committee. The City does guarantee the debt of an HDC project, but there is no indication of financial accountability.

The HDC operates and reports on a calendar year.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Harrisburg School District

In May 2000, the General Assembly of the Commonwealth passed Act 16 of 2000, entitled the Education Empowerment Act (Act 16), which was signed by the Governor. Soon after passage of Act 16, the Harrisburg School District (School District) filed a legal challenge to Act 16 as it relates to the Mayor’s control of the Harrisburg schools and requested immediate injunctive relief from the Commonwealth Court of Pennsylvania. While Act 16 legal proceedings were pending, in November 2000, the General Assembly of the Commonwealth passed Act 91 of 2000, amending the Education Empowerment Act (Act 91), which was signed by the Governor. Soon after passage of Act 91, the School District filed a legal challenge as it relates to the Mayor’s control of the Harrisburg schools and requested immediate injunctive relief. On December 15, 2000, the Commonwealth Court of Pennsylvania denied the injunction, thus permitting the implementation of Act 91. Act 91 directed the Mayor of the City to assume control of the School District, which was identified by the General Assembly as one of the most distressed and underachieving in the Commonwealth as of July 2000. Act 91 directs the Mayor to appoint a five-member Board of Directors and an eleven-member Advisory Board to assist him. Act 91 imposes no financial responsibilities on the City with respect to the School District. By an order dated July 22, 2003, the Pennsylvania Supreme Court upheld the amendments to the Pennsylvania Educational Empowerment Act which granted control of the School District to the Mayor, as confirmed. The School District remains under the budgetary control of an elected school board. The Education Empowerment Act (24 P.S. sections 17-1701-B – 17-1716-B) expired effective June 30, 2010, pursuant to the sunset provision of the Act. Therefore, as of June 30, 2010, the City relinquished all control functions it previously possessed and the School District reverted to full control by the elected school board.

The Harrisburg School District operates and reports on a fiscal year ending June 30.

Joint Venture

The City is a participant with other municipalities in a joint venture that provides services to the constituents of all the participants. The City has no financial or equity interest in the joint venture. The following is a summary of the significant facts and circumstances for the joint venture for the year ended June 30, 2010:

Name of Organization	Cumberland-Dauphin-Harrisburg Transit Authority
Services Provided	Bus Service
City Board representation	Two of seven members
Fiscal Year	June 30
Current Assets	\$ 4,863,119
Capital Assets, Net	\$ 23,479,816
Total Assets	\$ 28,418,096
Net Assets	\$ 21,334,866
Operating Revenue	\$ 6,466,285
Operating Loss	\$ 13,781,557
Change in Net Assets	\$ (1,108,196)
City Contribution to Operations	\$ 208,320

Related Organizations

The City Council and Mayor are also responsible for appointing the members of several boards, but the City's accountability for these organizations does not extend beyond making appointments. These boards include:

Broad Street Market Authority	Harrisburg Human Relations Commission
Planning Commission	License and Tax Appeals
Private Industry Council	Electrical Code Advisory and Licensing
Tri-County Regional Planning Commission	Building Code Board of Appeals
Emergency Planning Committee	Housing Code Board of Appeals
Board of Health	Civil Service Board
Historical and Architectural Review Board	Zoning Hearing Board
Plumbing Board	Revolving Loan Review Committee
Downtown Improvement District, Inc.	Harrisburg SusqueCentennial Commission
Susquehanna Area Regional Airport Authority	

The amounts the City appropriated to these organizations during the year ended December 31, 2010 were immaterial to the basic financial statements.

The City owns the National Civil War Museum and the related artifacts (collectively, the facilities). During 2001, the City entered into an agreement to lease the facilities to a not-for-profit organization (organization) for \$1 per year. After five years, the City can notify the organization that it would like to renegotiate the rent payment based on the organization's ability to pay. As of December 31, 2010, there has been no further negotiation and the organization continues to pay rent of \$1 per year.

B. *Government-Wide and Fund Financial Statements*

The government-wide financial statements (i.e., the statement of net assets and the statement of activities) report information on all of the nonfiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely, to a significant extent on fees and charges to external parties for support. Likewise, the primary government is reported separately from certain legally separate component units for which the primary government is financially accountable.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include: 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues.

Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund and pension trust fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered available when they are collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Real estate, mercantile, franchise and hotel taxes, intergovernmental revenue, departmental earnings, and investment income are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. All other governmental fund revenues are recorded as cash is received because they are generally not measurable until actually received. In determining when to recognize intergovernmental revenues (grants and entitlements), the legal and contractual requirements of the individual programs are used as guidance.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, principal and interest on general long-term obligations are recognized when due. Prepaid items and inventory purchases are reported as expenditures in the year when the items are purchased. Expenditures for claims, judgments, compensated absences, contingent liabilities, and employer pension contributions are reported to the extent that they mature each period.

The City reports deferred revenue on its governmental fund balance sheet. Deferred revenues arise when a potential revenue does not meet the “measurable” and “available” criteria for recognition in the current period. Deferred revenues also arise when resources are received by the government before it has a legal claim to them, as when grant monies are received prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the government has a legal claim to the resources, the liability for deferred revenue is removed from the governmental fund balance sheet and revenue is recognized.

The City reports the following major governmental funds:

General Fund – Accounts for all financial resources except those required to be accounted for in another fund. The General Fund is the general operating fund of the City.

Grant Programs Fund – Accounts for the revenues and expenditures of federal, state, and other grant programs including the Community Development Block Grant Entitlement Program.

Debt Service Fund – Accounts for the accumulation of resources, which are principally transfers from other funds, for the payment of general long-term obligation principal, interest, and related costs.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

The City reports the following major proprietary funds:

Sewer Fund - Accounts for the revenues and expenses associated with the provision of sewage service to the residents and commercial and industrial establishments of the City as well as six municipalities surrounding the City.

Harrisburg Senators Fund - Accounts for the revenues and expenses associated with the payment of debt on the financing of a new stadium of the Harrisburg Senators, a minor league franchise formerly owned by the City.

Incinerator Fund - Accounts for the collection and remittance of incinerator/resource recovery disposal fees billed by the City and remitted to The Harrisburg Authority for their provision of solid waste incineration services to the residents and commercial and industrial establishments of the City.

In addition, the City reports the following fund types:

Pension Trust Fund – Accounts for the accumulation of resources for pension benefit payments and the withdrawals of qualified distributions of police personnel.

Agency Funds – Account for situations where the City’s role is purely custodial in nature (assets equal liabilities) and do not involve the measurement of results of operations and do not have a measurement focus. The City’s agency funds include the school tax collection fund, which is used to account for the collection and payment to the school district of property taxes billed and collected on its behalf, the payroll and other escrow liabilities fund, which is used to account for the collection and payment of miscellaneous escrow liabilities, and the pass-through grant fund, which is used to account for the temporary collection and disbursement of pass-through grants.

Component units are accounted for as follows:

The discretely presented component units are accounted for as enterprise funds. As such, they account for the activities similar to those found in the private sector, where the determination of net income is necessary or useful for sound financial administration. Services from such activities are provided to outside parties.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in both the government-wide and proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the GASB. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The City and its discretely presented component units have elected not to apply Financial Accounting Standards Board (FASB) pronouncements issued after November 30, 1989 unless the GASB specifically adopts the FASB Statement or Interpretation.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are charges between the enterprise funds and other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in

connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's enterprise funds are charges to customers for sales and services. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the City's practice to use restricted resources first, then unrestricted resources as they are needed.

D. *Cash and Cash Equivalents*

For the purpose of the statement of cash flows, highly liquid investments (including restricted assets) with a maturity of three months or less when purchased are considered to be cash equivalents.

E. *Investments*

The City carries its investments at fair value. The fair value of the City's investments is based upon values provided by external investment managers and quoted market price.

F. *Allowance for Uncollectible Accounts*

The allowance for uncollectible accounts is based upon historical ratios established according to experience and other factors which in the judgment of City officials deserve recognition in estimating possible losses. Management believes that they have adequately provided for future probable losses.

G. *Loans Receivable*

The City has loans receivable issued from the City's Department of Building and Housing Development in the amount of \$10,662,624 and the Mayor's Office of Equal Economic Opportunity (MOEEO) in the amount of \$3,263,501, net of allowances for uncollectible accounts of \$7,938,011 and \$553,536, respectively. The balance of loans receivable that is reported in the General Fund, net of allowance for uncollectible accounts, is presented as reserved fund balance. The balance of the loans receivable that is reported in the Grant Programs Fund, net of allowance for uncollectible accounts, is presented as deferred revenue, because this fund does not report fund balance. Amounts written off during the year ended December 31, 2010 amounted to \$123,468 of loans issued by MOEEO. Write offs are determined based on events of loan default and bankruptcy.

In June 2003, the Redevelopment Authority received two Up-Front Grants in the amount of \$10.6 million from the United States Department of Housing and Urban Development for the Governor's Square (formerly McClay Street) redevelopment project within the City. The grant funds were loaned to a developer for use in connection with an affordable housing project. The loans vary in term and require full payment of principal and interest at the end of the loan term. By their nature, the likelihood that these loans will be collected is remote and, as a result, the loans are completely offset with an allowance for doubtful accounts at December 31, 2010.

H. *Interfund Receivables and Payables*

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans).

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables are classified as “due to/from other funds” on the balance sheet or statement of net assets. Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as “internal balances.”

Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

I. *Advances to Primary Government*

Advances to the primary government from The Harrisburg Authority represent construction in progress for sewer system improvements.

J. *Assets Held for Sale*

Assets held for sale consist of certain historical artifacts which City Council has authorized to be sold. The City carries its assets held for sale at estimated fair value. The fair value of the City’s assets held for sale is valued at extrapolated appraisal cost, actual sales values, and estimated realizable values.

K. *Right to Building*

As further discussed in Note 26, in 1998, the Redevelopment Authority purchased the right, title, and interest in and to certain portions of the Strawberry Square Site located in the City. The Redevelopment Authority is not entitled to any ownership of the buildings until 2016. The future right to the building is valued on the statement of net assets at amortized cost. No amortization was required to be recorded through December 31, 2010.

L. *Capital Assets*

Primary Government

Capital assets, which include property, plant, equipment and infrastructure assets (e.g., roads, bridges, dams, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if historical cost is not available. Assets acquired prior to 1982 have been valued by applying an inflation index to current replacement cost to determine estimated historical costs. The cost of such assets amounted to \$2,534,451 at December 31, 2010. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the assets or materially extend lives are not capitalized.

Artifacts, totaling \$18,649,000, have been recorded at cost in the governmental activities column of the government-wide financial statements and are not being depreciated.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Capital assets of the primary government, as well as the component units, are depreciated using the straight line method over the following estimated useful lives:

Buildings and improvements	5 to 100 years
Equipment and furniture	5 to 20 years
Infrastructure	50 to 150 years

Component units

The Harrisburg Authority

The Harrisburg Authority's capital assets in service and construction in progress are carried at cost, if purchased or constructed. Assets acquired through contributions from developers or other customers are capitalized at their estimated fair value, if available, or at engineers' estimated fair market value or cost to construct at the date of the contribution. Utility systems acquired from other governmental service providers are recorded at the purchase price, limited to fair value. Costs of studies that directly result in specific projects are capitalized. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year.

Maintenance and repairs, which do not significantly extend the value or life of property, plant, and equipment, are expensed as incurred.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets is included as part of the capitalized value of the asset constructed.

Depreciation expense for the Water Segment assets acquired prior to 1992 and for Resource Recovery Segment assets acquired prior to 1997 are calculated using a 2% annual rate. For acquisitions subsequent to these dates, capital assets are depreciated using the straight-line method, over the estimated useful lives, as follows:

Land improvements	25 years
Water mains and related accessories	75 years
Water meter equipment	25 years
Buildings (including Resource Recovery Facility)	50 years
Office equipment	5-15 years
Office furnishings	15 years
Operating equipment	10-50 years
Vehicles	7 years

Harrisburg Parking Authority

The Authority’s capital assets in service and construction in progress are stated on the basis of cost. Capital assets are defined by the Authority as assets with an initial, individual cost of \$10,000 for land, buildings, and related improvements, or \$1,000 for furniture and equipment purposes, and an estimated useful life in excess of three years. Maintenance and repairs, which do not significantly extend the value or life of capital assets, are expensed as incurred.

The Authority’s depreciation expense is computed using the straight-line method over the estimated useful asset lives ranging from three to thirty years. Interest is capitalized on assets acquired with tax-exempt debt. The amount of interest to be capitalized is calculated by offsetting interest costs incurred from the date of the borrowing until completion of the project with interest earned on invested proceeds over the same period.

Redevelopment Authority of the City of Harrisburg

All capital assets are capitalized at historical cost at the acquisition date. Donated fixed assets are reported at their fair market value as of the date received. The Redevelopment Authority maintains a capitalization threshold of \$5,000 for vehicles, equipment, and furniture and fixtures. Leasehold improvements, land improvements, buildings, and building improvements have a capitalization threshold of \$25,000. All capital assets are depreciated, except for land, land improvements (excavation, fill, grading, landscaping), construction in progress, easements, and rights of way.

Depreciation is computed using the straight-line method over the following useful lives:

Buildings and building improvements	40 years
Land improvements	20 years
Furniture and fixtures	10 years
Leasehold improvements	7-10 years
Vehicles	7-10 years
Equipment	5 years

M. *Amount Due to Primary Government/Bond Insurer/County of Dauphin*

As further discussed in Note 23, during the years ended December 31, 2009 and 2010, the City, bond insurer, and County of Dauphin (County) were required to make certain debt service payments on behalf of The Harrisburg Authority under various guarantee/insurance agreements. These amounts are presented as due to the various entities on the statement of net assets and balance sheet at December 31, 2010. In addition, the amounts due to the various entities include accrued interest at various interest rates, dependent upon the applicable agreement.

N. *Unearned Revenue*

The Harrisburg Authority’s unearned revenue, consisting of monies received from debt service forward delivery agreements, is being amortized to interest income over the respective life of each of the agreements using a method that approximates the interest rate method.

O. *Vested Compensated Absences*

Primary Government

Vested compensated absences represent vested portions of accumulated unpaid vacation, sick pay and other employee benefit amounts. It is the City's policy to permit employees to accumulate a limited amount of earned but unused vacation, sick pay and other employee benefit amounts, which will be paid to employees upon separation from City service. All vested compensated absences are accrued when incurred in the government-wide, proprietary, and fiduciary fund financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements.

Component unit

Redevelopment Authority of the City of Harrisburg

The Redevelopment Authority's employees are granted vacation benefits in varying amounts depending on the number of years of service. Employees may accumulate up to 37.5 hours of vacation leave, which may be carried over to subsequent years. Sick leave benefits accrue up to a maximum of 675 hours, but can only be used as sick time and not taken in pay. Sick leave accumulated in excess of 675 hours may be converted, at the discretion of the Executive Director, to vacation time. The conversion of sick leave to vacation leave will occur on the ratio of three (3) hours excess sick leave to one (1) hour vacation leave. The vacation leave accrued in this manner may be carried over to the new calendar year in addition to the maximum vacation leave carryover otherwise permitted. The liability related to compensated absences is reported in the statement of net assets.

P. *Long-term Obligations*

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable statement of net assets. Bond premiums and discounts, as well as issuance costs, are deferred and amortized over the life of the related obligation using the effective interest method. Debt is reported net of the applicable bond premium or discount. Issuance costs are reported as deferred charges and amortized over the term of the related obligation.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of the debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

The Harrisburg Authority and the Authority follow accounting standards that require the difference between the reacquisition price and the net carrying amount of the defeased debt be deferred and amortized as a component of interest expense over the remaining life of the old debt or the life of the new debt, whichever is shorter. On the balance sheet, the amount of the unamortized deferred costs of refunding is reported as a deduction from the new liability. As of December 31, 2010, the unamortized deferred costs of refunding recorded by The Harrisburg Authority and the Authority were \$27,252,412 and \$3,419,641, respectively.

Q. *Fund Equity and Net Assets*

In the government-wide financial statements and the proprietary fund types in the fund financial statements, net assets are classified in the following categories:

Invested in Capital Assets, Net of Related Debt – This category groups all capital assets, including infrastructure, into one component of net assets. Accumulated depreciation and the outstanding balances of debt that are attributable to the acquisition, construction, or improvement of these assets reduces this category.

Restricted Net Assets – This category presents external restrictions imposed by creditors, grantors, contributors or laws or regulations of other governments, and restrictions imposed by law through constitutional provisions or enabling legislation.

Unrestricted Net Assets – This category represents the net assets of the City, which are not restricted for any project or other purpose.

In the fund financial statements, fund balances of governmental funds are classified in two separate categories. The two categories and their general meanings are as follows:

Reserved Fund Balance – This category represents that portion of fund equity which has been legally segregated for specific purposes.

Unreserved Fund Balance – This category represents that portion of fund equity which is available for appropriation and expenditure in future periods.

The City records two general types of reserves. One type is used to indicate that a portion of fund equity is legally segregated for a specific future use. The second type of reserve is used to indicate that a portion of the fund equity is not appropriable for expenditures. Reserves used by the City are as follows:

Governmental Funds

Reserved for encumbrances – An account used to segregate a portion of fund balance for expenditure upon vendor performance.

Reserved for workers' compensation – An account used to segregate a portion of fund balance for assets restricted for payment of benefits to claimants in accordance with the provisions of the Pennsylvania Workers' Compensation Act.

Reserved for revolving loan program – An account used to segregate a portion of fund balance for assets restricted for use by the revolving loan program.

R. *Pensions*

All full-time employees of the City, with the exception of police officers, are covered by an agent-multiple employer public employee retirement system, the Pennsylvania Municipal Retirement System (PMRS). Police officers are covered by the Combined Police Pension Plan, a single-employer pension plan. Contributions to the plans are made in amounts sufficient to fund current service costs and to fund prior and past service costs over a forty-year period. Member employees contribute amounts to the plans based on a percentage of salary. The City funds its pension plans on the basis of normal cost plus the amortization of prior service cost over thirty years in accordance with Act 205 - 1984 of the Pennsylvania legislature. Pension expense is based upon normal cost plus the equivalent to interest on the unfunded prior service costs. As of January 1, 2011, the date of the most recent actuarial valuation, the actuarial accrued pension liability exceeded the actuarial value of assets in the Combined Police Pension Plan in the amount of \$8,543,570. However, the actuarial value of assets exceeded the actuarial accrued pension liability in the Non-uniformed and Fire Pension Plans in the amounts of \$21,568,647 and \$13,201,626, respectively.

S. *Risk Management*

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City purchases commercial insurance for all risks of loss except those related to injuries to employees. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

The City is self-insured for workers' compensation. As a self-insurer, the City is required to fund an already established trust fund, dollar for dollar, once the City has passed a total liability threshold of \$3,594,887, as established by the Commonwealth of Pennsylvania. Accordingly, the City has established a trust fund for workers' compensation claims. The City provides coverage for up to a maximum of \$500,000 and \$400,000 for each workers' compensation claim for uniform and non-uniform employees, respectively, and has purchased commercial coverage for claims in excess of coverage.

In the government-wide financial statements and proprietary fund types in the fund financial statements, the liability for outstanding claims is reported in the applicable statement of net assets. A liability for these amounts is reported in governmental funds only if they have matured. The City has reserved its General Fund balance for the amount of the trust fund. The accrued cost for unpaid claims was \$3,502,706 and \$926,924 in the governmental activities and business-type activities, respectively, at December 31, 2010. These claims liabilities are discounted to present value at a discount rate of 5% and are based on the requirements of governmental accounting standards, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Change in the claims' liability amounts were as follows:

	Governmental Activities	Business-type Activities	2010	2009
Beginning - January 1	\$ 3,321,640	\$ 705,375	\$ 4,027,015	\$ 4,417,150
Current year claims and changes in estimates	1,246,311	368,822	1,615,133	900,346
Claim payments	<u>(1,065,245)</u>	<u>(147,273)</u>	<u>(1,212,518)</u>	<u>(1,290,481)</u>
Ending - December 31	<u>\$ 3,502,706</u>	<u>\$ 926,924</u>	<u>\$ 4,429,630</u>	<u>\$ 4,027,015</u>

T. *Budgets and Budgetary Accounting*

Formal budgetary integration is employed as a management control device during the year for the General Fund, Debt Service Fund, State Liquid Fuels Tax Fund (nonmajor governmental fund), Sewer, and Sanitation Funds. Annual budgets are adopted by ordinances passed by City Council. The City has established the following procedures relating to the preparation and adoption of the annual budget.

1. During August, budget preparation packages are prepared and submitted to the department heads/bureau chiefs for use in developing financial projections for their expenditures for the ensuing year.
2. The budget staff reviews the department heads'/bureau chiefs' expenditure projections and submits a first draft to the Business Administrator. Subsequent to the Business Administrator's review, the draft and recommendations are forwarded to the Mayor.
3. During September, departmental review forms are prepared and submitted to all department heads/bureau chiefs for use in developing financial projections for anticipated revenues for the ensuing year. The Budget staff conducts public hearings to review the department's budget requests.
4. Mayoral hearings are then held during October with each department to discuss their budgets as submitted and allow them to substantiate projected expenditures.
5. After hearings, the budget staff again reviews the projections and presents to the Business Administrator options as to the most viable method of financing them.
6. A second draft is then given to the Mayor with the balanced budget prepared as a result of meetings held between the Mayor, the Business Administrator, and the budget staff.
7. On the fourth Tuesday of November, the final Mayoral recommended budget is presented to City Council.
8. Council holds Budget and Finance Committee meetings to substantiate the proposed budget and arrive at any amendments to the budget.
9. By December 31, the budget, as amended by Council, is legally enacted through the passage of an ordinance.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Appropriations are authorized by ordinance at the fund level with the exception of the General Fund, which is appropriated at the functional office or department level except for the Office of Administration, which has separate budgets for administration and general expenditures. Appropriations are further defined through the establishment of more detailed line-item budgets. These are the legal levels of budgetary control.

The Business Administrator may authorize transfers up to \$20,000 between line-items within a department or office. However, no transfers may be made from personnel line-items to non-personnel line-items without City Council approval. City Council approval is required for transfers in excess of \$20,000 along budget line-items. In the absence of budgeted financing, City Council may approve a supplemental appropriation from unappropriated fund balances; or from a new, unanticipated and unbudgeted revenue source(s) received during the course of the budget year. Therefore, the legal level of control is the line-item level. There were supplemental appropriations enacted during 2010.

Budget to actual comparison by department for the City’s general fund is included in required supplementary information.

U. *Encumbrances*

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is employed as an extension of formal budgetary integration in the governmental and proprietary fund types. Encumbrances outstanding at year-end do not constitute expenditures or liabilities. Encumbrances outstanding at year-end for unfilled obligations of the current year budget are reappropriated in the succeeding year. The City records encumbrances as reservations of fund balance in all governmental funds, except grant funds, at year-end. Encumbrance accounting is used in proprietary fund types as a tool for budgetary control, but reserves are not reported. There were no encumbrances outstanding at December 31, 2010 in the proprietary funds. The subsequent year’s appropriations provide authority to complete the transactions as expenditures. Encumbrances outstanding at December 31, 2010 consisted of \$963,690 in the Grant Programs Fund and are not reflected on the governmental funds balance sheet, because they relate to funds which have zero fund balances at year-end.

Encumbrances outstanding which are reflected on the governmental funds balance sheet at December 31, 2010, by fund type, are presented below:

General	\$ 47,519
Capital Projects	<u>15,000</u>
	<u>\$ 62,519</u>

V. *Use of Estimates*

Management of the City has made a number of estimates and assumptions relating to the reporting of assets and liabilities and the disclosure of contingent liabilities to prepare the financial statements in conformity with accounting principles generally accepted in the United States of America. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

W. *Non-Recourse Debt Issue*

The Harrisburg Authority and the Redevelopment Authority participate in various bond issues for which they have limited liability. Acting solely in an agency capacity, the Authorities serve as a financing conduit, bringing the ultimate borrower and the ultimate lender together to do business. Although the Authorities are a party to the trust indentures with the trustees, the agreements are structured such that there is no recourse against the Authorities in the case of default. As such, the corresponding debt is not reflected on the balance sheet of the Authorities. As of December 31, 2010, non-recourse debt issues outstanding of The Harrisburg Authority totaled \$90,040,000. As of December 31, 2010, non-recourse debt issues of the Redevelopment Authority totaled approximately \$50,922,000 including approximately \$12,056,000 on behalf of the City. See Note 23 regarding a material event notice issued by an entity for which The Harrisburg Authority issued non-recourse debt.

X. *Pending Changes in Accounting Principles*

In February 2009, GASB issued Statement No. 54, "*Fund Balance Reporting and Governmental Fund Type Definitions.*" This Statement establishes fund balance classifications that comprise a hierarchy based primarily on the extent to which a government is bound to observe constraints imposed upon the use of the resources reported in governmental funds. The provisions of this Statement are effective for the City's 2011 financial statements.

In November 2010, GASB issued Statement No. 60, "*Accounting and Financial Reporting for Service Concession Arrangements.*" This Statement improves financial reporting by addressing issues related to service concession arrangements (SCAs), which are a type of public-private or public-public partnership. As used in this Statement, an SCA is an arrangement between a transferor (a government) and an operator (governmental or nongovernmental entity) in which (1) the transferor conveys to an operator the right and related obligation to provide services through the use of infrastructure or another public asset in exchange for significant consideration and (2) the operator collects and is compensated by fees from third parties. The provisions of this Statement are effective for the City's 2012 financial statements.

In June 2011, GASB issued Statement No. 61, "*The Financial Reporting Entity.*" The objective of this Statement is to have financial reporting entity financial statements be more relevant by improving guidance for including, presenting, and disclosing information about component units and equity interest transactions of a financial reporting entity. The provisions of this Statement are effective for the City's 2013 financial statements.

In June 2011, GASB issued Statement No. 63, "*Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position.*" Statement No. 63 provides guidance on reporting deferred inflows and outflows of resources which are distinctly different from assets and liabilities. As a result of reporting these additional elements, the residual balances will be considered as net position, rather than net assets. The provisions of this Statement are effective for the City's 2012 financial statements.

In June 2011, GASB issued Statement No. 64, "*Derivative Instruments: Application of Hedge Accounting Termination Provisions – an Amendment of GASB Statement No. 53.*" Statement No. 64 clarifies whether an effective hedging relationship continues after the replacement of a swap counterparty or a swap counterparty's credit support provider. The provisions of this Statement are effective for the City's 2012 financial statements.

In March 2012, GASB issued Statement No. 65, *“Items Previously Reported as Assets and Liabilities.”* Statement No. 65 clarifies the appropriate reporting of deferred outflows of resources and deferred inflows of resources to ensure consistency in financial reporting. The provisions of this Statement are effective for the City’s 2013 financial statements.

In March 2012, GASB issued Statement No. 66, *“Technical Corrections – 2012 – an amendment of GASB Statements No. 10 and No. 62.”* The objective of this Statement is to improve accounting and financial reporting for a governmental financial reporting entity by resolving conflicting guidance that resulted from the issuance of two pronouncements, Statement No. 54, *“Fund Balance Reporting and Governmental Fund Type Definitions,”* and Statement No. 62, *“Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements.”* The provisions of this Statement are effective for the City’s 2013 financial statements.

In June 2012, the GASB issued Statements No. 67 and 68, *“Financial Reporting for Pension Plans”* and *“Accounting and Financial Reporting for Pensions.”* These Statements revise and establish reporting requirements for most governments that provide their employees with pension benefits. The provisions of these Statements are effective for the City’s 2014 and 2015 financial statements.

The effect of implementation of these Statements has not yet been determined.

2. DEPOSITS AND INVESTMENTS

Primary Government

The deposit and investment policy of the City adheres to state statutes and prudent business practices. City deposits must be held in insured, federally regulated banks or financial institutions and must be fully collateralized in accordance with state statutes. Permissible investments include direct obligations of the U.S. Treasury and U.S. Governmental agencies; certificates of deposit issued by insured banks, bank and trust companies, and savings and loan associations; repurchase agreements not to exceed 30 days, secured by U.S. Government obligations with collateral to be delivered to a third-party custodian; shares of registered investment companies whose portfolios consist solely of government securities; general obligation bonds of any state, Pennsylvania subdivisions, or any of its agencies or instrumentalities backed by the full faith and credit of the issuing entity and having the highest rating of a recognized bond rating agency; and pooled funds of public agencies of the Commonwealth of Pennsylvania. Any investment authorized by 20 Pa. C.S. Ch. 73 (relating to fiduciary investments) is an authorized investment for any pension or retirement fund. This policy is in accordance with applicable Pennsylvania statutes. There were no deposit or investment transactions that were in violation of either state statutes or the policy of the City at December 31, 2010, nor during the year then ended.

Proceeds from debt and other funds, which are held in bank trust accounts in the City’s name and administered by trustees for payment of revenue bonds and the enterprise fund portion of general long-term debt, are classified as restricted assets since their use is limited by applicable bond indentures.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Deposits

At December 31, 2010, the deposits of the City of Harrisburg, including component units were as follows:

Reconciliation to statement of net assets:

Governmental activities	
Unrestricted	\$ 7,064,594
Restricted	473,637
Business-type activities	
Unrestricted	4,865,038
Restricted	2,159
Fiduciary funds - agency fund	<u>1,862,955</u>
Total primary government	<u>\$ 14,268,383</u>
Component units	
Unrestricted	\$ 15,880,121
Restricted	<u>6,492,140</u>
Total component units	<u>\$ 22,372,261</u>

Custodial Credit Risk. Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The City has no policy, other than as presented above, that further limits its custodial credit deposit risk. As of December 31, 2010, the City's book balance was \$14,268,383 and the bank balance was \$15,281,025. Of the bank balance, \$1,072,785 was covered by federal depository insurance and \$14,074,011 was collateralized under Act No. 72 of the 1971 Session of the Pennsylvania General Assembly (Act), in which financial institutions were granted the authority to secure deposits of public bodies by pledging a pool of assets, as defined in the Act, to cover all public funds deposited in excess of Federal Depository Insurance limits. The remaining bank balance of \$134,229 was invested in an external investment pool with the Pennsylvania Local Government Investment Trust (PLGIT). PLGIT separately issues audited financial statements which are available to the public. The fair value of the City's position in the external investment pool is equivalent to the value of the pool shares. The Commonwealth of Pennsylvania is the formal external regulatory oversight for the external investment pool. At December 31, 2010, PLGIT carried a AAA rating and had an average maturity of less than one year.

Component units

The Harrisburg Authority

The deposit and investment policy of The Harrisburg Authority adheres to state statutes, prudent business practices, and the applicable trust indentures, which are more restrictive than existing state statutes. Deposits are maintained in demand deposits and certificates of deposit.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

The deposits of The Harrisburg Authority at December 31, 2010 were as follows:

Cash and cash equivalents	
Unrestricted	\$ 10,919,831
Restricted under trust indentures and guarantee agreement	<u>6,492,127</u>
	<u>\$ 17,411,958</u>

Custodial Credit Risk. Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The Harrisburg Authority does not have a deposit policy for custodial credit risk. As of December 31, 2010, The Harrisburg Authority's book balance was \$17,411,958 and the bank balance was \$17,478,285. Of the bank balance, \$515,958 was covered by federal depository insurance and \$16,962,327 was collateralized under Act No. 72 of the 1971 Session of the Pennsylvania General Assembly (Act), in which financial institutions were granted the authority to secure deposits of public bodies by pledging a pool of assets, as defined in the Act, to cover all public funds deposited in excess of federal depository insurance limits.

Harrisburg Parking Authority and Coordinated Parking Fund

The Parking Authority Law limits the Authority to the type of deposits it may make. Allowable deposits include deposits with banks or savings associations that, to the extent not insured, are secured by a pledge of direct obligations of the U.S. Government, Commonwealth of Pennsylvania, or the City having an aggregate market value at least equal to the balance of such deposits.

The Authority maintains a separate operating account for each component of the coordinated parking system and for the Fund. Amounts deposited into these accounts are combined into one account for investment by the Authority. Interest earned from the investment account is allocated to the operating accounts, including the Fund's operating account, based on the monthly investment balance.

Custodial credit risk. The Authority pools certain of its deposits with the Fund. At December 31, 2010, the pooled account had a book and bank balance of \$2,783,347 and \$2,488,825, respectively. Of the pooled bank balance, \$250,000 was covered by federal depository insurance and \$393,114 was collateralized under Act No. 72 (Act) of the 1971 Session of the Pennsylvania General Assembly, in which financial institutions were granted the authority to secure deposits of public bodies by pledging a pool of assets, as defined in the Act, to cover all public funds deposited in excess of federal depository insurance limits. The remaining \$1,845,711 was invested in the Pennsylvania Treasurer's INVEST Program for Local Governments and Nonprofits (INVEST). INVEST issues audited financial statements that are available to the public. The fair value of the Authority's and the Fund's position in the external investment pool is equivalent to the value of the pool shares. The Commonwealth of Pennsylvania provides external regulatory oversight for the external investment pool. At December 31, 2010, INVEST carried a AAA rating and had an average weighted maturity of less than one year. At December 31, 2010, the Authority's position in the pool was \$2,516,526, and the Fund's position in the pool was \$266,821.

Redevelopment Authority of the City of Harrisburg

Custodial Credit Risk. As of December 31, 2010, the Redevelopment Authority's book balance was \$2,176,956 and the bank balance was \$2,307,167. Of the bank balance, \$1,338,507 was covered by federal depository insurance. The remaining balance of \$968,660 was collateralized under Act No. 72 of the 1971 Session of the Pennsylvania General Assembly (Act), in which financial institutions were granted the authority to secure deposits of public bodies by pledging a pool of assets, as defined in the Act, to cover all public funds deposited in excess of federal depository insurance limits.

Investments

At December 31, 2010, the investments of the City of Harrisburg were as follows:

Primary Government	
Unrestricted investments	
Money market funds	\$ 1,157,935

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

For financial statement purposes, the City's balance held in PLGIT, an external investment pool, is disclosed as a deposit.

Primary Government

Custodial credit risk. Custodial credit risk is the risk that the counterparty to an investment transaction will fail and the government will not recover the value of the investment or collateral securities that are in possession of an outside party. The City has no policy, other than as presented above, that further limits its custodial credit investment risk. Of the City's total investments of \$62,346,655, \$2,044,236 was held by the counterparty's trust department or agent not in the City's name.

The City uses an external investment pool to ensure safety and maximize efficiency, liquidity, and yield for the City's funds. These funds are invested in the Pennsylvania Treasurer's INVEST Program for Local Governments and Nonprofits (INVEST) which separately issues audited financial statements which are available to the public. The fair value of the City's position in the external investment pool is equivalent to the value of the pool shares. The Commonwealth of Pennsylvania provides external regulatory oversight of the pool.

Concentration of credit risk. The City places no limit on the amount the City may invest in any one issuer. At December 31, 2010, there were no investments that represent more than five percent of the City's total investments.

Credit risk. The City does not have a formal policy relating to credit risk of investments. The City's money market, external investment pool, and fixed income investments had the following level of exposure to credit risk as of December 31, 2010:

	<u>Fair Value</u>	<u>Rating</u>
Money market funds	\$ 2,294,372	AAA
Money market funds	\$ 1,157,935	Unrated
External investment pools	\$ 226,041	AAA
Fixed income funds	\$ 10,583,398	AA
U.S. Government agency obligations	\$ 3,182,891	AAA
Corporate bonds	\$ 171,151	AAA
Corporate bonds	\$ 284,775	AA+
Corporate bonds	\$ 122,628	AA-
Corporate bonds	\$ 177,119	AA
Corporate bonds	\$ 512,912	A+

Corporate bonds	\$ 305,230	BBB+
Corporate bonds	\$ 113,037	BBB

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Interest rate risk. The City does not have a formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The following is a list of the City's money market, external investment pool, and fixed income investments and their related average maturities:

Investment Type	Fair Value	Investment Maturities			
		2011	2012-2016	2017-2021	2022 and beyond
Money market funds	\$ 3,452,307	\$ 3,452,307	\$ -	\$ -	\$ -
External investment pool	226,041	226,041	-	-	-
Fixed income funds	10,583,398	-	-	10,583,398	-
U.S. Government obligations	3,024,022	100,046	1,887,131	991,936	44,909
U.S. Government agency obligations	3,182,891	318,986	505,026	1,220,840	1,138,039
Corporate bonds	3,518,571	-	900,108	2,445,965	172,498
Total	\$ 23,987,230	\$ 4,097,380	\$ 3,292,265	\$ 15,242,139	\$ 1,355,446

Workers' Compensation

In accordance with the provisions of the Pennsylvania Workers' Compensation Act, the City has secured an exemption from the necessity of insuring its workers' compensation liability and has elected to maintain a separate fund to provide a reserve for claimants entitled to benefits. Since inception, a total of \$600,000 has been deposited in a bank trust account through December 31, 2010. Interest of \$1,507,935 has been earned on the deposits and claims of \$700,000 have been paid from the trust account from inception through December 31, 2010. During 2006, the City withdrew \$1,300,000 to fund operating deficits of the General Fund. At December 31, 2006, the City had deposited \$1,050,000 back into the fund, giving the City total assets held as reserves of \$1,157,935 at December 31, 2010, of which \$146,914 is included in the General Fund, \$732,830 is included in the Sewer Fund and \$278,191 is included in the Sanitation Fund as investments at December 31, 2010.

Component Units

The Harrisburg Authority

The restricted investments of The Harrisburg Authority at December 31, 2010 were as follows:

Money market funds	\$ 28,981,870
U.S. Government agency obligations	8,613,757
U.S. Government obligations	423,521
Municipal bonds	6,591,446
Commercial paper	3,375,496
Total	\$ 47,986,090

Certain proceeds of revenue bonds, as well as certain resources set aside for their repayment, are classified as restricted assets on the statement of net assets, because their use is limited by applicable trust indentures or other agreements.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Custodial Credit Risk. The Harrisburg Authority does not have a formal investment policy for custodial credit risk. All of The Harrisburg Authority's investments are held by the counterparty's trust department or agent not in The Harrisburg Authority's name.

Concentration of Credit Risk. The Harrisburg Authority places no limit on the amount The Harrisburg Authority may invest in any one issuer. More than five percent of The Harrisburg Authority's investments are held as follows:

	Fair Value	% of Total
Federal National Mortgage Association	\$ 6,361,811	13.26%
General Obligation Pension Bonds - Illinois State	\$ 4,713,471	9.82%
FCAB Owner Trust Discount C/P	\$ 3,375,496	7.03%

Credit Risk. The Harrisburg Authority does not have a formal policy that would limit its investment choices with regard to credit risk. The Harrisburg Authority's money market funds and fixed income investments had the following level of exposure to credit risk as of December 31, 2010:

	Fair Value	Rating
Money market funds	\$ 28,981,870	AAA
U.S. Government agency obligations	\$ 7,486,780	AAA
U.S. Government agency obligations	\$ 1,126,977	AA+
U.S. Government obligations	\$ 423,521	AAA
Municipal bonds	\$ 4,713,471	A+
Municipal bonds	\$ 1,877,975	BBB-
Commercial paper	\$ 3,375,496	A+

Interest Rate Risk. The Harrisburg Authority does not have a formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The following is a list of The Harrisburg Authority's money market and fixed income investments and their related average maturities:

	Fair Value	Investment Maturities			
		2011	2012-2016	2017-2021	2022 and beyond
Money market funds	\$ 28,981,870	\$ 28,981,870	\$ -	\$ -	\$ -

Harrisburg Parking Authority

The bond indentures related to the Authority's parking revenue bonds required the establishment of various funds and accounts. The unexpended amounts in these funds and accounts as of December 31,

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

2010 and the related interest receivable are restricted for designated purposes under the bond indentures.

Allowable investments as outlined in the Authority's internal investment policy include certificates of deposit, repurchase agreements with financial institutions having assets in excess of \$500,000,000, direct obligations of the U.S. Government, or as permitted in the individual trust indentures.

The restricted investments of the Authority at December 31, 2010 were as follows:

Money market funds	\$ 6,503,692
Commercial paper	<u>4,439,962</u>
Total	<u><u>\$ 10,943,654</u></u>

Custodial Credit Risk. The Authority does not have a formal investment policy for custodial credit risk. The securities are held by the counterparty, not in the Authority's name.

Concentration of credit risk. The Authority places no limit on the amount the Authority may invest in any one issuer. More than 5% of the Authority's investments were held with the following issuers:

	<u>Fair Value</u>	<u>Percent of Investments</u>
Restricted:		
Commercial paper:		
Natexis Banques Populaires	\$ 1,806,255	16.51%
Intesa Funding LLC	\$ 2,633,707	24.07%

Credit risk. The Authority does not have a formal policy that would limit its investment choices with regard to credit risk. The Authority's money market funds and fixed income investments had the following level of exposure to credit risk as of December 31, 2010:

	<u>Fair Value</u>	<u>Rating</u>
Restricted:		
Money market funds	\$ 6,503,692	AAA
Commercial paper	\$ 4,439,962	A1

Interest rate risk. The Authority does not have a formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At December 31, 2010, the Authority's money market and fixed income investments have an average maturity of less than one year.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS

Redevelopment Authority of the City of Harrisburg

Investments

The fair value of the investments of the Redevelopment Authority at December 31, 2010 was as follows:

<u>Investments</u>	<u>Fair (Contract) Value</u>
Money market funds	\$ 155,977
External investment pool	845
Guaranteed investment contracts	<u>2,700,139</u>
Total investments	<u>\$ 2,856,961</u>
<u>Investments</u>	
Unrestricted	\$ 122,508
Restricted	<u>2,734,453</u>
Total investments	<u>\$ 2,856,961</u>

The Redevelopment Authority uses an external investment pool to ensure safety and maximize efficiency, liquidity, and yield for the Redevelopment Authority's funds. These funds are invested in the Pennsylvania Treasurer's INVEST Program for Local Governments and Nonprofits (INVEST), which separately issues audited financial statements that are available to the public. The fair value of the Redevelopment Authority's position in the external investment pool is equivalent to the value of the pool shares. The Commonwealth of Pennsylvania provides external regulatory oversight of the pool.

Custodial Credit Risk. The Redevelopment Authority does not have an investment policy for custodial credit risk. At December 31, 2010, the Redevelopment Authority was not exposed to custodial credit risk, because the investments held by the Redevelopment Authority are not evidenced by securities in book entry or paper form.

Concentration of Credit Risk. The Redevelopment Authority places no limit on the amount the Redevelopment Authority may invest in any one issuer. At December 31, 2010, more than 5 percent of the Redevelopment Authority's investments were held with the following issuer:

<u>Issuer</u>	<u>Contract Value</u>	<u>Percentage</u>
Guaranteed investment contracts		
Bank of America - 5.3%	\$ 2,700,139	94.51%

3. PROPERTY TAXES

Based upon assessed valuations provided by the County, the City bills and collects its own property taxes. Delinquent accounts are turned over to the County, which collects the taxes on behalf of the City. The schedule for property taxes levied for 2010 is as follows:

January 1, 2010	- lien date
January 31, 2010	- original levy date
January 31 – March 31, 2010	- 2% discount period
April 1 – May 31, 2010	- face payment period
June 1 – December 31, 2010	- 10% penalty period
January 1, 2011	- turned over to County for collection

The City is permitted by the Third Class City Code to levy real estate taxes up to 25 mills on every dollar of assessed valuation for general City purposes. However, under an order of court dated December 20, 1982, the City was authorized to exceed the statutory general millage rate, up to a maximum of 30 mills.

The real property tax imposed by the City in 2010 was 4.78 mills on improvements and 28.67 mills on land. Both land and improvements are assessed at 100% of market value, with an effective combined equivalent single millage rate of 10.0185 mills.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Property taxes are recorded as of the date levied. Amounts not collected within sixty days after the end of the year are deferred in the governmental funds.

In addition, City taxes may be paid in four installments due on or before January 31, March 31, May 31, and July 31 of the tax year with no discount period allowed. Any delinquent installment is subject to a penalty of 10%.

4. INTERFUND BALANCES AND TRANSFERS

The composition of interfund balances at December 31, 2010 is as follows:

<u>Primary Government</u>	<u>Due from Other Funds</u>	<u>Due to Other Funds</u>
General Fund	\$ 1,493,687	\$ 1,189,397
Grant Programs Fund	747,195	384,240
Nonmajor governmental funds	185,998	628,734
Total governmental funds	<u>2,426,880</u>	<u>2,202,371</u>
Sewer Fund	515,000	143,244
Harrisburg Senators Fund	78,386	-
Incinerator Fund	309,874	-
Sanitation Fund	-	668,597
Total proprietary funds	<u>903,260</u>	<u>811,841</u>
Agency Fund	-	315,928
Total primary government	<u><u>\$ 3,330,140</u></u>	<u><u>\$ 3,330,140</u></u>

These amounts represent short-term receivables and payables for unsettled transactions and short-term borrowings between funds for the purposes of cash flow.

<u>Component Units</u>	<u>Due from Component Units</u>	<u>Due to Primary Government</u>	<u>Advances to Primary Government</u>	<u>Advances from Component Units</u>
Primary Government				
General Fund	\$ 787,918	\$ -	\$ -	\$ 355,825
Nonmajor governmental funds	366,404	-	-	-
Sewer Fund	829,677	-	-	1,633,406
Harrisburg Senators Fund	1,235,977	-	-	-
Incinerator Fund	382,025	-	-	979,199
Sanitation Fund	920,689	-	-	-
Component Units	<u>-</u>	<u>58,122,195</u>	<u>2,968,430</u>	<u>-</u>
Total	<u><u>\$ 4,522,690</u></u>	<u><u>\$ 58,122,195</u></u>	<u><u>\$ 2,968,430</u></u>	<u><u>\$ 2,968,430</u></u>

Amounts due to the City do not equal amounts receivable from component units. There are amounts due from component unit, specifically The Harrisburg Authority, for debt service paid by the City under the guarantee of The Harrisburg Authority Resource Recovery Facility debt as discussed further

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

in Note 23. At the time of the various guarantees, the City and The Harrisburg Authority entered into reimbursement agreements, requiring repayment by The Harrisburg Authority in the event that the City had to pay under the guarantees. However, while the City maintains that there is a legal claim against The Harrisburg Authority for the approximately \$6 million in debt service payments made by the City under the guarantees and the approximately \$48 million paid by the second guarantor and the bond insurer during the year ended December 31, 2010, the City has deemed the likelihood of collection as remote and a full allowance has been established. The City continues to anticipate continued pursuit of collection against The Harrisburg Authority in the event of available excess revenues or through sale of the facility.

The composition of interfund transfers for the year ended December 31, 2010 is as follows:

<u>Primary Government</u>	<u>Transfers In</u>	<u>Transfers Out</u>
General Fund	\$ 2,370,038	\$ 11,403,805
Grants Programs Fund	-	360,335
Debt Service Fund	11,343,200	204,047
Nonmajor governmental funds	128,287	781,682
Total governmental funds	<u>13,841,525</u>	<u>12,749,869</u>
Harrisburg Senators Fund	204,047	-
Sanitation Fund	-	1,295,703
Total proprietary funds	<u>204,047</u>	<u>1,295,703</u>
Total primary government	<u>\$ 14,045,572</u>	<u>\$ 14,045,572</u>

Interfund transfers were made primarily to fund debt service and to move excess cash, per budgeted transfers, to provide for capital project fund expenditures.

5. INTERGOVERNMENTAL REVENUE, RECEIVABLES, AND PAYABLES

The General Fund intergovernmental revenue for the year ended December 31, 2010 is as follows:

Commonwealth of Pennsylvania, Pension System Aid	\$ 2,651,339
Harrisburg Parking Authority, excess parking revenue	2,664,000
Commonwealth of Pennsylvania, Capital fire protection	987,000
Utilities payments in lieu of taxes from other governments	38,093
	<u>\$ 6,340,432</u>

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

The City also participates in a number of state and federal grant programs. Revenues from these programs are as follows:

Grant Programs Fund	
Community Development Block Grant	\$ 2,356,749
Lead Based Paint Grant	1,100,358
HOME Program	462,360
Section 108 Program	396,337
Federal Emergency Management Agency grants	1,005,275
Capital improvement grants	671,451
Justice Assistance Grant	953,344
Homelessness Prevention and Rapid Re-housing Program	352,358
Other state/federal grants	289,637
	<hr/>
	\$ 7,587,869

The Grant Programs Fund had deferred revenue of \$2,684,193 at December 31, 2010, representing payments received in advance for various grant programs. The remaining deferred revenues of \$2,781,246 represent deferred loans receivable.

6. RESTRICTED ASSETS

Revenue Bond and General Obligation Note Proceeds

Proceeds from debt and other funds, which are held in bank trust accounts and administered by trustees, are classified as restricted assets in the enterprise funds since their use is limited by applicable bond indentures or contractual obligations.

7. ASSETS HELD FOR SALE

City Council passed a resolution requiring the administration to develop a plan by February 2007, to sell certain historical artifacts owned by the City. At a minimum, the plan was to include a timeframe for the sale of the artifacts, all of which were to be liquidated no later than December 15, 2008; the process used by the administration to determine the value and accomplish the sale of the artifacts; provide for quarterly reporting by the City Treasurer of the artifacts sold, original purchase price, and the amounts received from the sale of the artifacts; ensure that all funds received from the sale of the artifacts were deposited with a local financial institution and used to pay off the interest and principal of the City's Revenue Bonds, Series of 2006; and provide a detailed listing of all costs and expenses associated with the sale of the artifacts.

The cost of the artifacts to be sold amounted to \$7,843,648. As of December 31, 2010, the City has sold artifacts with an approximate cost of \$2.1 million. The proceeds of the sale, through December 31, 2010, amounted to approximately \$1.7 million.

Additionally, artifacts bought by the City from a certain vendor have been deemed to be inauthentic. Such artifacts had a cost value of approximately \$2.1 million. An appraisal of a portion of the artifacts was extrapolated to the entire population purchased from this vendor. This extrapolation resulted in decreasing the estimated fair value of these artifacts to \$73,000. During the year ended

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

December 31, 2010, the City entered into an agreement with the aforementioned vendor's estate, which resulted in a \$450,000 settlement to the City. This settlement is reported as proceeds from the sale of capital assets on the Statement of Revenues, Expenditures and Changes in Fund Balance of the Capital Projects fund during the year ended December 31, 2010 and was recognized as revenue on the government-wide Statement of Activities during the year ended December 31, 2009.

Finally, during the year ended December 31, 2008, the City had determined, through consultation with industry experts, that the remaining artifacts have a value of approximately 40% of the remaining cost. This valuation resulted in a decrease in the estimated fair value of the remaining artifacts in the amount of approximately \$2 million during the year ended December 31, 2008. No revaluation has been performed through the date of this report.

8. CAPITAL ASSETS

Capital asset activity for the year ended December 31, 2010 is as follows:

Primary Government

	Beginning of Year	Additions	Retirements and Dispositions	End of Year

9. LINE OF CREDIT

The Redevelopment Authority was assisting the City and Senators Baseball Club in applying for grants and financing for use on the rehabilitation of the city island baseball stadium. During the construction phase, there were gaps where funding was not received timely enough to pay construction-related invoices. To help alleviate the cash flow issues, the Redevelopment Authority entered into a \$4 million line of credit agreement to be used for construction costs related to the project. The Redevelopment Authority's line of credit was paid down as grant funding was received. The line of credit expired August 31, 2010.

The Harrisburg Authority

The Harrisburg Authority has entered into six derivative product agreements, which consist of debt service forward delivery agreements with a financial intermediary that result in a forward swap of interest earned on amounts placed in debt service sinking fund and swap agreements. In exchange for cash payments to The Harrisburg Authority at the inception of the agreements totaling approximately \$5,013,198, at December 31, 2010, the financial intermediary has the right, under the debt service forward delivery agreement, to invest the funds on hand in the sinking fund and retain the investment earnings. The amounts received were recorded as unearned revenue in The Harrisburg Authority's financial statements because the substance of these agreements effectively is to pay The Harrisburg Authority currently for interest that normally would be earned in later years. The unearned revenue resulting from these transactions of \$1,949,360 at December 31, 2010, is being amortized over the respective life of each agreement under a method that approximates the interest method.

In September 2010, The Harrisburg Authority terminated a debt service forward delivery agreement with JP Morgan Chase Bank, N.A. on the Series A of 1998 Resource Recovery Bonds, which resulted in proceeds to The Harrisburg Authority of \$570,000. These proceeds, in addition to the balance remaining with respect to the related deferred revenue of \$72,344, are included in investment income.

The Harrisburg Authority is still a party to several debt service forward delivery agreements with Lehman Brothers Special Financing, Inc. (Lehman Special Financing) in connection with certain bonds or notes relating to The Harrisburg Authority's Water System and The Harrisburg Authority's Resource Recovery Facility. In the fall of 2008, Lehman Special Financing filed for bankruptcy protection under the U. S. Bankruptcy Code. As of the date hereof, neither The Harrisburg Authority nor Lehman Special Financing has terminated the outstanding debt service forward delivery agreements, with the exception of the agreement on the Series A-1 of 1994 Water Bonds, which was terminated on March 31, 2011 and resulted in The Harrisburg Authority paying \$173,300 to Lehman Special Financing.

Because debt service is not being paid by The Harrisburg Authority on certain Resource Recovery Facility obligations, there are limited funds to purchase securities under these agreements. Certain of the Resource Recovery Facility forward debt service delivery agreements give the provider the right, upon default, to terminate such agreements. If the provider determines to terminate the agreement, it must first give notice of such termination in accordance with the agreement. Upon termination, The Harrisburg Authority could owe an amount of money to the provider equal to the termination value which would be calculated in accordance with the agreement. The calculation would yield the present value at the time of termination of the amounts to be earned through the investment of the future remaining deposits. No such notice of termination has been given.

Harrisburg Parking Authority

In February 2000, the Authority entered into (i) a debt service reserve fund forward purchase agreement with Lehman for investment of monies in the Series F Debt Service Reserve Account securing the Series F Bonds, (ii) a debt service reserve forward delivery agreement with Bank of America, N.A. (BoFA) for the investment of monies in the Series G and H Debt Service Reserve Fund securing the Authority's Series G Bonds and Series H Bonds, and (iii) a debt service reserve forward delivery agreement with BoFA for the Series I Debt Service Reserve Fund securing the Series I Bonds. The Authority received fees of \$68,584, \$280,000, and \$210,000 respectively, when it entered into the agreements. In September 2001, the Authority refunded the Series I Bonds with its Series J Bonds, and the Series I debt reserve fund agreement was amended to apply to the Series J Debt Service Reserve

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Account securing the Authority's Series J Bonds. Similarly, the Series G and H debt reserve fund agreement was amended to apply to the Series O Bonds issued to refund or otherwise retire the Series G and H Bonds. In connection with that November 2003 amendment, BofA paid the Authority an additional fee of \$252,000. The Series F debt reserve fund agreement was amended in February 2004 to apply to the debt service reserve fund securing the Series N Bonds issued to refund the Series F Bonds. The unearned revenue is being amortized over the respective life of the agreement under a method that approximates the interest method. Amortization for the year ended December 31, 2010, totaled \$44,589.

The debt service requirements for Series F Bonds were payable solely from and are secured by a pledge of (1) all the right, title, and interest of the Authority in and to the Fund, (2) all amounts on deposit and investment securities in any fund or account established under the related bond indenture, (3) a guaranty by the City, and (4) a municipal bond insurance policy. Amounts on deposit in the Fund are to be transferred to the Debt Service Fund created under the bond indenture and used to make required debt service payments on the Series F Bonds. These Bonds have been defeased through the issuance of "Harrisburg Parking Authority Guaranteed Parking Revenue Refunding Bonds, Series N of 2003."

Debt service on the Series G and Series H Bonds was payable from certain Capital Replacement Reserve Funds held by the Authority established under the Cooperation Agreement.

The Series G and Series H Bonds were also secured by a pledge of (1) all amounts on deposit and investment securities in any fund established under the related bond indenture, (2) the City's guaranty, and (3) a municipal bond insurance policy. The annual payment of debt service on the Series G and Series H Bonds is subordinated to provision of funds to cover 130% of the debt service on the Authority Series F Bonds. The Series H Bonds have been defeased through the issuance of the Authority "Guaranteed Parking Revenue Bonds, Series O of 2003."

The City has guaranteed the payment of debt service on a majority of the Authority's bonds and notes pursuant to certain Guaranty Agreements. Concurrent with the execution of the Guaranty Agreements, the Authority also executed certain Reimbursement Agreements with the City whereby the Authority agreed to reimburse the City for any payments made by the City under the aforementioned Guaranty Agreements.

The Authority bond indentures contain certain financial and reporting covenants. At December 31, 2010, the Authority was in not in compliance with such covenants. See Note 23 for information on further information on the Authority's compliance.

CITY OF HARRISBURG, PENNSYLVANIA

During the year ended December 31, 2010, The Harrisburg Authority authorized the optional redemption of the 1989 Sewer Revenue Bonds, Series 2 and 3. As such, both Series of Bonds were redeemed on April 1, 2010.

12. DEFEASANCE OF DEBT

The City and its component units defeased general obligation and other bonds in prior years by placing the proceeds of net bonds in an irrevocable trust to provide for all future debt service payments on the old bonds. Accordingly, the trust account assets and the liabilities for the defeased bonds are not included in the City's financial statements. At December 31, 2010, the following bonds outstanding are considered defeased:

City of Harrisburg	
General Obligation Bonds, Series A of 1995	\$ 35,415,000
The Harrisburg Authority	
Water Revenue Bonds, Series A of 1999	1,730,000
Resource Recovery Revenue Bonds, Series A of 1998	14,150,000
Resource Recovery Revenue Bonds, Series B of 1998	6,555,000

Seventh Street Office & Parking Revenue Bonds, Series B of 1998	6,185,000
Resource Recovery Revenue Notes, Series B of 2000	540,000
Harrisburg Parking Authority	
Guaranteed Parking Revenue Bonds, Series 2001 Bonds	15,360,000
Redevelopment Authority of the City of Harrisburg	
First Mortgage Office Building Revenue Bonds, Series of 2002	4,270,000
	<u>\$ 98,000,000</u>

13. NOTES PAYABLE

The City entered into various promissory notes under Section 108 of the Housing and Community Development Act of 1974 (Public Law 93-383), as amended. The proceeds from the notes were to administer acquisition, relocation, and clearance of City properties. These notes do not have continuing compliance requirements.

As collateral, the City pledged all grants approved or for which the City may become eligible under Title I of the Housing and Community Development Act of 1974, as amended, and program income

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS

	<u>\$ 1,345,301</u>	<u>\$ 339,879</u>

14. LOANS PAYABLE

The composition of loans payable included in the component units at December 31, 2010 is as follows:

The Harrisburg Authority

4.00%-8.00%, The Harrisburg Authority, 2008 Covanta Construction Loan, payable through 2018, to perform the Retrofit completion work at the Resource Recovery Facility \$ 19,823,500

During 2007, The Harrisburg Authority entered into a First Amendment and Management and Professional Services Agreement with a waste management facility operator (operator). As part of that agreement, the operator agreed to advance the costs incurred in the retrofit completion up to \$25,500,000. At December 31, 2010, The Harrisburg Authority had drawn down \$20,461,000. This loan constitutes subordinate debt of The Harrisburg Authority pursuant to the provisions of The Harrisburg Authority's various debt indentures. No interest accrues until July 1, 2011, at which time simple interest begins to accrue at the rate of 4% per annum until July 1, 2012 and at a rate of 8% per annum thereafter. Interest is payable beginning October 1, 2011 and continuing thereafter in quarterly installments due and payable on the first day of each calendar quarter. Principal was to be paid beginning on July 1, 2009 in quarterly installments due and payable on the first day of each calendar quarter based on a 10-year, mortgage-style amortization schedule. This loan is guaranteed by the City. Refer to Note 23 for information on payments made by the City under the guarantee.

The annual requirements to amortize all loans payable outstanding as of December 31, 2010 are as follows:

Component Unit:

<u>Year Ending December 31,</u>	<u>The Harrisburg Authority</u>	
	<u>Principal</u>	<u>Interest</u>
2011	\$ 4,251,694	\$ 159,985
2012	1,690,889	739,501
2013	1,618,696	1,062,714
2014	1,752,128	929,281
2015	1,896,560	784,850
2016-2018	8,613,533	1,441,751
	<u>\$ 19,823,500</u>	<u>\$ 5,118,082</u>

15. LEASES

Future Lease Rentals Payable to Component Unit

On October 1, 1984, the City entered into a supplemental lease agreement pursuant to the refunding of The Harrisburg Authority's Guaranteed Sewer Revenue Bonds, Series of 1978. The 1984 Second Supplemental Agreement of Lease provides for rental payments in an amount sufficient to retire bonds issued to finance the cost of major construction improvements to the sewage conveyance and treatment system. Also included are interest and administrative costs of The Harrisburg Authority.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

On January 15, 1988, the City entered into a Third Supplemental Agreement of Lease and a Collection System Lease pursuant to the issuance of The Harrisburg Authority's Sewer Revenue Bonds, Series A and B of 1988, respectively. The Third Supplemental Agreement of Lease was entered into providing for rental payments in an amount sufficient to retire bonds issued to finance the Series A Project relating to the sewage conveyance and treatment system. The Collection System Lease was entered into providing for rental payments in an amount sufficient to retire bonds issued to finance the Series B Project relating to the sewage collection system.

On December 23, 2009, the City entered into a Fourth Supplemental Agreement of Lease pursuant to the issuance of The Harrisburg Authority's 2009 Guaranteed Sewer Revenue Note (2009 Note). The Fourth Supplemental Agreement of Lease was entered into providing for rental payments in an amount sufficient to provide for the principal and interest on the 2009 Note issued to finance the construction and acquisition of certain alterations, additions, improvements and extensions to the sewage conveyance and treatment system.

In accordance with the lease agreements, the City is required to make the following minimum annual lease rental payments:

Lease year ending December 31,	Basic Lease Rental	Authority Administrative Expense	Total
2011	\$ 1,915,776	\$ 250,000	\$ 2,165,776
2012	74,773	\$ 250,000	\$ 2,165,776
2013	74,773		
2014	74,773		
2015	83,546		
2016 - 2020	417,730		
2021 - 2025	417,730		
2026 - 2030	417,730		
Total minimum lease payments	3,476,831		
Less amount representing interest	(431,562)		
Present value of net minimum lease payments	3,045,269		
Current portion	1,769,281		
Long-term portion	\$ 1,275,988		

The net book value of equipment held under capital leases included in capital assets was \$18,557,665 at December 31, 2010. Capital improvements to these systems under the lease agreements were \$5,118,648 during 2010. Capital assets under the lease agreement have been treated as noncash transactions in the Statement of Cash Flows.

The City is required under the terms of the Second, Third, and Fourth Supplemental Agreement of Lease and Collection System Lease to make additional rental payments within 190 days after the end of each year, equal to excess funds in the Sewer Fund as defined in the respective lease agreements. There were no excess funds at December 31, 2010 and, accordingly, no additional payment was due.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Capitalized Lease Obligations

Primary Government

The City leased certain equipment under long-term lease agreements which were classified as capital leases. During the year ended December 31, 2004, the City refinanced all of the then existing capital leases into a consolidated master capital lease. Additional capital leases were issued during the years ended December 31, 2005, 2007, and 2009. As of December 31, 2010, the governmental activities and the business-type activities included equipment and furniture under capital leases with a net book value of \$6,340,865 and \$682,249, respectively.

The future minimum payments under capital leases and the present value of the minimum lease payments at December 31, 2010 are as follows:

Year ending December 31,	Governmental Activities	Business-type Activities	Total
2011	\$ 1,867,642	\$ 146,421	\$ 2,014,063
2012	1,575,552	130,794	1,706,346
2013	730,597	41,786	772,383
2014	730,598	41,785	772,383
2015	125,962	7,205	133,167
2016	125,963	7,204	133,167
2017	110,698	7,221	117,919
Total minimum lease payments	5,267,012	382,416	5,649,428
Less amount representing interest	(390,239)	(25,900)	(416,139)
Present value of future minimum lease payments	<u>\$ 4,876,773</u>	<u>\$ 356,516</u>	<u>\$ 5,233,289</u>

Component Units

Non-Exclusive Technology Sub-Licensing Agreement and Technology Purchase Agreement

On December 31, 2003, The Harrisburg Authority entered into the Non-Exclusive Technology Sub-Licensing Agreement and Technology Purchase Agreement with the original contractor of the Resource Recovery Retrofit. The original contractor granted The Harrisburg Authority a license to utilize the Combustion Technology at the Facility. The Sub-License Agreement is to continue in effect until the date on which the Combustion Technology is no longer used at the Facility.

To raise the funds necessary to complete the project, the original contractor sold its Technology License to CIT - Newcourt Capital for \$25 million. In turn, the Authority and original contractor entered into a First Amended and Restated Nonexclusive Technology Sublicensing Agreement and Technology Purchase Agreement (Amended Purchase Agreement) granting continued right to the The Harrisburg Authority to make full use of the Combustion Technology for all intended purposes under the Equipment Agreement, and for no other purpose; provided, that The Harrisburg Authority may expand or increase the number of units at the Facility without the consent of the Licensor and without payment of any additional fees. This Amended Purchase Agreement has since been assigned to CIT.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Under the sublicense, The Harrisburg Authority will pay to CIT the following fees:

Base Fee - For each calendar quarter ending prior to January 1, 2026, The Harrisburg Authority will pay to Licensor/Seller, on or prior to the first business day of the immediately following calendar quarter (base fee) an amount equal to:

- For calendar quarters ending March 31, 2006 and June 30, 2006, \$500,000;
- For each calendar quarter thereafter prior to the calendar quarter during which the \$25 million is repaid, \$750,000; and
- For each calendar quarter following the calendar quarter during which the \$25 million has been repaid occurs and prior to the calendar quarter in which the Purchase Date occurs, \$.50 per ton of waste processed through each Combustion Unit during the applicable calendar quarter.

Supplemental Fee - For each calendar year ending on or after December 31, 2006 and prior to the repayment of the \$25 million, The Harrisburg Authority will pay to CIT, an amount equal to 95% of the excess revenues (defined as funds available after the payment of facility expenses defined as actual expenses incurred by The Harrisburg Authority in the operation, maintenance and ownership of the Facility: such expenses to include all operating and debt service expenses and mandated governmental fees and costs, and payments required to be made from the revenue fund into the following trust funds: the debt service fund, the debt service reserve fund, the operating reserve fund, the renewal and replacement fund and any other specified funds into which mandatory deposits or transfers are required under the terms of the existing authority indenture documents, but excluding the surplus fund and the redemption fund and disregarding amounts paid into and disbursed out of the purchase and remarketing fund).

During the year ended December 31, 2006, The Harrisburg Authority paid the base fee of \$2.5 million to CIT under the Amended Purchase Agreement. There were no supplemental fees due for the year ended December 31, 2006. There were no payments made under this agreement in 2007, 2008, 2009, or 2010. At December 31, 2010, The Harrisburg Authority's statement of net assets reflects the remaining balance due under this capital lease in the amount of \$15,000,000, in addition to accrued interest of \$2,704,438.

CIT is asserting that, pursuant to one of the many agreements signed on or about January 11, 2006, The Harrisburg Authority is required to repay this obligation because of the ensuing bankruptcy of Barlow, the original designer and contractor of the Resource Recovery Facility's retrofit project. CIT further argues that The Harrisburg Authority's obligation is an "operating expense" and that it should be given priority in payment ahead of The Harrisburg Authority's debt service obligations. The District Court entered judgment against The Harrisburg Authority in the amount of \$19.3 million as of January 2012. The case is presently on appeal with the Circuit Court of Appeals. The Harrisburg Authority has defended against the claim by asserting that the agreements upon which CIT was basing its claims are unenforceable and ultra vires acts, and, among other arguments, that there was a lack of consideration for the agreements. The Harrisburg Authority will continue to pursue its position on appeal.

Transportation Center Lease Income

The Redevelopment Authority, through the Transportation Center Fund, leases space to a commercial rail company and other tenants with lease ending dates varying through 2016. Additionally, the Redevelopment Authority leases space to a non-profit corporation with a lease ending date of 2012.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

These leases are noncancellable operating leases. Minimum rentals on noncancellable leases through 2016 are as follows:

<u>Lease year ending December 31,</u>	
2011	\$ 771,672
2012	677,549
2013	493,913
2014	97,618
2015	55,227
2016	<u>18,589</u>
Total minimum lease payments	<u><u>\$ 2,114,568</u></u>

Operating Lease

The Redevelopment Authority leases space from the National Railroad Passenger Corporation (Amtrak) through 2013. The minimum lease payments for the term of the lease are as follows:

<u>Lease year ending December 31,</u>	
2011	\$ 127,447
2012	127,447
2013	<u>127,447</u>
Total minimum lease payments	<u><u>\$ 382,341</u></u>

The lease is adjusted annually on January 1 for the National Consumer Price Index. The above amounts do not reflect the annual CPI increase. Management does not anticipate a significant increase in the above amounts. Total rental expenses for the year ended December 31, 2010 approximated \$127,458.

16. INTEREST RATE SWAPS

Component Units

The Harrisburg Authority

Variable Rate Issues and Interest Rate Swaps

In connection with its incurrence of long-term indebtedness, The Harrisburg Authority, from time to time, has issued several series of variable rate bonds and notes and entered into related interest rate swap and cap agreements with respect to certain of these variable rate issues. A description of the variable rate issues and, where applicable, the related interest rate swap or swaps, and cap follows.

2003 Water Revenue Bonds, Series A

Objective of the interest rate swaps. In August 2006, The Harrisburg Authority entered into two Constant Maturity Swaps with Deutsche Bank AG, New York Branch (Deutsche Bank) to enhance the

2003A interest rate swap agreements (terminated in 2008) with the objective to increase the expected cash flows and effectively lower the overall cost of borrowing of the 2003 Water Revenue Bonds, Series A by converting the tenor of the interest rate on the Societe Generale payment leg of each of the underlying swaps from receiving a short-term rate to a long-term rate. The Constant Maturity Swaps became effective on July 15, 2007 and have been transferred to the 2008 Water Revenue Bonds.

Terms. The Constant Maturity Swaps, which The Harrisburg Authority entered into with respect to its 2008 Water Revenue Bonds, consist of two separate components, a LIBOR-based Constant Maturity Swap with \$25,275,000 of outstanding principal amount of 2008 Water Revenue Bonds as the notional amount (LIBOR CMS) and a SIFMA-based Constant Maturity Swap with \$25,020,000 of outstanding principal amount of 2008 Water Revenue Bonds as the notional amount (SIFMA CMS). Under the LIBOR CMS, The Harrisburg Authority receives interest on the corresponding notional amount at a floating rate of 60.15% of the ten-year USD-ISDA-Swap Rate (ten-year LIBOR swap rate) and paid Deutsche Bank a floating rate based on 67% of one-month LIBOR. Under the SIFMA CMS, The Harrisburg Authority received interest on the corresponding notional amount at a floating rate of 85.44% of USSMQ10 (ten-year SIFMA swap rate) and paid Deutsche Bank a floating rate based on the SIMFA Index. The notional amount of each of the LIBOR CMS and SIFMA CMS decreased as the outstanding principal amount of the corresponding 2008 Water Revenue Bonds decreased through mandatory sinking fund redemption. Effective November 17, 2008, both the LIBOR CMS and SIFMA CMS were suspended until January 15, 2011. For executing these suspensions, The Harrisburg Authority received a total of \$1.25 million from Deutsche Bank.

Termination risk. The LIBOR CMS and the SIFMA CMS were terminated in March 2010 and The Harrisburg Authority received \$673,200 and \$372,200, respectively. As of December 31, 2009, it would have cost Deutsche Bank, the Counterparty, \$804,762 and \$400,572 to terminate the LIBOR CMS and the SIFMA CMS, respectively. Changes in fair value, through the termination date, of (\$131,562) and (\$28,372) are recorded as a component of investment income on the statement of activities.

Series of 2004, Water Revenue Refunding Bonds

Objective of the interest rate swaps. In August 2004, The Harrisburg Authority issued Series of 2004, Water Revenue Refunding Bonds, in the principal amount of \$37,455,000 (2004 Water Revenue Bonds). The Series of 2004 Bonds bear interest at a fixed rates ranging from 1.5% to 5%. In an effort to lower The Harrisburg Authority's net interest cost on the 2004 Water Revenue Bonds, The Harrisburg Authority entered into the 2005 Basis Swap, on the then outstanding bonds, in the notional amount of \$37,360,000.

In August 2006, The Harrisburg Authority amended the 2005 Basis Swap with Bank of America (formerly Merrill Lynch) with the objective to enhance the 2005 Basis Swap by increasing the expected cash flows on the Basis Swap and effectively lowering the overall cost of borrowing of the 2004 Water Revenue Refunding Bonds. The amendment converts the tenor of the interest rate on Bank of America's payment leg of the Basis Swap from a short-term rate to a long-term rate.

Terms. Under the 2005 Basis Swap, The Harrisburg Authority periodically paid an amount to Bank of America equal to interest on an amount corresponding to the then outstanding aggregate principal amount of the 2004 Water Revenue Bonds computed on the basis of the then applicable SIFMA Municipal Swap Index (SIFMA Index) and Bank of America periodically paid an amount to The Harrisburg Authority equal to interest on the Notional Amount computed on the basis of 50 basis

points plus 67% of the monthly LIBOR Index. The notional amount of the 2005 Basis Swap decreased as the outstanding principal amount of the corresponding 2004 Water Revenue Bonds decreased through maturing principal.

The 2006 amendment converted The Harrisburg Authority's receipt rate from 67% of one-month LIBOR plus a spread of 50 basis points to 69% of the five-year USD-ISDA-Swap Rate (five-year LIBOR Swap Rate). The amendment became effective on July 15, 2007.

Termination risk. The 2005 Basis Swap was terminated in February 2010 and The Harrisburg Authority received \$1,101,045. As of December 31, 2010, it would have cost Bank of America \$1,646,588 to terminate the 2005 Basis Swap, as amended, with The Harrisburg Authority. Changes in fair value, through the termination date, of (\$545,543) are recorded as a component of investment income on the statement of activities.

2003 Guaranteed Resource Recovery Revenue Bonds, Series D1 and D2

Objective of the interest rate swaps. The Harrisburg Authority's asset/liability strategy is to have a combination of fixed and variable-rate debt. On December 30, 2003, The Harrisburg Authority issued its \$96,480,000 Guaranteed Resource Recovery Facility Revenue Bonds, Series D of 2003 (2003 Resource Recovery Bonds, Series D) consisting of \$31,480,000 Subseries D-1 (2003 D-1 Bonds) and \$65,000,000 Subseries D-2 (2003 D-2 Bonds). The 2003 D-1 Bonds initially bore interest at a fixed rate of 4.00% to December 1, 2008, and the 2003 D-2 Bonds at a 5.00% fixed rate to December 1, 2013. After the expiration of these respective initial rate periods, the 2003 D-1 and D-2 Bonds are subject to conversion to different interest rates for different interest rate periods. On December 1, 2008, The Harrisburg Authority remarketed and converted \$31,280,000 Guaranteed Resource Recovery Facility Revenue Bonds, Subseries D-1 of 2003, to a long-term rate period of December 1, 2008 to December 1, 2010 with a coupon rate of 6.75%. On December 1, 2010, the Subseries D-1 of 2003 Bonds were remarketed to a fixed rate of 5.25% through December 1, 2013. To convert the interest rate on the 2003 D-1 and 2003 D-2 Bonds to a synthetic variable rate at the time of their issuance in 2003, The Harrisburg Authority entered into fixed-to-floating interest rate swaps, thereby achieving a variable rate while eliminating the need for a liquidity facility and annual remarketing services, and avoiding basis risk associated with the weekly remarketing of its variable rate debt, had it issued the 2003 D-1 Bonds and 2003 D-2 Bonds as weekly floating rate bonds.

Terms. With respect to its 2003 Resource Recovery Bonds, Series D, The Harrisburg Authority entered into an interest rate swap agreement with Royal Bank of Canada (RBC), which swap agreement consists of two components: (i) a swap with the outstanding principal amount of the 2003 D-1 Bonds to December 1, 2008 as the notional amount (D-1 Swap) and (ii) a swap with the outstanding principal amount of the 2003 D-2 Bonds to December 1, 2013 as the notional amount (D-2 Swap). Under the D-1 Swap, which terminated on December 1, 2008, The Harrisburg Authority paid RBC floating amounts calculated by applying a floating rate per annum determined by reference to the SIFMA Index, and The Harrisburg Authority received fixed amounts calculated by applying a fixed rate of 2.66% per annum on the notional amount under the D-1 Swap. Under the D-2 Swap, scheduled to terminate on December 1, 2013, The Harrisburg Authority pays interest on the notional amount under the D-2 Swap at a floating rate determined by reference to the SIFMA Index, and receives interest on such notional amount at a rate of 3.37% per annum.

The D-1 Swap contained an embedded interest rate cap, providing that the floating rate to be paid by The Harrisburg Authority shall not exceed 12% to June 1, 2006, and shall not exceed 6% from June 1,

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

2006 to the D-1 Swap termination date of December 1, 2008. The D-2 Swap contains a similar embedded cap, capping at 12% the floating rate to be paid by The Harrisburg Authority to June 1, 2006, and providing a 6% cap from June 1, 2006 to December 1, 2013, the termination date of the D-2 Swap. The Harrisburg Authority also entered into an interest rate cap agreement (D-1/D-2 Cap) with RBC, which was to become effective on December 1, 2008. The D-1/D-2 Cap provided that RBC would pay the excess, if any, between the SIFMA Index and 6% on a notional amount equal to the scheduled principal amount of the D-1 Bonds and the D-2 Bonds outstanding after December 1, 2008 and December 1, 2013, respectively. In May 2004, The Harrisburg Authority and RBC amended the D-1/D-2 Cap to provide for RBC to pay the excess between 68% of LIBOR and 6%, rather than the excess between SIFMA and 6%. The Harrisburg Authority received \$1,106,000 as a result of this amendment.

On August 31, 2005, The Harrisburg Authority elected to supplement the D-1 and D-2 Swaps in order to effectively fix the interest rate on its obligations through the final maturity date of the 2003D Bonds scheduled to be outstanding from time to time (initially \$96,480,000). The new agreement (2005 Swap), which The Harrisburg Authority entered into with RBC, with a notional amount equal to the principal amount of the 2003D Bonds, \$96,480,000, consists of a variable to fixed interest rate swap. The 2005 Swap provides, effective June 1, 2006 and continuing until December 1, 2033, for The Harrisburg Authority to pay a fixed rate not exceeding 3.35% and (i) to receive from June 1, 2006 to May 31, 2008 a SIFMA-based variable rate and (ii) to receive from June 1, 2008 to December 1, 2033 a LIBOR-based variable rate equal to 68% of one month LIBOR.

On April 28, 2006, The Harrisburg Authority terminated the portion of the 2005 Swap from June 1, 2011 through December 1, 2033. Under the revised agreement, effective June 1, 2006, The Harrisburg Authority pays a fixed rate not exceeding 3.35% through June 1, 2011 and (i) receives SIFMA-based variable rate through June 1, 2008 and (ii) receives 68% of one-month LIBOR from June 1, 2008 to June 1, 2011. As a result of the partial termination, The Harrisburg Authority received \$4,027,000.

Pursuant to the agreements, The Harrisburg Authority pays to or receives from the counterparty a net swap payment. For the year ended December 31, 2010, The Harrisburg Authority received \$2,021,090 with respect to the D-2 Swap and the embedded D-2 Cap and paid \$3,052,850 with respect to the 2005 Swap. For the year ended December 31, 2010, The Harrisburg Authority paid \$569,232 for the D-1/D-2 Cap, as noted below.

Fair value. As of December 31, 2010, it would cost the Counterparty \$4,550,233 to terminate the D-2 Swap and the embedded D-2 Cap and this amount is presented as a derivative asset on the statement of net assets. The fair values take into consideration the prevailing interest rate environment and the specific terms and conditions of each swap. All fair values were estimated using the zero-coupon discounting method. This method calculates the future payments required by the swap, assuming that the current forward rates implied by the yield curve are the market's best estimate of future spot interest rates. These payments are then discounted using the spot rates implied by the current yield curve for a hypothetical zero-coupon rate bond due on the date of each future net settlement payment on the swaps.

As of December 31, 2010, it would cost The Harrisburg Authority \$4,671,430 to terminate the D-1/D-2 Cap and this amount is presented as a derivative liability on the statement of net assets. The Harrisburg Authority is obligated to make semi-annual payments of \$284,616 beginning December 1, 2006 to and including December 1, 2033 for a total obligation of \$11,707,282 as payment for the D-1/D-2 Cap. These payments are included as a component of interest expense as paid.

As of December 31, 2010, it would cost The Harrisburg Authority \$1,522,956 to terminate the 2005 Swap and this amount is presented as a derivative liability on the statement of net assets.

Changes in fair value for the year ended December 31, 2010 of \$545,029, (\$819,464), and \$2,454,148 for the D-2 Swap and the embedded D-2 Cap, D-1/D-2 Cap, and 2005 Swap, respectively, are recorded as a component of investment income on the statement of activities.

Credit risk. As of December 31, 2010, The Harrisburg Authority was not exposed to credit risk on the D-1/D-2 Cap, or the 2005 Swap because they both had negative fair values. However, should interest rates change and the fair value of the swaps become positive, The Harrisburg Authority would be exposed to credit risk in the amount of the swap agreement's fair value. The Harrisburg Authority is exposed to credit risk on the D-2 Swap and the embedded D-2 Cap in the amount of the swap agreement's fair value. As of December 31, 2010, RBC was rated Aa1 by Moody's Investors Service and AA- by Standard & Poor's. If RBC's rating falls below A3 by Moody's Investors Service or A- by Standard & Poor's, and if the fair value of the swaps become positive for The Harrisburg Authority, then the Authority may choose to terminate the D-2 Swap and the 2005 Swap to mitigate credit risk.

Interest rate risk. The Harrisburg Authority entered into the 2005 Swap and the D-1/D-2 Cap to fix the interest rate as noted above and to limit their exposure to changes in interest rates. However, the D-2 Swap exposes The Harrisburg Authority to interest rate risk, as it is highly sensitive to changes in interest rates and the changes will have a material impact on the valuation of the Swap.

Subsequent Event. As of November 13, 2012, it would cost the Counterparty \$3,083,987 to terminate the D-2 Swap and the embedded D-2 Cap. As of November 13, 2012, it would cost The Harrisburg Authority \$5,048,011 to terminate the D-1/D-2 Cap.

RBC was rated AA- (negative outlook) by Standard & Poor's, Aa3 (stable outlook) by Moody's Investor Service, and AA (stable outlook) by Fitch as of November 13, 2012.

2003 Guaranteed Resource Recovery Revenue Notes, Series B

These Notes bear interest at a tax-exempt weekly rate equal to the SIFMA index plus 75 basis points on each date of determination, 1.01 percent at December 31, 2010.

2002 Water Revenue Bonds, Series B

These Bonds bear interest at a tax-exempt weekly rate, 2.26 percent at December 31, 2010.

2002 Water Revenue Bonds, Series C

These Bonds bear interest at a taxable weekly rate, 2.6 percent at December 31, 2010.

1998 Guaranteed Sewer Revenue Notes, Series A

These Notes bear interest at a variable rate, 2.4375 percent at December 31, 2010.

17. PENSION PLAN

Plan Description

The City has four defined benefit pension plans. Two of the plans, Non-uniformed Employees' Plans A and B, are controlled by provisions of Ordinance-Bill No. 49-1984, adopted pursuant to Act 15. On January 2, 2002, the assets of Plans A and B were combined, but the requirements for eligibility and benefits remain separate. The Combined Firefighters' Plan is controlled by provisions of Ordinance-Bill No. 44-2002. For these plans, the City contributes to the Pennsylvania Municipal Retirement System (PMRS), an agent multiple-employer Public Employees Retirement System (PERS). The remaining plan, the Combined Police Pension Plan, was established January 1, 1999 under Ordinance-Ordinance No. 21 of 1998 and is controlled by the provisions of Ordinance No. 5 of 2001, as amended. This ordinance withdrew the Police Officers' Plan A and Police Officers' Plan B from PMRS, and established an amended and restated pension plan for police officers of the City. The combined Police Pension Plan is a single-employer pension plan and is controlled by a separate independent board of trustees.

The plans have been established to cover substantially all full-time employees. Employees become eligible for participation in a plan immediately upon employment and become fully vested after 20 years of service for City A plans, 10 years for City B and Combined Firefighters' Plans and 20 years for the Combined Police Pension Plan. The plans have been established by City ordinance in accordance with the authority for municipal contributions required by Act 205-1984 (Act 205) of the Pennsylvania legislature, as amended by Act 189-1990. The plans require covered employees to contribute a percentage of total compensation.

PMRS issues publicly available financial reports that include financial statements and required supplementary information. The PMRS report may be obtained by writing to Pennsylvania Municipal Retirement System, P.O. Box 1165, Harrisburg, PA 17108-1165 or by calling 1-800-622-7968.

In addition, the City of Harrisburg Police Pension Board issues a separate publicly available financial report that includes financial statements and required supplementary information for the Combined Police Pension Fund. That report may be obtained by writing to the City of Harrisburg Police Pension Board, The Reverend Dr. Martin Luther King, Jr. City Government Center, 10 North Second Street, Harrisburg PA 17101 or by calling 717-255-6507.

The benefits provided by the plans differ by employment group and are based upon average compensation and length of service. Normal benefits are calculated at 2.5% per year of credited service multiplied by the final average annual salary for the Non-uniformed Employees' A and Combined Firefighters' plan. In no case may the benefit exceed 50% of the final average annual salary. The benefits provided by the Non-uniformed Employees' B plan are calculated at 2.0% per year of credited service multiplied by the final average annual salary. In no case may the benefit exceed 75% of the final average annual salary. For members who complete 20 or more years of service, the benefits provided by the Combined Police Pension plan are calculated at 50% of the participant's average monthly compensation, plus an incremental pension equal to 2.5% of the average monthly compensation for each complete year of service in excess of 20 years, up to a maximum of 65% of average monthly compensation for participants who complete 26 years of service. An additional 5% of average compensation is added to participants who complete 27 years of service, up to a maximum monthly pension of 70% of average monthly compensation. The Combined Police Pension plan defines average monthly compensation as the final annualized basic compensation rate, including

longevity payments, or the average monthly compensation, including longevity payments, received during the last five years of employment, if higher.

The plans provide retirement, disability, and death benefits to plan members and their beneficiaries. Cost-of-living allowances are provided at the discretion of the plans.

In addition, Non-uniformed Employees' Plan A is closed to new entrants.

Funding Policy

Act 205 requires that annual contributions be based upon the plan's minimum municipal obligation (MMO). The MMO is based upon the plan's bi-annual actuarial valuation.

Contributions by the City are determined under the entry age normal method. Unfunded past service liability is amortized over the average future service of active participants.

Employee contributions to the plan are based on a percentage of compensation. Non-uniformed employees are required to contribute 4.0-6.0% and 5.0% of annual compensation for plans A and B, respectively. Fire employees contribute 5% of annual compensation, while police employees contribute 5% of annual compensation plus \$1 per month. An interest rate of 6.0% is applied to the non-uniformed and fire employees accounts. Employees' accumulated contributions plus interest (if applicable) will be returned upon termination or death if no other benefits are payable under the plan. The plans are also eligible to receive an allocation of state aid from the General Municipal Pension System State Aid Program, which must be used for pension funding. Any funding requirements established by the MMO in excess of employee contributions and state aid must be paid by the City in accordance with Act 205.

The Commonwealth of Pennsylvania allocates foreign fire and casualty insurance premium collections to aid individual municipalities. The monies received must be contributed to the pension plans or used to pay debt service on unfunded pension liability bonds. Significant actuarial assumptions used to compute the actuarially determined contribution requirements are the same as those used to compute the annually required contribution. State aid received in excess of the City's statutory funding requirement was not deposited to the pension plans but was utilized to fund debt service on the City's unfunded pension liability general obligation bonds issued in 1995 in accordance with Act 205 as amended.

Administrative costs, including the investment manager, custodial trustee, and actuarial services, are charged to the plan and funded through investment earnings. Benefits and refunds of the defined benefit pension plan are recognized when due and payable in accordance with the terms of the plan.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Funded Status and Funding Progress

Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) - Entry Age (b)	Unfunded AAL (UAAL) (b-a)	Funded Ratio (a/b)	Covered Payroll (c)	UAAL as a Percentage of Covered Payroll (b-a/c)

Projected salary increases	Salary scale	Salary scale	Salary scale	5.0%

* - Each year, the investment gain (excess of actual investment income including realized and unrealized appreciation over expected investment income) or loss is recognized over a five-year period. In no event is the actuarial value of assets allowed to be greater than 120% or less than 80% of market value.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Annual Required Contribution and Net Pension Obligation

The City's annual pension cost and net pension obligation to the Plans at December 31, 2010 are as follows:

	Non-Uniformed Employees'		Firefighters'	Police Officers'
	Plan A	Plan B	Combined	Combined
Annual required contribution	\$ -	\$ -	\$ -	\$ 314,094
Contributions made	-	-	-	314,094
Change in net pension obligation	-	-	-	-
Net pension obligation – beginning of year	-	-	834	-
Net pension obligation – end of year	\$ -	\$ -	\$ 834	\$ -

Three-Year Trend Information

Non-Uniformed Employees' – Plan A	Annual Pension Cost (APC)	Percentage of APC Contributed	Net Pension Obligation
December 31, 2008	\$ -	- %	\$ -
December 31, 2009	-	-	-
December 31, 2010	-	-	-

Non-Uniformed Employees' – Plan B	Annual Pension Cost (APC)	Percentage of APC Contributed	Net Pension Obligation
December 31, 2008	\$ -	- %	\$ -
December 31, 2009	-	-	-
December 31, 2010	-	-	-

Firefighters' Combined	Annual Pension Cost (APC)	Percentage of APC Contributed	Net Pension Obligation
December 31, 2008	\$ -	- %	\$ -
December 31, 2009	834	-	834
December 31, 2010	-	-	-

Police Officers' – Combined	Annual Pension Cost (APC)	Percentage of APC Contributed	Net Pension Obligation
December 31, 2008	\$ 285,274	100 %	\$ -
December 31, 2009	275,869	100	-
December 31, 2010	314,094	100	-

The annual required contribution for the current year was determined as part of the January 1, 2007 actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions for the Non-Uniformed Employees' Plan and Combined Firefighters' Plan include (a) a 6.00% investment rate of return (net of administrative expenses) and (b) projected salary increases of 4.50% per year. The actuarial assumptions for the combined Police Pension Fund include (a) an 8% investment rate of return (net of administrative expenses) and (b) projected salary increases of 5% per year. The assumptions do not include postretirement benefit increases, which are funded by State appropriation when granted. The actuarial value is determined using market values determined by the trustee.

The Combined Police Pension Plan, through the City, is involved in litigation with the Fraternal Order of Police (FOP). The FOP has alleged that the City committed unfair labor practices when it failed to enact an amendment to the Police Pension Plan Ordinance that was agreed to in an amendment to the Basic Labor Agreement between the former mayor and the FOP. The proposed amendment would increase the maximum benefit incrementally to 80% of average monthly compensation for Plan members who retire with 21 to 27 years of credited service. The cost to the Combined Police Pension Plan would be \$514,000 per year, as estimated by the actuarial cost study.

On September 17, 2010, the unfair labor practices charges were dismissed. The FOP appealed the ruling to the Commonwealth Court, who affirmed the ruling on November 1, 2011. The FOP has since filed a Petition for Allowance of Appeal to the Pennsylvania Supreme Court, who denied the appeal on May 14, 2012.

18. OTHER POST-EMPLOYMENT BENEFITS

Plan Descriptions

In addition to the pension benefits described in Note 17, the City provides certain post-employment healthcare benefits to its retirees through one single-employer, defined benefit other post-employment benefit (OPEB) plan. However, within this one plan, there are four groups of employees with different types of benefits. A separate financial statement is not issued for the plan.

Police

Section 9 of the Basic Labor Agreement between the City of Harrisburg and the Fraternal Order of Police, Capital City Lodge No. 12, effective January 1, 2004, establishes retiree's eligibility for post-retirement life insurance and medical benefits.

Retired prior to December 31, 1991:

Benefits: The health care coverage currently includes medical, prescription drugs, dental and vision. The City would pay the cost of coverage for the retiree, including spouse and dependents, from retirement until the retiree's Medicare eligibility. If retiree dies, coverage for spouse and dependents continues until the spouse reaches Medicare eligibility. Currently, two retirees have been "grandfathered" and the City continues to pay for coverage after Medicare age.

Retire after January 1, 1992:

Eligibility: Any officer that is eligible for the Police Pension Plan benefits

Benefits: The health care coverage currently includes medical, prescription drugs, dental, vision and life insurance. The City would pay the full premium for paid-up life insurance in the amount of \$5,000 for the retiree only. The City would pay the cost of coverage for medical, prescription drug, dental, and vision for the retiree, including spouse and dependents.

All police officers hired prior to January 1, 1987, and retiring subsequent to January 1, 1987, who have completed twenty (20) years of actual service may continue to participate in the City's group health insurance (including family coverage) in effect at the time of retirement as noted above provided that the retired employee or his/her spouse does not have alternative health care coverage in the following six areas: (a) physician services, (b) hospital services, (c) major medical, (d) dental, (e) vision, (f) prescription. In those areas where alternative health care coverage is available, the City is not required to provide coverage in that area.

Firefighters

Article 14, Section 2a and 2b and Article 15 of the Collective Bargaining Agreement between Local Union No. 428 of the International Association of Firefighters (AFL-CIO), effective January 1, 2006, establishes retiree's eligible for post-retirement medical and life insurance benefits, respectively.

Retired prior to December 31, 1986:

Benefits: The health care coverage currently includes medical, prescription drugs, dental and vision. The retiree would pay the cost of coverage for the retiree and his or her spouse. If the retiree dies, the spouse may continue coverage. In such case, the spouse would pay for the full cost of coverage.

Retired between January 1, 1987 and December 31, 1992:

Benefits: The health care coverage currently includes medical, prescription drugs, dental and vision. The City would pay the cost of coverage for the retiree. The retiree must pay for any additional coverage for his or her spouse and dependents. . If the retiree dies, the spouse may continue coverage, in which case the spouse would pay for the full cost of coverage.

Retire after January 1, 1993:

Eligibility: Any firefighter that is eligible for the Fire Pension Plan A or Plan B benefits

Benefits: The health care coverage currently includes medical, prescription drugs, dental, vision and life insurance. The City would pay the full premium for paid-up life insurance in the amount of \$5,000 for the retiree only. The City would pay the cost of coverage for medical, prescription drug, dental, and vision for the retiree, including spouse through Medicare eligibility. Once Medicare eligible, the City will reimburse the retiree for the Medicare Part B premium. If the retiree dies, the City continues full coverage for the spouse and eligible dependents. If the firefighter dies in the line of duty, the City continues full coverage for the spouse and eligible dependents.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

For firefighters retiring after January 1, 1987, when the firefighter is collecting a City pension under the City's fire pension plan, if prescription is provided by another agency, the City is not required to provide coverage in that area.

Non-uniformed management employees:

An inter-office memo, distributed by the Mayor to City management employees, establishes retirees' eligibility for post-employment medical benefits.

Retire prior to August 4, 2002:

Benefits: The health care coverage currently includes medical, prescription drugs, dental and vision. The retiree would pay the full cost of coverage for the retiree and his or her spouse. If the retiree dies, the spouse may continue coverage. In such case the spouse and any eligible dependents would pay for the full cost of coverage. Currently, four retirees have been "grandfathered" and the City continues to pay the cost full coverage.

Retire after August 5, 2002 and hired prior to January 31, 2008:

Eligibility: Any non-uniformed management employee who is eligible for the Non-uniform Pension Plan benefits.

Benefits: The health care coverage currently includes medical, prescription drugs, dental, vision, and life insurance. The City would pay the full premium for paid-up life insurance in the amount of \$5,000 for the retiree only. The City would pay the cost of coverage for medical and prescription drug for the retiree and spouse. The retiree would pay for any additional coverage for eligible dependents. Retiree would pay for dental and vision coverage. If retiree dies, full coverage for spouse and eligible dependents continues. In such case, the City would pay the full medical and prescription drug premium for the spouse and the spouse would pay for coverage for any eligible dependents.

Retire after August 5, 2002 and hired after February 1, 2008:

Eligibility: Any non-uniformed management employee who is eligible for the Non-uniform Pension Plan benefits.

Benefits: The health care coverage currently includes medical, prescription drugs, dental, vision, and life insurance. The City would pay the full premium for paid-up life insurance in the amount of \$5,000 for the retiree only. The City would pay the cost of coverage for medical coverage for the retiree. The retiree would pay for any additional coverage for spouse and any eligible dependents. Retiree would pay for prescription drug, dental, and vision coverage. If retiree dies, full coverage for spouse and eligible dependents continues. In such case, the spouse and eligible dependents would pay the full cost of coverage.

Non-uniformed union employees:

Articles X, XI, and XII of the Collective Bargaining Agreement between the City and the Local 521 American Federation of State, County and Municipal Employees District Council 90, effective January 1, 2007, establish retirees' eligibility for post-retirement life insurance and medical benefits.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Retire prior to December 31, 1996:

Benefits: The health care coverage currently includes medical, prescription drugs, dental, and vision. The retiree would pay the cost of coverage for the retiree and his or her spouse and eligible dependents. If the retiree dies, the spouse may continue coverage. In such case, the spouse and any eligible dependents would pay for the full cost of coverage.

Retire between January 1, 1997 and December 31, 2001:

Benefits: The health care coverage currently includes medical, prescription drugs, dental, and vision. The City would pay fifty percent of the medical premium for single coverage. The retiree would pay the remaining fifty percent of the premium for single coverage. For any coverage other than single coverage, the retiree would pay the difference. Retiree would pay full premiums for prescription drug, dental, and vision. If retiree dies, full coverage for spouse and eligible dependents continues. In such case, the spouse and eligible dependents would pay for the full cost of coverage.

Retired between January 1, 2002 and May 30 2007, except between January 1, 2004 and April 30, 2004:

Benefits: The health care coverage currently includes medical, prescription drugs, dental, and vision. The City would pay sixty percent of the medical premium for single coverage. The retiree would pay the remaining forty percent of the premium for single coverage. For any coverage other than single coverage, the retiree would pay the difference. Retiree would pay full premiums for prescription drug, dental, and vision. If retiree dies, full coverage for spouse and eligible dependents continues. In such case, the spouse and eligible dependents would pay for the full cost of coverage.

Retired between January 1, 2004 and April 30, 2004:

Benefits: The health care coverage currently includes medical, prescription drugs, dental, and vision. The City would pay the cost of the medical coverage for the retiree. Retiree would pay for additional premiums for coverage for his or her spouse and eligible dependents. The City would pay for seventy-five percent of the coverage for prescription drug for the retiree. Retiree would pay for the remaining twenty-five percent of the coverage for prescription drug and for any additional coverage for his or her spouse and any eligible dependents. Retiree must pay for full coverage for dental and vision coverage. If retiree dies, full coverage for spouse and eligible dependents continues. In such case, the spouse and eligible dependents would pay for the full cost of coverage.

Retire after June 1, 2007:

Eligibility: Non-uniformed union employee must be eligible for the Non-Uniform Pension Plan benefits.

Benefits: The health care coverage currently includes medical, prescription drugs, dental, vision, and life insurance. The City would pay the full premium for paid-up life insurance in the amount of \$5,000 for the retiree only. The City would pay the full cost single coverage for medical or a percentage thereof based on the retiree's age and years of service. Otherwise, the retiree would pay the full cost of coverage. For any coverage other than single, the retiree would pay the difference in the premiums. Retirees would pay for prescription drug, dental,

and vision coverage. If retiree dies, full coverage for spouse and eligible dependents continues. In such case, the spouse and eligible dependents would pay for the full cost of coverage.

A retiree may suspend coverage under the plan if the retiree and/or spouse become covered under the plan of another employer. Coverage may be reinstated only upon proof of the termination of coverage under the other employer's plan.

Funding Policy and Annual OPEB Costs

The City's contribution is based on projected pay-as-you-go financing requirements. For the year ended December 31, 2010, the City contributed \$4,257,094 to the OPEB Plan.

The City has opted to not fully fund the OPEB contributions and will continue to fund the annual OPEB costs on a pay-as-you-go basis.

The City pays the cost of coverage for the police, fire, non-uniform management and non-uniform union retirees (including dependents) based on the various criteria described above.

The City's annual OPEB costs are calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and to amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years.

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the ARC are subject to continual revision as actual results are compared to past expectations and new estimate are made about the future. The schedule of funding progress presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan and include the types of benefits provided at the time of the valuation and on the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities consistent with the long-term perspective of the calculation. The projections of benefits for financial reporting purposes do not explicitly incorporate the potential effects of legal or contractual funding limitations on the pattern of cost sharing between the employer and plan members in the future.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Information as of the latest actuarial valuation follows:

Valuation date	1/1/2010
Actuarial cost method	Entry age normal, level dollar
Actuarial assumptions	
Interest rate	4.5%
Salary increases	5.0%
Amortization period	30 year open period
Healthcare cost trend rate	7.5% in 2010, decreasing by .05% per year to 5.5% in 2014, rates gradually decrease from 5.3% in 2015 to 4.2% in 2099

Annual OPEB Cost and Net OPEB Obligation

The City's annual OPEB costs and net OPEB obligations to the Plan for the year ended December 31, 2010 were as follows:

	Governmental Activities	Business-type Activities	Total

19. SEGMENT INFORMATION

The Harrisburg Authority supports three separate segments. The Water Segment accounts for the provision of basic water service to customers of the Harrisburg Water System. The Resource Recovery Segment accounts for the activities at the Harrisburg Resource Recovery and Steam Generating Facility (Resource Recovery Facility), which converts waste into energy. The Sewer Segment accounts for the leasing of the wastewater conveyance and treatment system to the City under a direct financing lease. Selected segment information as of and for the year ended December 31, 2010, is as follows:

20. ACCUMULATED DEFICITS

Harrisburg Parking Authority

The Authority has an accumulated deficit of \$12,161,396. The deficit resulted from losses on the extinguishment of debt in the amount of \$2,549,981 and \$992,836 in 1994 and 1993, respectively. This loss is essentially the cost of carrying old bonds during the escrow period, and is increased by cumulative net loss of \$8,618,579.

The Harrisburg Authority

The rate covenant calculation required under applicable trust indentures pertaining to The Harrisburg Authority's Resource Recovery Facility financing has not been met for the year ended December 31, 2010. If the facility fails to generate sufficient revenues to pay debt service on the Resource Recovery Facility Revenue Bonds, Series A, D, E, and F of 2003, the Resource Recovery Facility Revenue Notes, Series B and C of 2003, the Resource Recovery Facility Subordinate Variable Rate Revenue Notes, Series A of 2002, or the Resource Recovery Facility Revenue Bonds, Series A of 1998, or ceases revenue generating operations, or if other monies set aside for such purposes are insufficient, the City will be required to pay principal of and interest on such bonds and notes when due pursuant to respective Guaranty Agreements among the City, The Harrisburg Authority, and the respective trustees for the bonds and notes. The County has provided a secondary guaranty of the Resource Recovery Facility Revenue Bonds, Series D and E of 2003 collectively in the maximum aggregate principal amount not to exceed \$113,000,000 by entering into a County Bond Guaranty Agreement with The Harrisburg Authority and the trustee for such bonds. The Resource Recovery segment has incurred substantial accumulated losses, which have caused the segment to experience cash flow difficulties.

The Water and Resource Recovery segments of The Harrisburg Authority have accumulated deficits at December 31, 2010 of \$37,171,697 and \$173,054,936, respectively. The deficits are primarily due to The Harrisburg Authority not charging enough to cover depreciation expense incurred since acquisition and not funding amortization of bond discounts, deferred bond issuance costs and deferred losses on refundings. Management anticipates that the deficits will be reduced in the Water segment through future profitability improvements.

The Harrisburg Authority's Resource Recovery Facility, as required by the Environmental Protection Agency, was temporarily closed so that The Harrisburg Authority could undertake a modernization program. A significant financing was completed in December 2003 to fund the costs of the project. The contractor defaulted and was terminated as of December 31, 2006. In 2007, Covanta was retained to complete the project and take over management responsibilities. The Resource Recovery Segment has experienced significant operating losses, has an accumulated deficit of approximately \$173 million at December 31, 2010, is in violation of certain covenants under the trust indentures, and payment defaults have occurred. The Harrisburg Authority has issued multiple notices of material events with respect to certain bonds of the Resource Recovery Facility. Many of the above items were due to delays and significant cost overruns.

In the fall of 2007, The Harrisburg Authority developed a recovery plan for the Resource Recovery Facility that required completion of construction of the facilities to bring the three burners on line and up to operating efficiently. The Harrisburg Authority engaged Covanta to manage and operate the Facility and to provide professional services. Included in Covanta's Agreement with The Harrisburg Authority is a construction management agreement to oversee the completion of construction. The

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

recovery plan also included increased disposal fees and tipping fees and infusion of capital for construction and working capital. The Harrisburg Authority's recovery plan was presented and approved by the City and County in November 2007.

The completion of the retrofit project and correction of design flaws caused by the original contractor were funded by a loan from Covanta to pay for such work. Payment of the debt service on the Covanta loan was subordinate in payment to The Harrisburg Authority's prior debt relating to the Resource Recovery Facility. Repayment of the debt service on the Covanta loan began prior to completion of the construction project. The Harrisburg Authority's revenues were insufficient to make payment on the loan and the City guarantee was called upon. The City made payments to Covanta until their financial situation precluded such payments in April 2010. As of October 2012, \$8,392,968 remains unpaid to Covanta. Additionally, The Harrisburg Authority owes approximately \$1.5 million to vendors on the retrofit completion project due to Covanta failing to release advance funds once The Harrisburg Authority and City were unable to make reimbursement payments.

The Harrisburg Authority also obtained funding for a working capital loan to cover costs and debt service during the expected time period for completion of the retrofit project by the issuance of capital appreciation notes. Such notes for the working capital loan were issued in December of 2007 and matured on December of 2010. Revenues from the Resource Recovery Facility were not pledged as security for the working capital loan. The working capital loan was guaranteed by the City and the County on the assumption that the working capital loan would be refinanced into long term debt prior to or, at the latest, by December 2010. At the time of closing on the working capital loan, it was anticipated that the City and the County would guarantee any long term debt issued to take out the working capital loan. The Harrisburg Authority, City and County failed to reach agreement on the refinancing and as a result, the County alone refinanced the working capital loan.

Since 2008, the Resource Recovery Facility has been able to cover operating expenses but unable to generate sufficient revenue to cover debt service and amounts due under the interest rate cap. As such, The Harrisburg Authority has drawn on debt service reserves, called upon guarantors, and insurance policies in order to make sure that bondholders were paid. Fees associated with the guarantor and insurance agreements continue to accrue.

The Harrisburg Authority continues to pursue revenue enhancing and expense reducing activities, but will continue to rely upon reserves, guarantors and insurance until a coordinated solution is accomplished. To this end, The Harrisburg Authority is participating in the City's Act 47 process that seeks to provide a plan to eliminate the financial burden of the Resource Recovery Facility on the revenues, guarantors and insurance providers.

The Financially Distressed Municipalities Act, also known as Act 47, empowers the Pennsylvania Department of Community and Economic Development (DCED) to declare certain municipalities as financially distressed. On October, 1, 2010, Mayor Linda D. Thompson filed a request asking for the City to be designated a financially distressed municipality. DCED investigated the financial affairs of the City and, on December 15, 2010, following public hearings on the City's request, DCED issued a determination of municipal financial distress for the City.

A recovery plan (Coordinator's Act 47 Recovery Plan) was developed. However, on July 19, 2011, a majority of the Harrisburg City Council rejected the Coordinator's Act 47 Recovery Plan. Following the City Council's rejection of the Act 47 Recovery Plan, Mayor Thompson was tasked with developing and filing an alternate Recovery Plan pursuant the provisions of Act 47. The Mayor filed a

Recovery Plan on August 22, 2011 and on August 31, 2011, a majority of Harrisburg City Council rejected Mayor Thompson's Recovery Plan and again rejected a modified plan on September 13, 2011.

On September 20, 2011, Governor Tom Corbett signed into law Senate Bill 1151, amending Act 47 and providing for a Declaration of Fiscal Emergency in circumstances in which a financially distressed city of the third class fails to adopt a financial recovery plan. Additionally, the law provides for the appointment and confirmation of a receiver if the distressed city fails to enact a consent agreement to adopt and implement a recovery plan.

As a result of the fiscal circumstances existing in the City, Governor Corbett declared a fiscal emergency on October 24, 2011. As part of the Emergency Declaration, Governor Corbett directed the Secretary of DCED, C. Alan Walker, to develop an Emergency Action Plan to ensure all vital and necessary services are maintained in the City until a fiscal recovery plan is enacted.

On November 18, 2011, a Receiver was appointed, who is tasked with developing and submitting a fiscal recovery plan to the Commonwealth Court, DCED Secretary, City Council and the Mayor.

The Receiver's recovery plan was submitted, the Commonwealth Court held a hearing and the Court confirmed the Receiver's Recovery Plan.

At this time, the Office of the Receiver is pursuing implementation of the Receiver's Recovery Plan and actively negotiating resolution of the City's fiscal crisis and seeking resolution with creditors of the County, City and the Authority relating to the outstanding Resource Recovery Facility debt.

In 1993, The Harrisburg Authority purchased the Resource Recovery Facility from the City. In consideration, The Harrisburg Authority paid the City approximately \$30 million. The Agreement of Sale allows for a maximum purchase price of \$55 million, with the final purchase price to be based on the financial capability of the Resource Recovery Facility. The balance of the purchase price is to be paid to the City only after The Harrisburg Authority completes financing of the improvements to the Facility described earlier, in such amount as is set forth in a report of The Harrisburg Authority's consulting engineer certifying that facility revenues upon completion of such improvements is sufficient to pay all operating expenses, debt service, and any other facility funding requirements. There were no additional payments required during the year ended December 31, 2010.

Redevelopment Authority of the City of Harrisburg

The Redevelopment Authority net asset (deficit) at December 31, 2010 is related to the 1998 Series A and B bond issuances. Since the right to building is recorded at amortized cost and the debt includes appreciation, the total debt outstanding, less the asset's amortized cost, reduces net assets. The outstanding debt on these issuances is \$46,380,660 and the amortized cost of the right to building is \$20,369,411. These balances reduced the Redevelopment Authority's net assets from a positive \$935,850 to the deficit balance of \$25,075,399. The City guarantees the payment of those bond issuances. In addition, the Redevelopment Authority will gain title to certain buildings in the year 2016 in relation to the issuance of these bonds.

21. FINANCIAL RECOVERY PLAN

For several years, the City has been exploring various options to close its structural budget gap and address its Resource Recovery Facility debt issue. In 2008, the City applied for and was awarded a \$100,000 Pennsylvania Department of Community and Economic Development Act 47 Early Intervention Program Grant to develop a Management and Financial Audit and Five-Year Financial Plan. During 2009, the City hired a national management consulting firm to conduct a thorough review of the City's finances and operations and to develop the Plan. An Emergency Financial Plan and Five-Year Plan (Plan) was issued in March 2010 and implementation immediately began. Due to City Council's failure to adopt the Plan, the Administration filed a Petition for Determination of Municipal Financial Distress on October 1, 2010 under Pennsylvania's Municipalities Financial Recovery Act of 1987 (Act 47). The City was accepted into the Act 47 program on December 15, 2010. The Act 47 program allowed the City to obtain assistance from the Commonwealth of Pennsylvania in developing a new financial recovery plan. A Municipal Financial Recovery Act Recovery Plan (Recovery Plan) was submitted by the Act 47 coordinator to the City on June 13, 2011. City Council rejected the Recovery Plan in July 2011. Immediately thereafter, and pursuant to Act 47, the Mayor became the Act 47 coordinator. As such, she developed her own Plan and submitted it to City Council on August 2, 2011. City Council rejected this second Plan on August 31, 2011. The Mayor submitted an amended version of her Plan to City Council, but Council rejected this amended Plan on September 13, 2011.

Pennsylvania's governor signed legislation on October 20, 2011 authorizing the State to declare a fiscal emergency in Harrisburg. On November 18, 2011, a receiver was appointed under this legislation to implement a Recovery Plan and take control of the City's finances. The Receiver unveiled his Recovery Plan for the City on February 6, 2012. The full Recovery Plan can be viewed at the Receiver's website at "www.pa.gov/harrisburgreceiver". The Recovery Plan was approved by the Commonwealth Court on March 9, 2012. The City Receiver testimony in Commonwealth Court on March 1, 2012, pertaining to financial aspects of the Act 47 recovery plan, can be found at <http://www.portal.state.pa.us/portal/server.pt?open=514&objID=1053490&parentname=ObjMgr&parentid=24&mode=2>.

In the Recovery Plan, the Receiver indicated that the City's financial distress is a very complicated problem. He further indicated that it cannot be solved easily or quickly. He identified three primary challenges to be addressed in connection with the fiscal recovery of the City: first, the extraordinary amount of debt related to The Harrisburg Authority's Resource Recovery Facility (Incinerator) which the City guarantees; second, the City's structural budget deficit (the amount by which the City's operating expenditures consistently exceed its revenues); and third, filling of the Business Administrator/Chief of Staff position (termed Chief Operating Officer in the Plan) which had been vacant since January 2011, to lead and manage the entire staff and oversee the implementation of the Receiver's Recovery Plan Initiatives.

To address the burden of the Incinerator debt, the Receiver called for the possible sale and/or long-term lease of the Incinerator and separate parking facilities owned and operated by the Authority. The Recovery Plan also assumed the potential for so called "stranded debt" (the amount of debt remaining after the proceeds of the sale or lease of assets is applied to the Incinerator debt) and set forth contributions to be made by various stakeholders. Since the contributions required from stakeholders cannot be determined until the value of the assets is known, the Harrisburg Authority and the Authority were directed to participate in a Request for Qualifications and Proposals (RFQ&P) process to determine interested parties with respect to two sets of assets: the Incinerator and parking facilities.

Unrelated to the Incinerator debt problem, The Harrisburg Authority was also directed to undertake an RFQ&P process for management and operation of its water and wastewater assets.

With these processes, the Receiver, with the advice of the relevant Authority, would then be in a position to negotiate with one or more offerors, and ultimately with the various stakeholders regarding any stranded debt or other issues related to the asset transactions. Both Authorities have since undertaken these processes. The Receiver is authorized under Act 47 to proceed with all transactions related to the assets of the City and the Authorities, and to cause the sale, lease, conveyance, assignment or other use or disposition of those assets.

Assuming that a comprehensive solution is achieved, the Receiver will file an amendment to this Recovery Plan with the Commonwealth Court indicating consensual agreements with stakeholders. If a comprehensive solution is not agreed upon, the Receiver indicated he is prepared to file for bankruptcy under Chapter 9 of the Bankruptcy Code in order to protect the ability of the City to perform its vital and necessary services.

To address the City's structural budget deficit, an annual gap in excess of \$11 million as estimated by the Receiver, the Recovery Plan calls for a combination of concessions from the labor unions, an increase in the resident Earned income Tax (EIT), service efficiencies, and additional revenues from fees and outside sources. During October 2012, City Council approved a 1% increase in the EIT effective January 1, 2013, and an Act 47 grant funded fee study was completed.

As for the third primary challenge, the City hired a Chief Operating Officer on April 18, 2012. His primary focus has been to see to the coordination and implementation of the Plan Initiatives.

The ultimate outcome of the City's Recovery Plan is subject to significant uncertainty.

22. COMMITMENTS AND CONTINGENCIES

In the normal course of business, there are outstanding various commitments and contingent liabilities in addition to the normal encumbrances for the purchase of goods and services.

Federal and State

Under the terms of federal and state grants, periodic audits and compliance reviews are required and certain costs may be questioned as not being appropriate expenditures under the terms of the grants. Such audits and compliance reviews could lead to reimbursement to the grantor agencies. The City believes the following disallowances, and others if any, will be immaterial, but wishes to disclose the following:

The United States Department of Energy (DOE) conducted an on-site monitoring of the City's \$256,200 EECBG grant program (8/21/2009-8/20/2012) in November 2011 and forwarded a Notice of Non-Compliance dated April 4, 2012. In both the monitoring report (dated November 22, 2011) and Notice of Non-Compliance, DOE outlined several items requiring corrective action. Specifically, the DOE found that the City had not properly requested an amendment to the scope of work of the grant and had not adequately documented the use of grant funds for administrative purposes. Amongst the corrective actions called for the City to undertake were a return of advanced funds of \$180,150 to the United States Treasury with interest and submission of delinquent 2009 and 2010 A-133 (Single) Audits. The City has responded to the monitoring report and Notice of Non-Compliance offering a work-out plan in response to DOE's prescribed Corrective Action Plan, but was unsuccessful in obtaining a waiver of the requirement to return the advanced grant funds. The advanced grant funds of

\$180,150 were returned in August 2012 to the United States Treasury with interest of \$452. In exchange, the DOE approved the workout plan in September 2012 allowing the grant funds to be used to complete the scope of the work.

The City received a Notice of Rejected Audit Report from PA DCED dated January 3, 2012, and has been unsuccessful in closing out this \$100,000 Economic Advancement Program – SusqueCentennial Celebration Grant Contract (7/1/2007-6/30/2011). At issue were several unsubstantiated expenditures totaling \$50,000 for which PA DCED has stated that the City would either have to identify and document eligible expenditures of a like amount or repay the amount to PA DCED. The City responded to the Audit Report and provided documentation to substantiate a number of the expenditures, however, there were numerous documents missing from the grant files maintained by the Harrisburg SusqueCentennial Commission’s Executive Director. The City attempted to reconcile the \$50,000 discrepancy. However, PA DCED opted to lessen a subsequent \$2 million Financial Assistance Grant by the \$50,000, closing the matter in 2012.

Construction Commitments

Primary Government

The City has contractual commitments for construction, engineering and licensing related to the City properties of approximately \$381,136.

Component Units

The Harrisburg Authority

The Harrisburg Authority entered into an Administrative Services and Interim Operation and Maintenance Agreement (Interim Agreement) with Covanta for operation and management of the Resource Recovery Facility effective January 2, 2007 through March 31, 2007. During the interim agreement period, Covanta provided all day-to-day administrative services, provided a Construction Plan and coordinated all construction, start-up performance testing, operation and maintenance services for the Facility. The Harrisburg Authority deposited \$100,000 with Covanta, which was used to pay for the first arising reimbursable expenses under the Agreement. On the 15th and 30th day of each month, The Harrisburg Authority paid Covanta 1/24th of the annual amount set forth in the estimated operating budget. Each month, Covanta reconciled the actual reimburseable expenses to the payments made by The Harrisburg Authority. For all reimburseable expenses incurred during the month in excess of such payments, Covanta submitted an invoice for such excess by the 10th day of the following month, which was to be paid by The Harrisburg Authority within 30 days. Reimbursable expenses are defined in the agreement. The Harrisburg Authority also paid an administrative service charge to Covanta in the amount of 11% of reimbursable expenses. The Interim Agreement was extended, on a month-to-month basis, through January 31, 2008.

The Harrisburg Authority then entered into a Management and Professional Services Agreement with Covanta to provide construction and operations management services for a period of ten years and the Retrofit Completion work. The terms and conditions of this agreement are substantially the same as the Interim Agreement, except that the management fee is \$875,000 per month, escalated annually each calendar year.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

The Harrisburg Authority has entered into various construction contracts related to the construction of the various facilities. The outstanding commitment under these contracts at December 31, 2010, excluding amounts in accounts payable, was approximately \$3.7 million.

In June 2010, The Harrisburg Authority entered into a Consent Order and Agreement (COA) with the Pennsylvania Department of Environmental Protection (DEP) relative to the Resource Recovery Facility for violations of air quality-related emissions limits as of January 2007. In lieu of paying the total fine for the violations, the COA established the following:

- Civil penalty of \$125,000 due at execution of COA.
- Additional civil penalty of \$100,000 due no later than December 31, 2011, December 31, 2012, and December 31, 2013.

In lieu of paying civil penalties for the period of 2011 – 2013, The Harrisburg Authority may perform certain projects for the benefit of the residents of the City and/or the Borough of Steelton. In order for the funds expended on the projects to qualify as Project Credits under the COA, the Projects must be certain projects and meet certain conditions:

- Asthma Education Program for Community School Children – implement the American Lung Association’s Open Airways for Schools Program. The Harrisburg Authority will provide funds to the Project Administrator (Hamilton Health Center).
- South Allison Hill Weed and Seed Revitalization Plan – bulk trash cleanup, cameras to monitor illegal dumping, and vacant lot cleanup. The Harrisburg Authority will participate by providing funds to Project Administrator (YMCA Weed and Seed).

For payments to qualify for the Project Credits, The Harrisburg Authority must:

- Receive written approval from the DEP for the draft contract between The Harrisburg Authority and the Project Administrators.
- Execute the DEP approved contract with the Project Administrator.
- Provide DEP with copy of executed contract with first quarterly report.
- Provide DEP with quarterly reports (within 30 days of the end of the quarter).

The \$100,000 penalty for period of 2011 – 2013 will not be due for each year if The Harrisburg Authority demonstrates at least \$50,000 of Project Credits pursuant to the Final Completion Reports submitted during each calendar year. If The Harrisburg Authority demonstrates any Project Credits pursuant to the Final Completion Reports submitted during the 2010 calendar year, the 2010 Project Credits shall be applied as Project Credits to the 2011 calendar year. If The Harrisburg Authority demonstrates more than \$50,000 of Project Credits pursuant to Final Completion Reports submitted during 2011 and 2012 calendar years, the Project Credits exceeding \$50,000 in any given year may be applied as Project Credits in the next calendar year.

On August 19, 2009, The Harrisburg Authority received the H2O Pennsylvania Act Grant in the sum of \$5,520,000 from the Commonwealth Financing Authority for construction and improvements to the wastewater treatment plant located in Swatara Township. In accordance with the grant agreement, the project was completed prior to June 30, 2012. To receive payments under this grant, The Harrisburg Authority must submit requests for payment based on the estimate of expenditures. Total costs draw down under the grant were \$3,354,275 at December 31, 2010.

On December 23, 2009, The Harrisburg Authority entered into a loan agreement with the Pennsylvania Infrastructure Investment Authority (Penn Vest) in an amount not to exceed \$1,880,000 for capital improvements of the wastewater treatment facility. The loan is guaranteed by the City. As of December 31, 2009, \$1,319,653 has been drawn down on the loan.

The Harrisburg Authority Resource Recovery Facility Forensic Investigation, which reviews matters concerning the financing of the Resource Recovery Facility, was issued on January 12, 2012, and can be found at <http://www.hbgauthority.com/news/Forensic%20Investigation/Harrisburg%20Report.pdf>. During October and November 2012, the PA Senate Local Government Committee held two public hearings to interview parties named in the forensic investigation to gain a better understanding of the details disclosed therein.

Redevelopment Authority of the City of Harrisburg

The Redevelopment Authority is committed for capital projects disbursements in the approximate amount of \$174,991 as of December 31, 2010.

Downtown Coordinated Parking Fund

Parking revenue generated from ten parking garages, on-street parking meters and City-owned surface lots, net of expenses, are deposited to the Downtown Coordinated Parking Fund (CPF). The "Cooperation Agreement for Downtown Coordinated Parking System," dated June 27, 1984, as amended and restated on December 3, 1991, as further amended on March 16, 1994, requires the Authority to deposit, at least quarterly, the new revenues from the garages, parking meters, city lots and any unrestricted administrative fund balance into the Fund. The CPF currently secures the Authority's Series N Bonds of 2003. Any excess fund balance is transferred to the City of Harrisburg annually. During the year, the City received a refund of \$2,664,000 representing excess amounts deposited into the system for 2010.

Guarantees

The City is contingently liable under various agreements which guarantee debt of entities not included in the primary government's financial statements aggregating \$417,756,364 at December 31, 2010, and maturing at various dates through 2034. Of the \$417,756,364, \$412,413,509 is for guarantees of component unit debt. See Notes 23 and 24 on the recording of the City's contingent liability with respect to the City's guarantee of The Harrisburg Authority's debt. Additionally, City Council failed to adopt funding appropriations in the 2010, 2011 and 2012 proposed Debt Service Fund budgets to honor these guarantees. The City has filed a notice of material event stating that the City does not expect to be able to fulfill its guarantee obligations with respect to the bonds for which the City is guarantor.

During July 2012, the City was released from approximately \$17 million of component unit conduit debt guarantees, because the related debt was extinguished.

Capital Area Transit (CAT) entered into an agreement to receive federal matching funds for the purchase of 30 new replacement buses and for the enhancement of its service, through the addition of new bus routes and expansion of existing routes. CAT authorized and issued its Revolving Revenue Note of 2003 (CAT 2003 Note) in the amount of \$1,400,000. As an inducement to CAT to undertake the authorization and issuance of the CAT 2003 Note, the City of Harrisburg, Cumberland County and Dauphin County agreed to make certain annual payments to CAT through December 31, 2011. These payments are to be utilized to pay the debt service on the CAT 2003 Note. The City of Harrisburg agreed to pay \$243,168 to CAT on an annual basis.

The Harrisburg Authority guaranteed a line-of-credit on behalf of the National Civil War Museum. The maximum amount available under the line-of-credit is \$500,000. As required by the agreement, \$250,000 has been placed in a separate account and this amount is included on the Statement of Net Assets as restricted cash and cash equivalents.

Landfill Closure and Post-closure Care Costs

State and federal laws and regulations require The Harrisburg Authority to properly close and place a final impermeable cover on its Ash Residue Disposal Landfills when they no longer accept waste and to perform certain ongoing maintenance and monitoring activities at the site for up to thirty years after closure. The original estimated total cost of closure and post-closure care costs was \$1,670,206, based on an agreement with the Commonwealth of Pennsylvania pursuant to state regulations and was subject to change with inflation, deflation, technology, or applicable laws and regulations. During 2007, under the original closure and post closure agreement, The Harrisburg Authority was required by state regulations and its permit to make quarterly payments of \$30,014 to the Consolidated Closure Trust.

On December 31, 2007, the original consolidated trust was terminated and a new account was established. At that time, The Harrisburg Authority estimated the closure and post-closure costs to be \$1,442,617. A variable rate promissory note (Line of Credit) was entered into with a financial institution for \$1,442,617. The Line of Credit supports the Letter of Credit #1805 issued to the Pennsylvania Department of Environmental Protection. On May 5, 2008, this Line of Credit was amended to \$2,355,713 based on a revised closure and post-closure cost estimate.

In an effort to extend the life of the landfill, in April 2008, The Harrisburg Authority began mining the ash to recover ferrous and nonferrous metals contained in the ash residue. Beginning in August 2008, the ash from the processed metal was removed from the landfill and taken offsite. This resulted in reduced ash volume, thereby further extending the life of the landfill area. To maintain continued ash disposal operations, a plan was prepared to extend the site life of the landfill until an expansion can be permitted and constructed. It is expected to take four years to complete the permitting and initial construction process. During that four-year period, mining and off-site disposal of processed ash will continue, as well as off-site transportation of ash generated by the facility. During 2009, The Harrisburg Authority received a landfill permit extension for another four years. The capacity will last that long, if The Harrisburg Authority continues to remove ash from the landfill for disposal/beneficial use at another landfill, as fast as it is generated at the Harrisburg landfill.

The Harrisburg Authority has accrued \$2,250,413 for landfill closure and post-closure care costs as of December 31, 2010, which represents the use of 95.53% of the estimated capacity of the disposal area. Based on the annual usage at December 31, 2010, the estimated remaining life of the landfill is approximately two years. Under the new closure and post-closure agreement, The Harrisburg Authority is required by state regulations and its permit to make quarterly payments of \$170,000 to the Consolidated Closure Trust. The Harrisburg Authority is in compliance with those requirements at December 31, 2010.

As of December 31, 2010, cash and investments of \$2,903,756 are held for closure and post-closure care expenses. Those funds are reported as restricted assets on the Statement of Net Assets.

Environmental Remediation Liability

The Redevelopment Authority assumed and acquired title to several properties which required environmental remediation. These properties were acquired for redevelopment. After the projects are

complete, the properties will be acquired by a local educational institution and/or a nonprofit healthcare organization.

The Redevelopment Authority is required to remediate these properties. The Redevelopment Authority has estimated that total project costs will amount to \$961,000 and \$120,500. These estimates are based on projected remediation costs. The estimates are included in grant proposals, which were approved by the Department of Environmental Protection.

The \$111,023 ending balance of the contamination liability is based on the total estimated project cost, less costs incurred to date. The Redevelopment Authority does not expect to receive insurance recoveries that have the potential to reduce the recorded liability. The estimated liability may potentially change, due to factors such as price increases or changes in technology. The Redevelopment Authority has made significant progress on the projects to date and continues work subsequent to year-end.

23. COMPLIANCE

Primary Government

Management of the City believes that the City has complied, in all material respects, with all applicable finance related legal and contractual provisions including applicable covenants of bond indentures, except as noted throughout Notes 23 and 24.

Under the continuing disclosure undertaking, the City has covenanted to file its secondary market disclosures within 270 days of the end of their fiscal year. Additionally, the various trust indentures require the City to submit its audited financial statements to the trustee within 180 days. The financial statements were not completed by either date. In addition, there is ongoing litigation regarding the City's obligation under certain guarantees of The Harrisburg Authority's debt, as discussed in Note 24.

On October 28, 2009, the City received notice that Moody's downgraded its rating on its outstanding obligations to Ba2 from Baa2. On February 11, 2010, Moody's downgraded its rating on the City's general obligation bonds again to a rating of B2, with a negative outlook. In a notice of material event, filed by the City on Electronic Municipal Market Access (EMMA) on March 29, 2011, the City stated its October 2009 downgrade and that it has not provided an annual report for the fiscal year ended December 31, 2009. Subsequently, through its notice of failure to provide annual financial information as required, filed on July 13, 2012, the City stated that it had not filed its comprehensive annual financial report for the fiscal years ended December 31, 2009, 2010, and 2011. However, the City filed its 2009 comprehensive annual financial report (CAFR) on August 6, 2012. The City published a similar notice on October 12, 2012, for not filing its 2010 and 2011 CAFR's.

On March 9, 2012, the City issued a notice of material event with respect to the City's General Obligation Refunding Bonds and Notes, Series D and F of 1997. The notice stated that the City would not be making its scheduled debt service payments with respect to the City's General Obligation Refunding Bonds and Notes, Series D and F of 1997 of \$2,735,000 and \$2,530,000, respectively, due on March 15, 2012. These bonds and notes are insured by municipal bond insurance policies.

On September 14, 2012, the City issued a notice of material event with respect to the City's General Obligation Refunding Bonds and Notes, Series D and F of 1997. The notice stated that the City would not be making its scheduled debt service payments with respect to the City's General Obligation

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Refunding Bonds and Notes, Series D and F of 1997 of \$1,765,000 and \$1,635,000, respectively, due on September 15, 2012. These bonds and notes are insured by municipal bond insurance policies.

The City's single audit is required to be filed with the Federal Audit Clearinghouse by each September 30, following their year-end. The City has not filed its single audit for the years ended December 31, 2010 and 2011 by the required dates.

The City is required under the Debt Act to maintain certain of their debt obligations below a specified legal debt limit. Because certain of City guaranteed The Harrisburg Authority Resource Recovery Facility debt are no longer considered self-liquidating, the City has exceeded its legal debt limit at December 31, 2010 by approximately \$107.6 million.

Component Units

The Harrisburg Authority

Resource Recovery Facility

Under the continuing disclosure undertaking, The Harrisburg Authority has covenanted to file its secondary market disclosures within 270 days of the end of their fiscal year. Additionally, the various trust indentures require The Harrisburg Authority to submit its audited financial statements to the trustee within 180 days. On September 29, 2011 and October 4, 2012, The Harrisburg Authority issued notices of material events with respect to the failure of The Harrisburg Authority to issue financial statements for the years ended December 31, 2010 and 2011, stating that neither were completed by the required dates.

Under the trust indentures, The Harrisburg Authority is required to maintain certain minimum balances in the Resource Recovery operating reserve fund. At December 31, 2009, The Harrisburg Authority's balance in the Resource Recovery operating reserve fund was \$220 and the reserve requirement was \$2,993,333. The trust indenture states that if the balance in the Resource Recovery operating reserve fund becomes deficient, The Harrisburg Authority is to restore the balance with twelve substantially equal monthly installments. The Resource Recovery operating reserve was replenished through a transfer from the revenue fund in the amount of approximately \$3 million on July 29, 2010. At December 31, 2010, The Harrisburg Authority maintains the minimum operating reserve fund balance.

Under the trust indentures, The Harrisburg Authority is required to maintain certain minimum balances in the Resource Recovery debt service reserve funds. At December 31, 2010, The Harrisburg Authority's balances in the debt service reserve funds and the related reserve requirements are as follows:

Bond Series	Balance at December 31, 2010	Reserve Requirement
1998	\$ 3,470,166	\$ 3,900,215
2002	-	800,000
2003A - C	1,982,793	7,200,000
2003D	408,434	8,000,000
2003E	270,061	1,000,000
2003F	-	1,000,000

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

Deficiencies in the Debt Service Reserve Accounts are to be repaid in not more than 12 substantially equal monthly payments on the first day of the month after the occurrence of such deficiency. As of November 2012, The Harrisburg Authority has not replenished the Debt Service Reserve Accounts.

The 2010 consulting engineers' report, which was due, per the trust indenture, 90 days prior to the end of the calendar year, was not received by The Harrisburg Authority until December 2010. Finally, management has not instituted a system to calculate the rate covenant requirement noted earlier.

On March 20, 2009, The Harrisburg Authority issued a notice of material event with respect to The Harrisburg Authority's Series A Bonds of 1998. The 1998 Series A, B, and C Debt Service Account did not have sufficient funds to pay the scheduled interest payment of \$280,908 due on the 1998 Series A Bonds on March 1, 2009. The amount of \$86,662 was on deposit with the Trustee with respect to the 1998 Series A Bonds, resulting in a deficiency of \$195,346. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the 1998 Series A, B, and C Debt Service Account. Accordingly, the City transferred monies to the Trustee to address the deficiency.

On March 5, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Bonds of 1998. The 1998 Series A, B, and C Debt Service Account did not have sufficient funds to pay the scheduled interest payment of \$315,908 due on the 1998 Series A Bonds on September 1, 2009. There were no funds on deposit with the Trustee with respect to the 1998 Series A Bonds, resulting in a deficiency of \$315,908. In accordance with the terms of the 1998 Indenture, the Trustee transferred funds from the 1998 Series Debt Service Reserve Account to the 1998 Series A, B, and C Debt Service Account in an amount sufficient to satisfy the deficiency and to enable the Trustee to make the necessary payment of interest on the 1998 Series A Bonds on September 1, 2009.

On March 8, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Bonds of 1998. The 1998 Series A, B, and C Debt Service Account did not have sufficient funds to pay the scheduled interest payment of \$280,085 due on the 1998 Series A Bonds on March 1, 2010. There were no funds on deposit with the Trustee with respect to the 1998 Series A Bonds, resulting in a deficiency of \$280,085. In accordance with the terms of the 1998 Indenture, the Trustee transferred funds from the 1998 Series Debt Service Reserve Account to the 1998 Series A, B, and C Debt Service Account in an amount sufficient to satisfy the deficiency and to enable the Trustee to make the necessary payment of interest on the 1998 Series A Bonds on March 1, 2010.

On September 14, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Bonds of 1998. The 1998 Series A, B, and C Debt Service Account did not have sufficient funds to pay the scheduled principal and interest payment of \$320,085 due on the 1998 Series A Bonds on September 1, 2010. There were no funds on deposit with the Trustee with respect to the 1998 Series A Bonds, resulting in a deficiency of \$320,085. In accordance with the terms of the 1998 Indenture, the Trustee transferred funds from the 1998 Series Debt Service Reserve Account to the 1998 Series A, B, and C Debt Service Account in an amount sufficient to satisfy the deficiency and to enable the Trustee to make the necessary payment of interest on the 1998 Series A Bonds on September 1, 2010.

On September 14, 2012, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Bonds of 1998. The 1998 Series A, B, and C Debt Service Account did not have sufficient funds to pay the scheduled principal and interest payment of

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

\$279,125 due on the 1998 Series A Bonds on September 1, 2012 resulting in a deficiency of \$46,520. In accordance with the terms of the 1998 Indenture, the Trustee transferred funds from the 1998 Series Debt Service Reserve Account to the 1998 Series A, B, and C Debt Service Account in an amount sufficient to satisfy the deficiency and to enable the Trustee to make the necessary payment of interest on the 1998 Series A Bonds on September 1, 2012.

On June 22, 2009, The Harrisburg Authority issued a notice of material event with respect to The Harrisburg Authority's Series A Notes of 2002. The 2002 Debt Service Account did not have sufficient funds to pay the scheduled interest payment of \$446,732 due on the 2002 Series A Notes on May 1, 2009. The amount of \$5,749 was on deposit with the Trustee with respect to the 2002 Series A Notes, resulting in a deficiency of \$440,983. Pursuant to terms of the trust indenture and the City Note Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the 2002 Debt Service Account. Accordingly, the City transferred monies to the Trustee to address the deficiency.

On March 8, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Notes of 2002. The 2002 Debt Service Account did not have sufficient funds to pay the scheduled debt service payment of \$1,196,732 due on the 2002 Series A Notes on November 1, 2009. The amount of \$88 was on deposit with the Trustee with respect to the 2002 Series A Notes, resulting in a deficiency of \$1,196,644. Pursuant to terms of the trust indenture and the City Note Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the 2002 Debt Service Account. Under the terms of the City Note Guaranty, the City, as guarantor, was required to fund any deficiency in the 2002 Debt Service Account. The City notified the Trustee that the City was only able to transfer \$396,732, which amount representing a portion of the funds required for the debt service payment due on the 2002 Series A Notes on November 1, 2009. Upon the failure of the City to advance sufficient monies as required under the City Note Guaranty, the Trustee then transferred funds from the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund in the amount of \$799,912 to the 2002 Debt Service Account in order to satisfy the remaining deficiency therein and to enable the Trustee to make the necessary debt service payment the 2002 Series A Notes on November 1, 2009.

On May 4, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Notes of 2002. The 2002 Debt Service Account did not have sufficient funds to pay the scheduled debt service payment of \$425,282 due on the 2002 Series A Notes on May 1, 2010. On April 25, 2010, there were no funds on deposit with the Trustee with respect to the 2002 Series A Notes resulting in a deficiency of \$425,282. Pursuant to terms of the trust indenture and the City Note Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the 2002 Debt Service Account. Under the terms of the City Note Guaranty, the City, as guarantor, was required to fund any deficiency in the 2002 Debt Service Account. The City notified the Trustee that the City was not able to provide any funds under the City Note Guaranty in order to make the May 1, 2010 payment. Upon the failure of the City to advance funds as required under the City Note Guaranty, the Trustee then transferred funds from the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund in the amount of \$88 to the 2002 Debt Service Account. After transferring funds from the 2002 Debt Service Reserve Fund, the 2002 Debt Service Account was deficient in the amount of \$425,194. In accordance with the 2002 Indenture, the Trustee then notified the 2002 Bond Insurer of the deficiency of funds on deposit in the 2002 Debt Service Account required to make the May 1, 2010 payment and requested that such shortfall be paid under the bond insurance policy. The 2002 Bond Insurer paid the amount \$425,194 to the Trustee under the bond insurance

CITY OF HARRISBURG, PENNSYLVANIA

policy, which amount, together with other funds on deposit in the 2002 Debt Service Account, was sufficient to pay the scheduled debt service payment on May 1, 2010

On November 3, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Notes of 2002. The 2002 Debt Service Account did not have sufficient funds to pay the scheduled debt service payment of \$1,215,282 due on the 2002 Series A Notes on November 1, 2010. On October 25, 2010, there were no funds on deposit with the Trustee with respect to the 2002 Series A Notes resulting in a deficiency of \$1,215,282. Pursuant to terms of the trust indenture and the City Note Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the 2002 Debt Service Account. Under the terms of the City Note Guaranty, the City, as guarantor, was required to fund any deficiency in the 2002 Debt Service Account. The City notified the Trustee that the City was not able to provide any funds under the City Note Guaranty in order to make the November 1, 2010 payment. Upon the failure of the City to advance funds as required under the City Note Guaranty, the Trustee was required to transfer any funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund to the 2002 Debt Service Account of the Debt Service Fund. There were no funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund, resulting in a deficiency in the amount of \$1,215,282. In accordance with the 2002 Indenture, the Trustee then notified the 2002 Bond Insurer of the deficiency of funds on deposit in the 2002 Debt Service Account required to make the November 1, 2010 payment and requested that such shortfall be paid under the bond insurance policy. The 2002 Bond Insurer paid the amount \$1,215,282 to the Trustee under the bond insurance policy, which amount was sufficient to pay the scheduled debt service payment on November 1, 2010.

On May 2, 2011, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Notes of 2002. The 2002 Debt Service Account did not have sufficient funds to pay the scheduled debt service payment of \$402,688 due on the 2002 Series A Notes on May 1, 2011. On April 25, 2011, there were no funds on deposit with the Trustee with respect to the 2002 Series A Notes resulting in a deficiency of \$402,688. Pursuant to terms of the trust indenture and the City Note Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the 2002 Debt Service Account. Under the terms of the City Note Guaranty, the City, as guarantor, was required to fund any deficiency in the 2002 Debt Service Account. The City notified the Trustee that the City was not able to provide any funds under the City Note Guaranty in order to make the May 1, 2011 payment. Upon the failure of the City to advance funds as required under the City Note Guaranty, the Trustee was required to transfer any funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund to the 2002 Debt Service Account of the Debt Service Fund. There were no funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund, resulting in a deficiency in the amount of \$402,688. In accordance with the 2002 Indenture, the Trustee then notified the 2002 Bond Insurer of the deficiency of funds on deposit in the 2002 Debt Service Account required to make the May 1, 2011 payment and requested that such shortfall be paid under the bond insurance policy. The 2002 Bond Insurer paid the amount \$402,688 to the Trustee under the bond insurance policy, which amount was sufficient to pay the scheduled debt service payment on May 1, 2011.

On November 1, 2011, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Notes of 2002. The 2002 Debt Service Account did not have sufficient funds to pay the scheduled debt service payment of \$1,242,688 due on the 2002 Series A Notes on November 1, 2011. On October 25, 2011, there were no funds on deposit with the Trustee with respect to the 2002 Series A Notes resulting in a deficiency of \$1,242,688. Pursuant to terms of the trust indenture and the City Note Guaranty, the Trustee notified The Harrisburg Authority

and the City of such deficiency in the 2002 Debt Service Account. Under the terms of the City Note Guaranty, the City, as guarantor, was required to fund any deficiency in the 2002 Debt Service Account. The City notified the Trustee that the City was not able to provide any funds under the City Note Guaranty in order to make the November 1, 2011 payment. Upon the failure of the City to advance funds as required under the City Note Guaranty, the Trustee was required to transfer any funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund to the 2002 Debt Service Account of the Debt Service Fund. There were no funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund, resulting in a deficiency in the amount of \$1,242,688. In accordance with the 2002 Indenture, the Trustee then notified the 2002 Bond Insurer of the deficiency of funds on deposit in the 2002 Debt Service Account required to make the November 1, 2011 payment and requested that such shortfall be paid under the bond insurance policy. The 2002 Bond Insurer paid the amount \$1,242,688 to the Trustee under the bond insurance policy, which amount was sufficient to pay the scheduled debt service payment on November 1, 2011.

On May 1, 2012, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Notes of 2002. The 2002 Debt Service Account did not have sufficient funds to pay the scheduled debt service payment of \$378,664 due on the 2002 Series A Notes on May 1, 2012. On May 1, 2012, there were no funds on deposit with the Trustee with respect to the 2002 Series A Notes, resulting in a deficiency of \$378,664. Pursuant to terms of the trust indenture and the City Note Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the 2002 Debt Service Account. Under the terms of the City Note Guaranty, the City, as guarantor, was required to fund any deficiency in the 2002 Debt Service Account. The City notified the Trustee that the City was not able to provide any funds under the City Note Guaranty in order to make the May 1, 2012 payment. Upon the failure of the City to advance funds as required under the City Note Guaranty, the Trustee was required to transfer any funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund to the 2002 Debt Service Account of the Debt Service Fund. There were no funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund, resulting in a deficiency in the amount of \$378,664. In accordance with the 2002 Indenture, the Trustee then notified the 2002 Bond Insurer of the deficiency of funds on deposit in the 2002 Debt Service Account required to make the May 1, 2012 payment and requested that such shortfall be paid under the bond insurance policy. The 2002 Bond Insurer paid the amount \$378,664 to the Trustee under the bond insurance policy, which amount was sufficient to pay the scheduled debt service payment on May 1, 2012.

On November 5, 2012, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A Notes of 2002. The 2002 Debt Service Account did not have sufficient funds to pay the scheduled debt service payment of \$1,268,664 due on the 2002 Series A Notes on November 1, 2012. Under the terms of the City Note Guaranty, the City, as guarantor, was required to fund any deficiency in the 2002 Debt Service Account. The City notified the Trustee that the City was not able to provide any funds under the City Note Guaranty in order to make the November 1, 2012 payment. Upon the failure of the City to advance funds as required under the City Note Guaranty, the Trustee was required to transfer any funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund to the 2002 Debt Service Account of the Debt Service Fund. There were no funds on deposit in the 2002 Debt Service Reserve Account of the Debt Service Reserve Fund resulting in a deficiency in the amount of \$1,268,664. In accordance with the 2002 Indenture, the Trustee then notified the 2002 Bond Insurer of the deficiency of funds on deposit in the 2002 Debt Service Account required to make the November 1, 2012 payment and requested that such shortfall be paid under the bond insurance policy. The 2002 Bond Insurer paid the amount

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

\$1,268,664 to the Trustee under the bond insurance policy, which amount was sufficient to pay the scheduled debt service payment on November 1, 2012.

On March 20, 2009, The Harrisburg Authority issued a notice of material event with respect to The Harrisburg Authority's Series A, B, and C Bonds of 2003. The Series of 2003 Debt Service Accounts did not have sufficient funds to pay the scheduled interest payments in the amount of \$647,262, \$538,073, and \$607,125 due on the Series A, B, and C of 2003 Bonds, respectively, on March 1, 2009. The amount of \$16,612, \$16,581, and \$16,596 was on deposit with the Trustee with respect to the Series A, B, and C of 2003 Bonds, respectively, resulting in a deficiency of \$630,650, \$521,492, and \$590,529, respectively. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the Series of 2003 Debt Service Accounts. Accordingly, the City transferred monies to the Trustee to address the deficiency.

On March 8, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A, B, and C Bonds of 2003. The Series of 2003 Debt Service Accounts did not have sufficient funds to pay the scheduled interest payments in the amount of \$647,262, \$538,073, and \$607,120 due on the Series A, B, and C of 2003 Bonds, respectively, on September 1, 2009. Pursuant to the terms of the Series 2003 A, B, and C Indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiencies in the Series of 2003 Debt Service Accounts. The Series 2003 A, B, and C Indenture and the City Bond Guaranty provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series 2003 A, B, and C Obligations, then the Trustee is to draw upon the City Bond Guaranty for the monies for debt service. The Trustee so notified the City of the respective deficiencies in the Series of 2003 Debt Service Accounts for the September 1, 2009 debt service payment. However, the City notified the Trustee on August 25, 2009 that the City was not able to transfer funds for the debt service payment due on the Series 2003 A, B, and C Obligations on September 1, 2009. Upon the failure of the City to advance monies as required under the City Bond Guaranty, the Trustee then transferred funds from the 2003 Debt Service Reserve Account of the Debt Service Reserve Fund to the Series of 2003 Debt Service Accounts in amounts sufficient to satisfy the respective deficiencies therein and to enable the Trustee to make the necessary payments of interest on the Series 2003 A, B, and C Obligations on September 1, 2009.

On March 9, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A, B, and C Bonds of 2003. The Series of 2003 Debt Service Accounts did not have sufficient funds to pay the scheduled interest payments in the amount of \$647,262, \$538,073, and \$607,120 due on the Series A, B, and C of 2003 Bonds, respectively, on March 1, 2010. Pursuant to the terms of the Series 2003 A, B, and C Indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiencies in the Series of 2003 Debt Service Accounts. The Series 2003 A, B, and C Indenture and the City Bond Guaranty provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series 2003 A, B, and C Obligations, then the Trustee is to draw upon the City Bond Guaranty for the monies for debt service. The Trustee so notified the City of the respective deficiencies in the Series of 2003 Debt Service Accounts for the March 1, 2010 debt service payment. However, the City notified the Trustee on February 23, 2010 that the City was not able to transfer funds for the debt service payment due on the Series 2003 A, B, and C Obligations on March 1, 2010. Upon the failure of the City to advance monies as required under the City Bond Guaranty, the Trustee then transferred funds from the 2003 Debt Service Reserve Account of the Debt Service Reserve Fund to the Series of 2003 Debt Service Accounts in amounts sufficient to

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

satisfy the respective deficiencies therein and to enable the Trustee to make the necessary payments of interest on the Series 2003 A, B, and C Obligations on March 1, 2010.

On September 2, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A, B, and C Bonds of 2003. The Series of 2003 Debt Service Accounts did not have sufficient funds to pay the scheduled interest payments in the amount of \$647,262, \$378,898, and \$607,120 due on the Series A, B, and C of 2003 Bonds, respectively, on September 1, 2010. Pursuant to the terms of the Series 2003 A, B, and C Indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiencies in the Series of 2003 Debt Service Accounts. The Series 2003 A, B, and C Indenture and the City Bond Guaranty provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series 2003 A, B, and C Obligations, then the Trustee is to draw upon the City Bond Guaranty for the monies for debt service. The Trustee so notified the City of the respective deficiencies in the Series of 2003 Debt Service Accounts for the September 1, 2010 debt service payment. However, the City notified the Trustee that the City was not able to transfer funds for the debt service payment due on the Series 2003 A, B, and C Obligations on September 1, 2010. Upon the failure of the City to advance monies as required under the City Bond Guaranty, the Trustee then transferred funds from the 2003 Debt Service Reserve Account of the Debt Service Reserve Fund to the Series of 2003 Debt Service Accounts in amounts sufficient to satisfy the respective deficiencies therein and to enable the Trustee to make the necessary payments of interest on the Series 2003 A, B, and C Obligations on September 1, 2010.

On March 1, 2011, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A, B, and C Bonds of 2003. The Series of 2003 Debt Service Accounts did not have sufficient funds to pay the scheduled interest payments in the amount of \$647,262, \$147,612, and \$607,120 due on the Series A, B, and C of 2003 Bonds, respectively, on March 1, 2011. Pursuant to the terms of the Series 2003 A, B, and C Indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiencies in the Series of 2003 Debt Service Accounts. The Series 2003 A, B, and C Indenture and the City Bond Guaranty provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series 2003 A, B, and C Obligations, then the Trustee is to draw upon the City Bond Guaranty for the monies for debt service. The Trustee so notified the City of the respective deficiencies in the Series of 2003 Debt Service Accounts for the March 1, 2011 debt service payment. However, the City notified the Trustee that the City was not able to transfer funds for the debt service payment due on the Series 2003 A, B, and C Obligations on March 1, 2011. Upon the failure of the City to advance monies as required under the City Bond Guaranty, the Trustee then transferred funds from the 2003 Debt Service Reserve Account of the Debt Service Reserve Fund to the Series of 2003 Debt Service Accounts in amounts sufficient to satisfy the respective deficiencies therein and to enable the Trustee to make the necessary payments of interest on the Series 2003 A, B, and C Obligations on March 1, 2011.

On September 1, 2011, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A, B, and C Bonds of 2003. The Series of 2003 Debt Service Accounts did not have sufficient funds to pay the scheduled interest payments in the amount of \$647,262, \$143,034, and \$607,125 due on the Series A, B, and C of 2003 Bonds, respectively, on September 1, 2011. Pursuant to the terms of the Series 2003 A, B, and C Indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiencies in the Series of 2003 Debt Service Accounts. The Series 2003 A, B, and C Indenture and the City Bond Guaranty provide that if there are insufficient revenues available from the operation of The Harrisburg

Authority's Resource Recovery Facility to pay debt service on the Series 2003 A, B, and C Obligations, then the Trustee is to draw upon the City Bond Guaranty for the monies for debt service. The Trustee so notified the City of the respective deficiencies in the Series of 2003 Debt Service Accounts for the September 1, 2011 debt service payment. However, the City notified the Trustee that the City was not able to transfer funds for the debt service payment due on the Series 2003 A, B, and C Obligations on September 1, 2011. Upon the failure of the City to advance monies as required under the City Bond Guaranty, the Trustee then transferred \$580,868 consisting of all remaining funds on deposit in the 2003 Debt Service Reserve Account of the Debt Service Reserve Fund to the Series of 2003 Debt Service Accounts. In accordance with the Series 2003 A, B, and C Indenture, the Trustee then notified the Bond Insurer of the deficiency of funds on deposit in the Series of 2003 Debt Service Accounts required to make the September 1, 2011 payment and requested that such shortfall be paid under the bond insurance policy. The Bond Insurer paid the amount \$816,551 to the Trustee under the bond insurance policy, which amount, together with the funds transferred from the 2003 Debt Service Reserve Account of the Debt Service Reserve Fund, was sufficient to pay the scheduled debt service payment on September 1, 2011.

On March 1, 2012, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A, B, and C Bonds of 2003. The Series of 2003 Debt Service Accounts did not have sufficient funds to pay the scheduled interest payments in the amount of \$647,262, \$147,572, and \$607,125 due on the Series A, B, and C of 2003 Bonds, respectively, on March 1, 2012. Pursuant to the terms of the Series 2003 A, B, and C Indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiencies in the Series of 2003 Debt Service Accounts. The Series 2003 A, B, and C Indenture and the City Bond Guaranty provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series 2003 A, B, and C Obligations, then the Trustee is to draw upon the City Bond Guaranty for the monies for debt service. The Trustee so notified the City of the respective deficiencies in the Series of 2003 Debt Service Accounts for the March 1, 2012 debt service payment. However, the City notified the Trustee that the City was not able to transfer funds for the debt service payment due on the Series 2003 A, B, and C Obligations on March 1, 2012. Upon the failure of the City to advance monies as required under the City Bond Guaranty, the Trustee then transferred \$10 consisting of all remaining funds on deposit in the 2003 Debt Service Reserve Account of the Debt Service Reserve Fund to the Series of 2003 Debt Service Accounts. In accordance with the Series 2003 A, B, and C Indenture, the Trustee then notified the Bond Insurer of the deficiency of funds on deposit in the Series of 2003 Debt Service Accounts required to make the March 1, 2012 payment and requested that such shortfall be paid under the bond insurance policy. The Bond Insurer paid the amount \$1,401,950 to the Trustee under the bond insurance policy, which amount, together with the funds transferred from the 2003 Debt Service Reserve Account of the Debt Service Reserve Fund, was sufficient to pay the scheduled debt service payment on March 1, 2012.

On September 10, 2012, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series A, B, and C Bonds of 2003. The Series of 2003 Debt Service Accounts did not have sufficient funds to pay the scheduled interest payments in the amount of \$647,262, \$147,502, and \$607,125 due on the Series A, B, and C of 2003 Bonds, respectively, on September 1, 2012. Pursuant to the terms of the Series 2003 A, B, and C Indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiencies in the Series of 2003 Debt Service Accounts. The Series 2003 A, B, and C Indenture and the City Bond Guaranty provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series 2003 A, B, and C Obligations,

CITY OF HARRISBURG, PENNSYLVANIA

then the Trustee is to draw upon the City Bond Guaranty for the monies for debt service. The Trustee so notified the City of the respective deficiencies in the Series of 2003 Debt Service Accounts for the September 1, 2012 debt service payment. However, the City notified the Trustee that the City was not able to transfer funds for the debt service payment due on the Series 2003 A, B, and C Obligations on September 1, 2012. There being no funds on deposit in the Series of 2003 Debt Service Reserve Account of the Debt Service Reserve Fund, the Trustee then notified the Bond Insurer of the deficiency of funds on deposit in the Series of 2003 Debt Service Accounts required to make the September 1, 2012 payment and requested that such shortfall be paid under the bond insurance policy. The Bond Insurer paid the amount \$1,401,889 to the Trustee under the bond insurance policy, which amount was sufficient to pay the scheduled debt service payment on September 1, 2012.

On June 29, July 16 and July 22, 2009, The Harrisburg Authority and the City issued joint notices of material events with respect to The Harrisburg Authority's Series D-1, D-2, E, and F Bonds of 2003. The Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts did not have sufficient funds to pay the scheduled interest payments in the amount of \$1,062,450, \$1,625,000, \$353,030, and \$344,895 due on the Series D-1, D-2, E, and F of 2003 Bonds, respectively, on June 1, 2009. The amount of \$200,982, \$34, \$3, and \$72,636 was on deposit with the Trustee with respect to the Series D-1, D-2, E, and F Bonds of 2003, respectively, resulting in a deficiency of \$861,468, \$1,624,966, \$353,027, and \$272,259, respectively. The trust indenture and the City Bond Guaranty Agreement provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series D-1, D-2, E, and F Bonds, then the Trustee is to draw upon the City Bond Guaranty as such term is defined in the City Bond Guaranty Agreement for the monies for debt service. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts. However, the City notified the Trustee that the City was not able to transfer funds for the debt service payment due on the Series D-1, D-2, E, and F Bonds on June 1, 2009. Upon the failure of the City to advance monies as required under the City Bond Guaranty Agreement, the Trustee then withdrew \$861,468, \$1,624,966, \$353,027, and \$272,259, respectively, from the 2003D, E and F Bonds Subaccount of the Retrofit Debt Service Reserve Account of the Debt Service Reserve Fund in May 2009 in accordance with the trust indenture and transferred such amount to the Retrofit Debt Service Account to address the deficiency in such account for the payment of interest on the Series D-1, D-2, E, and F Bonds on June 1, 2009.

On March 8 and March 9, 2010, The Harrisburg Authority and the City issued joint notices of material events with respect to The Harrisburg Authority's Series D-1, D-2, E and F Bonds of 2003. The Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts did not have sufficient funds to pay the scheduled debt service payments in the amount of \$1,062,450, \$1,625,000, \$1,743,030, and \$1,684,895 due on the Series D-1, D-2, E, and F of 2003 Bonds, respectively, on December 1, 2009. There were no funds on deposit in the 2003 Retrofit Debt Services Accounts, resulting in a deficiency of \$1,062,450, \$1,625,000, \$1,743,030, and \$1,684,895, respectively. The trust indenture and the City Bond Guaranty Agreement provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series D-1, D-2, E, and F Bonds, then the Trustee is to draw upon the City Bond Guaranty as such term is defined in the City Bond Guaranty Agreement for the monies for debt service. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts. However, the City notified the Trustee that the City could only able to transfer \$127,613, \$195,181, \$209,358, and \$202,376, respectively, for the Series D-1, D-2, E, and F Bonds of 2003, which amount represented a portion of the funds required for the debt service payment due on the Series D-1, D-2, E, and F Bonds on

December 1, 2009. Upon the failure of the City to advance sufficient monies as required under the City Bond Guaranty Agreement, the Trustee then withdrew \$2,364,656, \$746,468, and \$1,482,519, respectively, from the 2003D, E and F Bonds Subaccount of the Retrofit Debt Service Reserve Account of the Debt Service Reserve Fund in order to satisfy the remaining deficiency therein and to enable the Trustee to make the necessary debt service payment on December 1, 2009. However, after transferring funds from the 2003 E Bonds Subaccount of the Retrofit Debt Service Reserve Account, the 2003E Bonds Subaccount of the Retrofit Debt Service Account was still deficient in the amount of \$787,204. Under the terms of the Indenture and the County Guaranty Agreement, dated as of December 1, 2003 (County Guaranty Agreement), among the County, The Harrisburg Authority and the Trustee, the County, as guarantor, was required to fund any deficiency in the 2003E Bonds Subaccount of the Retrofit Debt Service Account after deposits therein from the City under the City Bond Guaranty Agreement and from the 2003E Bonds Subaccount of the Retrofit Debt Service Reserve Account. Pursuant to the terms of the Indenture and the County Bond Guaranty Agreement, the Trustee notified The Harrisburg Authority and the County of such deficiency in the 2003 E Bonds Subaccount of the Retrofit Debt Service Account. The County, as guarantor, in accordance with the County Guaranty Agreement, transferred funds in the amount of \$787,204 to the Trustee for deposit into the 2003E Bonds Subaccount of the Retrofit Debt Service Account in order to satisfy the remaining deficiency therein and to enable the Trustee to make the necessary debt service payment the Series E Bonds on December 1, 2009. In addition, the Series F Bonds Subaccount of the Retrofit Debt Service Reserve Account was deficient in the amount of \$630,474, which required The Harrisburg Authority to draw on its debt service reserve fund surety policy. Such amount is presented as due to bond insurer on the face of the financial statement.

On June 1, 2010, The Harrisburg Authority and the City issued joint notices of material events with respect to The Harrisburg Authority's Series D-1, D-2, E, and F Bonds of 2003. The Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts did not have sufficient funds to pay the scheduled debt service payments in the amount of \$1,062,450, \$1,625,000, \$322,103, and \$314,745 due on the Series D-1, D-2, E, and F of 2003 Bonds, respectively, on June 1, 2010. The amount of \$2, \$3, \$0, and \$2 was on deposit with the Trustee with respect to the Series D-1, D-2, E, and F Bonds of 2003, respectively, resulting in a deficiency of \$1,062,448, \$1,624,997, \$322,103, and \$314,743, respectively. The trust indenture and the City Bond Guaranty Agreement provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series D-1, D-2, E, and F Bonds, then the Trustee is to draw upon the City Bond Guaranty as such term is defined in the City Bond Guaranty Agreement for the monies for debt service. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts. However, the City notified the Trustee that the City was not able to provide any funds under the City Bond Guaranty in order to make the debt service payment due on the Series D-1, D-2, E, and F Bonds on June 1, 2010. Upon the failure of the City to advance sufficient monies as required under the City Bond Guaranty Agreement, the Trustee then withdrew \$2,687,445, \$322,103, and \$314,743, respectively, from the 2003D, E and F Bonds Subaccount of the Retrofit Debt Service Reserve Account of the Debt Service Reserve Fund in order to satisfy the remaining deficiency therein and to enable the Trustee to make the necessary debt service payment on June 1, 2010. The funds on deposit in the 2003E Bonds Subaccount of the Retrofit Debt Service Reserve Account were derived from monthly deposits required to be made by the County under the terms of the County Guaranty Agreement.

On December 10, 2010, The Harrisburg Authority and the City issued joint notices of material events with respect to The Harrisburg Authority's Series D-1, D-2, E, and F Bonds of 2003. The Series of

2003 D-1, D-2, E, and F Retrofit Debt Service Accounts did not have sufficient funds to pay the scheduled debt service payments in the amount of \$1,062,450, \$1,625,000, \$1,777,103, and \$1,714,745 due on the Series D-1, D-2, E, and F of 2003 Bonds, respectively, on December 1, 2010. The amount of \$161,436, \$246,913, \$270,025, and \$260,550 was on deposit with the Trustee with respect to the Series D-1, D-2, E, and F Bonds of 2003, respectively, resulting in a deficiency of \$901,014, \$1,378,087, \$1,507,078, and \$1,454,195, respectively. The trust indenture and the City Bond Guaranty Agreement provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series D-1, D-2, E, and F Bonds, then the Trustee is to draw upon the City Bond Guaranty as such term is defined in the City Bond Guaranty Agreement for the monies for debt service. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts. However, the City notified the Trustee that the City was not able to provide any funds under the City Bond Guaranty in order to make the debt service payment due on the Series D-1, D-2, E, and F Bonds on December 1, 2010. Upon the failure of the City to advance sufficient monies as required under the City Bond Guaranty Agreement, the Trustee then withdrew \$2,279,101, \$1,507,078, and \$54,784, respectively, from the 2003D, E, and F Bonds Subaccount of the Retrofit Debt Service Reserve Account of the Debt Service Reserve Fund in order to satisfy the remaining deficiency therein and to enable the Trustee to make the necessary debt service payment on December 1, 2010. However, withdraw from the 2003 F Bonds Subaccount of the Retrofit Debt Service Reserve account was not sufficient to make the December 1, 2010 payment, in the amount of \$1,399,411. The Trustee then notified the Bond Insurer of the deficiency of funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account required to make the December 1, 2010 payment and requested that such shortfall be paid under the bond insurance policy. The Bond Insurer paid the amount \$1,399,411 to the Trustee under the bond insurance policy, which amount, together with funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account, was sufficient to pay the scheduled debt service payment on December 1, 2010. The funds on deposit in the 2003D and E Bonds Subaccount of the Retrofit Debt Service Reserve Account were derived from monthly deposits required to be made by the County under the terms of the County Guaranty Agreement.

On June 2, 2011, The Harrisburg Authority and the City issued joint notices of material events with respect to The Harrisburg Authority's Series D-1, D-2, E, and F Bonds of 2003. The Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts did not have sufficient funds to pay the scheduled debt service payments in the amount of \$826,350, \$1,625,000, \$289,729, and \$283,245 due on the Series D-1, D-2, E, and F of 2003 Bonds, respectively, on June 1, 2011. The amount of \$339,151, \$502,022, \$89,508, and \$87,505 was on deposit with the Trustee with respect to the Series D-1, D-2, E, and F Bonds of 2003, respectively, resulting in a deficiency of \$487,199, \$1,122,978, \$200,221, and \$195,740, respectively. The trust indenture and the City Bond Guaranty Agreement provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series D-1, D-2, E, and F Bonds, then the Trustee is to draw upon the City Bond Guaranty as such term is defined in the City Bond Guaranty Agreement for the monies for debt service. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts. However, the City notified the Trustee that the City was not able to provide any funds under the City Bond Guaranty in order to make the debt service payment due on the Series D-1, D-2, E, and F Bonds on June 1, 2011. Upon the failure of the City to advance sufficient monies as required under the City Bond Guaranty Agreement, the Trustee then withdrew \$1,610,177 and \$200,221, respectively, from the 2003D and E Bonds Subaccount of the Retrofit Debt Service Reserve Account of the Debt Service Reserve Fund in order to satisfy the remaining deficiency

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

therein and to enable the Trustee to make the necessary debt service payment on June 1, 2011. However, the Series F Bonds Subaccount of the Retrofit Debt Service Reserve Account did not have any funds on deposit therein. In accordance with the Indenture, the Trustee then notified the Bond Insurer of the deficiency of funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account required to make the June 1, 2011 payment and requested that such shortfall be paid under the bond insurance policy. The Bond Insurer paid the amount \$195,740 to the Trustee under the bond insurance policy, which amount, together with funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account, was sufficient to pay the scheduled debt service payment on June 1, 2011. The funds on deposit in the 2003D and E Bonds Subaccount of the Retrofit Debt Service Reserve Account were derived from monthly deposits required to be made by the County under the terms of the County Guaranty Agreement.

On December 2, 2011, The Harrisburg Authority and the City issued joint notices of material events with respect to The Harrisburg Authority's Series D-1, D-2, E, and F Bonds of 2003. The Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts did not have sufficient funds to pay the scheduled debt service payments in the amount of \$826,350, \$1,625,000, \$1,809,729, and \$1,748,245 due on the Series D-1, D-2, E, and F of 2003 Bonds, respectively, on December 1, 2011. The amount of \$523,217, \$1,028,596, \$1,145,495, and \$1,106,575 was on deposit with the Trustee with respect to the Series D-1, D-2, E, and F Bonds of 2003, respectively, resulting in a deficiency of \$303,133, \$569,404, \$664,234, and \$641,670, respectively. The trust indenture and the City Bond Guaranty Agreement provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series D-1, D-2, E, and F Bonds, then the Trustee is to draw upon the City Bond Guaranty as such term is defined in the City Bond Guaranty Agreement for the monies for debt service. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts. However, the City notified the Trustee that the City was not able to provide any funds under the City Bond Guaranty in order to make the debt service payment due on the Series D-1, D-2, E, and F Bonds on December 1, 2011. Upon the failure of the City to advance sufficient monies as required under the City Bond Guaranty Agreement, the Trustee then withdrew \$899,537 and \$664,234, respectively, from the 2003D and E Bonds Subaccount of the Retrofit Debt Service Reserve Account of the Debt Service Reserve Fund in order to satisfy the remaining deficiency therein and to enable the Trustee to make the necessary debt service payment on December 1, 2011. However, the Series F Bonds Subaccount of the Retrofit Debt Service Reserve Account did not have any funds on deposit therein. In accordance with the Indenture, the Trustee then notified the Bond Insurer of the deficiency of funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account required to make the December 1, 2011 payment and requested that such shortfall be paid under the bond insurance policy. The Bond Insurer paid the amount \$664,670 to the Trustee under the bond insurance policy, which amount, together with funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account, was sufficient to pay the scheduled debt service payment on December 1, 2011. The funds on deposit in the 2003D and E Bonds Subaccount of the Retrofit Debt Service Reserve Account were derived from monthly deposits required to be made by the County under the terms of the County Guaranty Agreement.

On June 4, 2012, The Harrisburg Authority and the City issued joint notices of material events with respect to The Harrisburg Authority's Series D-1, D-2, E, and F Bonds of 2003. The Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts did not have sufficient funds to pay the scheduled debt service payments in the amount of \$826,350, \$1,625,000, \$255,909, and \$250,283 due on the Series D-1, D-2, E, and F of 2003 Bonds, respectively, on June 1, 2012. The amount of \$4, \$28, \$8, and \$8 was on deposit with the Trustee with respect to the Series D-1, D-2, E, and F Bonds of 2003, respectively,

CITY OF HARRISBURG, PENNSYLVANIA

DECEMBER 31, 2010

resulting in a deficiency of \$826,346, \$1,624,972, \$255,901, and \$250,275, respectively. The trust indenture and the City Bond Guaranty Agreement provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series D-1, D-2, E, and F Bonds, then the Trustee is to draw upon the City Bond Guaranty as such term is defined in the City Bond Guaranty Agreement for the monies for debt service. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts. However, the City notified the Trustee that the City was not able to provide any funds under the City Bond Guaranty in order to make the debt service payment due on the Series D-1, D-2, E, and F Bonds on June 1, 2012. Upon the failure of the City to advance sufficient monies as required under the City Bond Guaranty Agreement, the Trustee then withdrew \$1,707,606 and \$255,901, respectively, from the 2003D and E Bonds Subaccount of the Retrofit Debt Service Reserve Account of the Debt Service Reserve Fund in order to satisfy the remaining deficiency therein and to enable the Trustee to make the necessary debt service payment on June 1, 2012. However, the Series F Bonds Subaccount of the Retrofit Debt Service Reserve Account did not have any funds on deposit therein. In accordance with the Indenture, the Trustee then notified the Bond Insurer of the deficiency of funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account required to make the June 1, 2012 payment and requested that such shortfall be paid under the bond insurance policy. The Bond Insurer paid the amount \$250,275 to the Trustee under the bond insurance policy, which amount, together with funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account, was sufficient to pay the scheduled debt service payment on June 1, 2012. The funds on deposit in the 2003D and E Bonds Subaccount of the Retrofit Debt Service Reserve Account were derived from monthly deposits required to be made by the County under the terms of the County Guaranty Agreement.

On December 4, 2012, The Harrisburg Authority and the City issued joint notices of material events with respect to The Harrisburg Authority's Series D-1, D-2, E, and F Bonds of 2003. The Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts did not have sufficient funds to pay the scheduled debt service payments in the amount of \$826,350, \$1,625,000, \$1,840,909, and \$1,780,283 due on the Series D-1, D-2, E, and F of 2003 Bonds, respectively, on December 1, 2012. There were no amounts on deposit with the Trustee with respect to the Series D-1, D-2, E, and F Bonds of 2003, resulting in a deficiency of \$826,350, \$1,625,000, \$1,840,909, and \$1,780,283, respectively. The trust indenture and the City Bond Guaranty Agreement provide that if there are insufficient revenues available from the operation of The Harrisburg Authority's Resource Recovery Facility to pay debt service on the Series D-1, D-2, E, and F Bonds, then the Trustee is to draw upon the City Bond Guaranty as such term is defined in the City Bond Guaranty Agreement for the monies for debt service. Pursuant to terms of the trust indenture and the City Bond Guaranty, the Trustee notified The Harrisburg Authority and the City of such deficiency in the Series of 2003 D-1, D-2, E, and F Retrofit Debt Service Accounts. However, the City notified the Trustee that the City was not able to provide any funds under the City Bond Guaranty in order to make the debt service payment due on the Series D-1, D-2, E, and F Bonds on December 1, 2012. Upon the failure of the City to advance sufficient monies as required under the City Bond Guaranty Agreement, the Trustee then withdrew \$2,451,350 and \$1,840,909, respectively, from the 2003D and E Bonds Subaccount of the Retrofit Debt Service Reserve Account of the Debt Service Reserve Fund in order to satisfy the remaining deficiency therein and to enable the Trustee to make the necessary debt service payment on December 1, 2012. However, the Series F Bonds Subaccount of the Retrofit Debt Service Reserve Account did not have any funds on deposit therein. In accordance with the Indenture, the Trustee then notified the Bond Insurer of the deficiency of funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account required to make the December 1, 2012 payment and requested that such shortfall be paid under the

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

bond insurance policy. The Bond Insurer paid the amount \$1,780,283 to the Trustee under the bond insurance policy, which amount, together with funds on deposit in the 2003F Bonds Subaccount of the Retrofit Debt Service Account, was sufficient to pay the scheduled debt service payment on December 1, 2012. The funds on deposit in the 2003D and E Bonds Subaccount of the Retrofit Debt Service Reserve Account were derived from monthly deposits required to be made by the County under the terms of the County Guaranty Agreement.

On August 23, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series C and D Notes of 2007. The Trustee was required to notify the City and the County by August 1, 2010 of the amounts on deposit in the Series C Debt Service Account and the Series D Debt Service Account and the amount of the Stated Value at Maturity of the Series C Notes and the Series D Notes. In the event that the respective Stated Value at Maturity of the Series C Notes or the Series D Notes exceeded the respective amounts on deposit in the Series C Debt Service Account or the Series D Debt Service Account, the Trustee was required to instruct the City to transfer to the Trustee on or before August 15, 2010 amounts sufficient to cure such deficiency or deficiencies.

On July 30, 2010, the Trustee provided notice to the City and the County indicating that there was \$0 on deposit in the Series C Debt Service Account and the Series D Debt Service Account and further instructing the City to transfer \$23,920,000 to the Series C Debt Service Account and \$10,764,999 to the Series D Debt Service Account by August 15, 2010 in order to cure the deficiency. Upon receipt of such notice by the Trustee, the City was to transfer the required amounts to the Series C Debt Service Account or the Series D Debt Service Account by August 15, 2010.

On August 13, 2010, the City notified the Trustee that its current financial condition precluded the City from making the required transfers under the Guaranty Agreement. Upon such failure by the City under the Guaranty Agreement, the Trustee was required under the Indenture to notify the County by August 20, 2010 of the amounts on deposit in the Series C Debt Service Account, the Series D Debt Service Account, the Series C City Guaranty Subaccount and the Series D City Guaranty Subaccount. In the event that the Stated Value at Maturity of the Series C Notes or the Series D Notes exceeds the aggregate amounts on deposit in the corresponding aforementioned Accounts and Subaccounts, the Trustee was required to instruct the County to transfer to the Trustee on or before December 1, 2010 amounts to cure such deficiency or deficiencies. In accordance with the provisions of the County Guaranty Agreement, dated as of December 15, 2007 (County Guaranty Agreement), among the County, The Harrisburg Authority and the Trustee, the County agreed to transfer the required amounts to the Series C Debt Service Account and the Series D Debt Service Account by December 1, 2010.

On August 20, 2010, the Trustee provided notice to the County indicating that there was a deficiency in the Series C Debt Service Account and the Series C City Guaranty Subaccount in the amount of \$23,920,000 and a deficiency in the Series D Debt Service Account and the Series D City Guaranty Subaccount in the amount of \$10,765,000 and requesting a transfer of funds sufficient to cure such deficiencies by December 1, 2010. Upon receipt of such notice by the Trustee, the County pursuant to the County Guaranty Agreement agreed to transfer the required amounts to the Series C Debt Service Account or the Series D Debt Service Account by December 1, 2010.

On December 17, 2010, The Harrisburg Authority and the City issued a joint notice of material event with respect to The Harrisburg Authority's Series C and D Notes of 2007. The Series C Debt Service Account and the Series D Debt Service Account did not have sufficient funds on deposit on November 30, 2010 to pay the Stated Value at Maturity of the Series C Notes or the Series D Notes on December 15, 2010. In accordance with the provisions of the Indenture and the County Guaranty Agreement,

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

dated as of December 15, 2007 (County Guaranty Agreement), among the County, The Harrisburg Authority and the Trustee, the County transferred the required amounts to the Series C Debt Service Account and the Series D Debt Service Account on or about December 1, 2010. The Trustee applied such amounts deposited by the County to the Series C Debt Service Account and the Series D Debt Service Account to pay the Stated Value at Maturity of the Series C Notes and the Series D Notes on December 15, 2010. The Series C Notes and the Series D Notes are no longer outstanding.

Additionally, the County made payments in the amount of \$284,195 and \$491,458 on June 1, 2009 under the County Guaranty with respect to the Series D-1 and D-2 Cap agreement and the Series D-1 and D-2 Swap agreement, respectively. The County also made payments in the amount of \$250,430 and \$469,833 on November 27, 2009 under the County Guaranty with respect to the Series D-1 and D-2 Cap agreement and the Series D-1 and D-2 Swap agreement, respectively. The City also made a payment in the amount of \$98,322 on December 1, 2009 under the City Guaranty with respect to the Series D-1 and D-2 Swap agreement. On June 1, 2010, December 1, 2010, and June 1, 2011, the County made payments in the amount of \$804,152, \$675,762, and \$541,090, respectively, under the Swap/Cap agreements. Beginning in October 2010, the County began making monthly deposits into the Series D, E and F Debt Service Reserve Funds. These deposits have been used to make subsequent Swap/Cap payments.

The City made payments in the amount of \$637,500 during July 2009, October 2009, and January 2010 under the guaranty with respect to a construction loan from Covanta. There have been no subsequent payments to Covanta with respect to the construction loan.

Water Fund

The Harrisburg Authority's Water Facility's 2010 budget was approved by the Board in November 2010. As required under the trust indenture, the budget is required to be approved 30 days prior to the end of the calendar year and provided to the bond insurer within 120 days of year-end. Finally, management has not instituted a system to calculate the rate covenant requirement.

Under the continuing disclosure undertaking, The Harrisburg Authority has covenanted to file its secondary market disclosures within 270 days of the end of their fiscal year. Additionally, the various trust indentures require The Harrisburg Authority to submit its audited financial statements to the trustee within 180 days. On September 29, 2011 and October 4, 2012, The Harrisburg Authority issued a notice of material event with respect to the failure of The Harrisburg Authority to issue financial statements for the years ended December 31, 2010 and 2011, stating that neither were completed by the required dates.

On January 18, 2011, The Harrisburg Authority issued a notice of material event with respect to the Moody's Investor Service (Moody's) downgrade to Ba1 from A1 of The Harrisburg Authority's 2008 Water Revenue Bonds. In addition, Moody's has removed The Harrisburg Authority's 2008 Water Revenue Bonds from watchlist and a negative outlook has been assigned. On November 15, 2011, Moody's downgraded to Ba3 with negative outlook from Ba1 the rating on The Harrisburg Authority's 2008 Water Revenue Bonds and then withdrew the rating. Accordingly, The Harrisburg Authority's 2008 Water Revenue Bonds are no longer rated by Moody's.

On June 7, 2012, The Harrisburg Authority issued a notice of expiration of liquidity facility without replacement. The standby bond purchase agreement (liquidity facility), dated July 18, 2002, was due to expire on July 18, 2012. The liquidity facility provides liquidity for The Harrisburg Authority's Variable Rate Water Revenue Refunding Bonds, Series B of 2002 The Harrisburg Authority's Variable

Rate Water Revenue Refunding Bonds, Series C of 2002. The Harrisburg Authority was notified that the liquidity facility would not be extended beyond the expiration date. As a result, The Harrisburg Authority issued a request for proposal dated April 12, 2012 seeking a replacement facility or a direct loan to replace the liquidity facility. Responses to the request for proposal were due on or before May 16, 2012. The Harrisburg Authority received no responses to this request for proposal. As a result, the 2002 Bonds are expected to be subject to mandatory tender for purchase on the fifth business day preceding the expiration date or July 11, 2012. It is expected that notice of such mandatory tender will be given in accordance with terms of the Ninth Supplemental Trust Indenture dated as of July 1, 2002 between The Harrisburg Authority and the Trustee (Ninth Supplement) under which the 2002 Bonds were issued, and that the 2002 Bonds so tendered will be purchased with moneys advanced under the Liquidity Facility. It is not expected that the 2002 Bonds will be remarketed following such tender but rather it is expected that the 2002 Bonds will be held by the liquidity provider and will be subject to special mandatory sinking fund redemption on a level principal basis beginning on January 15, 2013 and on each January 15 and July 15 thereafter until July 15, 2017 in the case of the 2002B Bonds and until July 15, 2019 in the case of the 2002C Bonds. Subsequently, the 2002 Bonds were tendered and are held by the liquidity provider.

Under the 2008 Water Revenue Bond trust indenture, The Harrisburg Authority is required to maintain certain minimum balances in the 2008 Water Debt Service Reserve Fund. At December 31, 2010, The Harrisburg Authority's balance in the 2008 Water Debt Service Reserve Fund was \$6,554,589 and the required balance was \$6,942,000. The trust indenture states that if the balance in the Water operating reserve fund becomes deficient, The Harrisburg Authority is to restore the balance with twelve substantially equal monthly installments. The Water Debt Service Reserve Fund was replenished through increases in the fair value of investments.

The Harrisburg Authority was to transfer 1/12 of the next principal payment due, from the Water Revenue Fund to the 2002 Water Debt Service Fund, for the 2002 Water Revenue Bonds, Series A. These transfers did not occur in November or December of 2010. Additional transfers were required in January 2011 to provide sufficient funds to pay the January 15, 2011 interest payment.

The Harrisburg Authority was to transfer 1/12 of the next principal payment due, from the Water Revenue Fund to the 2002 Water Debt Service Fund, for the 2002 Water Revenue Bonds, Series D. These transfers did not occur in August through December of 2010. However, there were sufficient funds in the 2002 Water Debt Service Fund to pay the February 15, 2011 interest payment.

The Harrisburg Authority was to transfer 1/12 of the next principal payment due and 1/6 of the next interest payment due, from the Water Revenue Fund to the 2004 Water Debt Service Fund, for the 2004 Water Revenue Bonds. These transfers did not occur in November or December of 2010. However, there were sufficient funds in the 2004 Water Debt Service Fund to pay the January 15, 2011 interest payment.

The Harrisburg Authority was to transfer 1/12 of the next principal payment due and 1/6 of the next interest payment due, from the Water Revenue Fund to the 2008 Water Debt Service Fund, for the 2008 Water Revenue Bonds. These transfers did not occur in November or December of 2010. Additional transfers were required in January 2011 to provide sufficient funds to pay the January 15, 2011 interest payment.

Sewer Fund

The 2010 Sewer Fund Collection System and Conveyance System's consulting engineers' reports, which were due, per the trust indenture, by November 1 of each year, were not received The Harrisburg Authority until December 2010 and November 2010, respectively.

The various trust indentures require The Harrisburg Authority to submit its audited financial statements to the Trustee within 180 days. The Harrisburg Authority's financial statements for the years ended December 31, 2010 and 2011 were not completed by the required dates

Harrisburg University

Pursuant to a Trust Indenture dated as of January 1, 2007 (Indenture), The Harrisburg Authority issued its University Revenue Bonds, Series of 2007 (The Harrisburg University of Science and Technology Project) in the aggregate principal amount of \$87,915,000, comprised of its University Revenue Bonds, Series A of 2007 (The Harrisburg University of Science and Technology Project) in the aggregate principal amount of \$27,690,000 (Series A Bonds) and its University Revenue Bonds, Series B of 2007 (The Harrisburg University of Science and Technology Project) in the aggregate principal amount of \$60,225,000 (Series B Bonds, and together with the Harrisburg University Series A Bonds, the Bonds). The Series A Bonds have been paid and are no longer outstanding under the Indenture.

In order to secure the Bonds, The Harrisburg Authority assigned to the trustee under the Indenture all of its right, title and interest in and to all funds and accounts established under the Indenture (other than the rebate fund created thereunder) and the pledged revenues, as defined in the Indenture. Further, the performance of the obligations of The Harrisburg University of Science and Technology (University) under a certain Loan Agreement dated as of January 1, 2007 (Loan Agreement) by and between The Harrisburg Authority and the University is secured by a certain Open-End Mortgage and Security Agreement dated as of January 1, 2007 (Mortgage). Capitalized terms not defined herein shall have the meanings ascribed to them in the Indenture and Loan Agreement, as applicable.

The Series B Bonds are also secured by the provisions of a certain credit support agreement (Credit Support Agreement) and a guaranty agreement (Guaranty), whereby the County will undertake for a ten-year period (commencing January 1, 2010 and subject to certain earlier rights of termination) to guarantee payment of a portion of the debt service on the Series B Bonds in the maximum amount of \$1,500,000 each year over such ten-year period, for a total maximum amount of \$15,000,000.

The Series B Bonds were also secured by a certain Standby Letter of Credit issued by Metro Bank, successor to Commerce Bank/Harrisburg, National Association (Letter of Credit Bank), as of January 1, 2007 (Standby Letter of Credit) under and pursuant to a Reimbursement Agreement dated as of January 1, 2007, by and among The Harrisburg Authority, the Harrisburg University and the Letter of Credit Bank (Reimbursement Agreement). The Standby Letter of Credit was initially issued in the amount of \$3,300,000. The Standby Letter of Credit expired as of September 1, 2011. The Standby Letter of Credit has not been replaced.

The Loan Agreement provides that the University is required to make, as Loan Payments, payments which correspond, as to amounts and due dates, to the Bonds Debt Service, at least seventy-five (75) Business Days (or earlier if required by the Indenture) prior to the date when such principal, premium, if any, and interest is due and payable. By written notice dated December 5, 2011, the Trustee notified the University of its failure to make the required Loan Payment, in anticipation of the Bonds Debt Service payment due on March 1, 2012. The amount due on March 1, 2012 equaled \$1,806,650

(calculated as the amount due of \$1,806,750 minus the amount of \$100 currently on deposit in the Series B Bonds Debt Service Fund of the Indenture).

The Indenture requires that if on the sixty fifth (65th) Business Day prior to any principal or interest payment date there are not sufficient moneys in the Series B Bonds Debt Service Fund on such date to pay principal of and interest on the Series B Bonds to become due and owing on such date, the trustee shall immediately notify the County of such shortfall, not less that sixty (60) days prior to such principal or interest payment date pursuant to the terms of the Guaranty, and moneys will be transferred to the Series B Bonds Debt Service Fund from the sources described in the Indenture in an amount which, together with the amount then on deposit in the Series B Bonds Debt Service Fund, will result in the Series B Bonds Debt Service Fund having the balance required to be on deposit therein in order to pay interest and principal to become due and payable on such date. As the Standby Letter of Credit has expired, the first source available to the trustee to undertake the required transfer is the Guaranty. The trustee notified the County and the University of such deficiency by letter dated December 6, 2011.

Pursuant to the Loan Agreement, the University's failure to observe and perform a term or condition of the Loan Agreement, including its requirements as stated in the immediately preceding paragraph, for a period of 30 days after notice thereof, or such longer period as The Harrisburg Authority and the trustee may agree to in writing but in no event longer than one hundred twenty (120) days, would constitute an Event of Default. By letter agreement dated February 26, 2012, the trustee and The Harrisburg Authority agreed to extend the thirty (30) day cure period provided in the Loan Agreement by one hundred twenty (120) days, or to April 3, 2012.

Under the Credit Support Agreement, the County is required to transfer to the trustee not later than three (3) days prior to March 1, 2012, an amount equal to the amount as requested by the trustee, and in this case, \$1,500,000.

The University was not able to accomplish, in full, the Loan Payment due on March 1, 2012. As a result of such failure, and in order to satisfy the Bonds Debt Service payment due on March 1, 2012, the trustee has drawn on the Guaranty in the amount of \$1,500,000. The remainder due of \$306,650 was paid from funds of the University.

The draw on the Guaranty does not constitute an event of default under the Indenture, the Loan Agreement, the Guaranty, the Credit Support Agreement or any of the other finance documents relative to the Bonds.

Under the Credit Support Agreement, in the event that any funds paid by the County to the trustee are not returned to the County by close of business on the third business day following the debt service payment date for which such sums were advanced, the University is required to pay to the County interest on such funds, payable on demand and in any event on the date on which such funds are returned to the County, at a default rate of six (6%) percent, subject, however, to such different or additional terms as may be mutually acceptable to the University and the County.

Pursuant to section 4.2 of the Loan Agreement, the University was required to make a Loan Payment to the Trustee, in the amount of \$1,806,750 at least seventy-five (75) Business Days prior to September 1, 2012. The University failed to make that payment. Such failure constitutes an event of default under section 7.1(a) of the Loan Agreement and section 6.1(e) of the Indenture. Through the date of the notice of material event, August 17, 2012, no payments relating to the September 1, 2012 payment have been received from the University.

Harrisburg Parking Authority

The Authority bond indentures contain financial and reporting covenants. During the year ended December 31, 2010, the Authority was unable to meet Series R Bonds debt covenant requirement 6.05, which states that the Authority shall maintain in the Series R Debt Service Reserve Fund moneys and investments with a value equal to the Debt Service Reserve Requirement with respect to the Series R Bonds. The covenant also requires any deficiency in the Series R Debt Service Reserve Fund to be replenished within 12 months of the Authority's receipt of the notification of the deficiency. On May 17, 2010, \$547,494 was withdrawn from the Debt Service Reserve Fund in order to meet the May 2010 debt service payment. Beginning in June 2010, the Authority made monthly transfers of \$45,625, in an effort to replenish the Debt Service Reserve Fund within the required 12 months. The replenishments for the months of November 2010 through March 2011 were made in March 2011. As of December 31, 2010, \$319,369 of the May 2010 transfer remained due to the Debt Service Reserve Fund. On November 15, 2010, \$371,388 was withdrawn from the Debt Service Reserve Fund in order to meet the November 2010 debt service payment. As of December 31, 2010, the full balance of \$371,388 remained due to the Debt Service Reserve Fund. The replenishments for the months of December 2010 through March 2011 were made in March 2011.

In November 2010, the Authority received notice that, based upon the City's statements in the Act 47 Petition, the bond insurer concluded that an Event of Default occurred under Section 10.01(c)(ii) of the Indenture as of October 1, 2010 (the date the Act 47 Petition was filed by the City) by declaring in writing its inability to pay when due its debts generally as they become due. The bond insurer informed the trustee that under Section 7.03 of the Indenture, such Event of Default allows the insurer to control all available remedies with respect to the Series J Bonds and directs the trustee to refrain from exercising any remedies or taking any other actions with respect to the Series J Bonds unless and until directed in writing by the insurer.

On July 20, 2012, the Authority issued a material event notice stating that on July 10, 2012, The Bank of New York Mellon Trust Company, N.A. (the "Trustee"), as successor trustee with respect to the Authority's Series J Bonds, the Series O Bonds, the Series P Bonds and the Series R Bonds, provided notice to holders of the Series J Bonds, the Series O Bonds, the Series P Bonds and the Series R Bonds, of the occurrence of an Event of Default. The Trustee found that an Event of Default has occurred by reason of the City's admitting in writing that it is unable to pay its debts as they generally become due as evidenced by, inter alia, the City's admission that it was unable to pay, on March 15, 2012, the debt service payment due on certain of its general obligation debt issues which became due and payable on that date. The Trustee notified the holders that the bond insurance policies guaranteeing the scheduled payment of principal of and interest on the Series J Bonds, the Series O Bonds, the Series P Bonds and the Series R Bonds remain in full force and effect, and that, as long as each bond insurance policy remains in effect with respect to a series of Bonds, and the bond insurer for such series is not in default thereunder, neither the Trustee nor the Registered Owners have any rights to exercise any remedies respecting the series of Bonds upon the occurrence of an Event of Default, and the bond insurer has the right to direct the Trustee to exercise such remedies as it may deem appropriate and are otherwise permitted under the indenture governing the bonds.

Further notice is given that National Public Finance Guarantee Corporation ("National"), as bond insurer for the Authority's Series J Bonds, has asserted in a letter to the Trustee that National will control all available remedies with respect to the Series J Bonds and directed the Trustee to refrain from exercising any remedies or taking other actions with respect to the Series J Bonds unless and until directed in writing by National. The bond insurers for the Series O Bonds, the Series P Bonds and the

Series R Bonds have not communicated with the Authority or, to the Authority's knowledge, with the Trustee with respect to the Event of Default.

To date, there has been no default by the Authority on the payment of principal of or interest on the Series J Bonds, the Series O Bonds, the Series P Bonds or the Series R Bonds when due; consequently, the Trustee has not been required to notify the City of any payment to be made by the City under the City's guaranty. The Authority does not expect that the City's financial difficulties will negatively impact its ability to meet its obligations. Because National has not disclosed what remedies, if any, it will direct, however, no assurances can be given that such remedies will not prevent the Authority from paying its debt obligations in the future.

Redevelopment Authority of the City of Harrisburg

On March 15 2012, the Redevelopment Authority was given notice of an event of default which occurred under a trust indenture, dated as of December 1, 2001 between the Redevelopment Authority and the trustee related to the Taxable Guaranteed Revenue Bonds, Series of 2001. Pursuant to a guarantee agreement dated December 1, 2001, among the issuer, the trustee and the City, the City has guaranteed the payment of principal and interest on the bonds when due. To date, there has been no default on the payment of principal or interest on the bonds when due; consequently, the trustee has not been required to notify the City of any payment to be made by the City under the guarantee.

The event of default has occurred under Section 7.01(g)(ii) of the indenture by reason of the City admitting in writing that it is unable to pay its debts as they generally become due, as evidenced by the City's admission that it is unable to pay, on March 15, 2012, debt service on certain of its general obligation debt which became due and payable on that date.

The financial statements do not include any adjustments that might result from the outcome of this contingency.

24. LITIGATION

Primary Government

The City and its component units are involved in several lawsuits. Management of each entity believes that none of the litigation outstanding against the City or its component units will have a material adverse effect on the financial position of the City or its component units at December 31, 2010, except for The Harrisburg Authority guarantees as below.

Guarantees

The principal and interest on The Harrisburg Authority's Resource Recovery Facility debt is to be paid from revenue generated by the upgraded Incinerator. However, if the revenue generated proves insufficient to make the payments due, then the City, as first guarantor, and the County, as second guarantor of certain debt issuances, have agreed to pay any amounts which the Authority fails to pay. If the City and the County fail to make payments pursuant to their respective guaranties, then payment of the amounts due are insured by a municipal bond insurer.

With respect to certain Resource Recovery Facility debt in the combined principal amount of approximately \$218 million, certain plaintiffs claim that the City has not paid more than \$30 million dollars which it should have paid pursuant to the City's guaranties of the Resource Recovery Facility debt. The plaintiffs seek: (a) judgment against the City for the amounts which they assert that the City

should have paid, plus interest, costs of suit and attorneys' fees; (b) an order of mandamus, directing the City to pay all of the revenue which it receives to the plaintiffs until the full amount owed under the City's guaranties of the Resource Recovery Facility debt is paid; (c) an order under the Debt Act directing the City to include in its annual budget amounts due on the Resource Recovery Facility debt; and (d) an order under the Debt Act directing the City to levy taxes in an amount sufficient to pay all amounts due under its guaranties of the Resource Recovery Facility debt.

On or about November 9, 2010, the plaintiffs filed a motion for an order of mandamus and other relief under the Debt Act. The Court held a hearing on plaintiffs' motion on September 22, 2011. The parties subsequently briefed the motion and it is pending with the Court. The City has responded aggressively to the plaintiffs' complaint and to the plaintiffs' request for an order of mandamus.

The City has asserted substantial defenses to the mandamus request. In addition, the Receiver for the City appointed by the Commonwealth Court has intervened in this matter and has opposed plaintiffs' request for mandamus relief. The City believes that the request for mandamus relief should be denied.

In a separate action, with respect to certain Resource Recovery Facility debt with a maturity value of approximately \$35 million, a certain plaintiff claims the City should have deposited approximately \$35 million into the debt service account on or before August 15, 2010. When the City did not deposit these funds, a complaint was filed by the plaintiff. When such debt matured on December 15, 2010, the County paid the debt in full. The plaintiff seeks: (a) an order of mandamus, pursuant to the Debt Act, directing the City to pay all of the revenue which it receives to the plaintiff until the full amount that was due at maturity is paid; and (b) an order under the Debt Act directing the City to levy taxes in an amount sufficient to pay all amounts that were due at maturity.

On or about December 2, 2010, the plaintiff filed a motion for an order of mandamus under the Debt Act. The Court held a hearing on plaintiff's motion on September 22, 2011. The parties subsequently briefed the motion and it is pending with the Court. The City has responded aggressively to the plaintiff's complaint and to the plaintiff's request for an order of mandamus.

The City has asserted substantial defenses to the mandamus request. In addition, the Receiver for the City appointed by the Commonwealth Court has intervened in this matter and has opposed plaintiffs' request for mandamus relief. The City believes that the request for mandamus relief should be denied. Further, the City believes the plaintiff's complaint should be dismissed, and to the extent that a claim against the City for failure to make payments due on such debt exists, that the claim must be brought by the County under the related reimbursement agreement, entered into between the City and the County.

In another action, the City guaranteed the repayment of a loan made by Covanta to The Harrisburg Authority. The Harrisburg Authority and Covanta entered into a Management and Professional Services Agreement, to which Covanta agreed to help The Harrisburg Authority finish constructing the improvements to the Resource Recovery Facility and to loan The Harrisburg Authority up to \$25.5 million to be applied to the cost of the improvements' completion. The City guaranteed the repayment to Covanta of any amount which Covanta advanced to The Harrisburg Authority. Covanta alleges that it loaned The Harrisburg Authority \$21,736,000. The Harrisburg Authority then failed to make payments due on the loan on April 1, July 1, and October 1, 2010. Together, these missed payments totaled \$1,980,117. When the City also failed to make the payments pursuant to its guaranty of Covanta's loan to The Harrisburg Authority, Covanta filed a complaint against the City on October 5, 2010. In its complaint, Covanta seeks: (a) judgment against the City in the amount of \$1,912,500, plus interest, costs and attorneys' fees; (b) an order of mandamus pursuant to the Debt Act directing the City

to pay all of the revenue which it receives to Covanta until the full amount due to Covanta has been paid; and (c) an order rendering any judgment obtained by Covanta a priority judgment under the Debt Act.

On or about July 19, 2011, Covanta filed a motion for summary judgment. The parties have briefed the motion, but the Court has not yet heard argument or entered a decision.

The City intends to continue to respond aggressively to Covanta's claims. In addition, the Receiver for the City appointed by the Commonwealth Court has intervened in this matter.

The City and its elected officials, including the Mayor, members of City Council, Treasurer, and Controller, have been named in the following 2009 suit. In this litigation, the County and two individual taxpayers are seeking to enforce certain agreements entered into by the City in connection with what is known as the 2003 Retrofit Financing, including the City's guarantee agreement as well as a reimbursement agreement among the County, City, and The Harrisburg Authority. Plaintiffs' claims are premised on the City's alleged defaults in both current and prospective obligations arising under these agreements. The Court granted in part the preliminary objections of the City, permitting only the taxpayers' claim for mandamus against the Treasurer to go forward. The taxpayers sought a hearing on this claim. However, prior to such hearing, the parties agreed to continue the litigation, pending application of the Commonwealth's Act 47 recovery plan for the City. At this point, the City is unable to state whether an outcome unfavorable to the City is either probable or remote, nor is the City able to estimate the amount or range of loss, if any, in the event of an unfavorable outcome.

The City and its elected officials, including the Mayor, members of City Council, Treasurer, and Controller, have been named in the following 2009 suit. In this litigation, the County and two individual taxpayers are seeking to enforce certain agreements entered into by the City in connection with what is known as the 2007 Retrofit Financing, including the City's guarantee agreement as well as a reimbursement agreement between the County and the City. Plaintiffs' claims are premised on the City's alleged defaults in both current and prospective obligations arising under these agreements. The Court granted in total the preliminary objections of the City, dismissing the County and taxpayers' claims. However, plaintiffs appealed to the Commonwealth Court, which reversed in part the trial court's dismissal, reinstating only the County's claim for specific performance against the City, and the taxpayers' claim for mandamus against the Treasurer. The Supreme Court has since denied the City's request to consider these issues. At this point, the City is unable to state whether an outcome unfavorable to the City is either probable or remote, nor is the City able to estimate the amount or range of loss, if any, in the event of an unfavorable outcome.

The City has been named as a defendant in another suit filed in 2010 by the County. Following dismissal of its equitable claims in the 2009 case mentioned above, the County brought this suit at law, seeking damages for breach of certain obligations in connection with what is known as the 2003 Retrofit Financing, including the City bond guaranty agreement, the City swap guaranty agreement, and the reimbursement agreement. The County has demanded damages in the amount of \$6,743,197, plus costs, fees, expenses, and interest. The City has answered the complaint, setting forth its defenses. At this point, the City is unable to state whether an outcome unfavorable to the City is either probable or remote, nor is the City able to estimate the amount or range of loss, if any, in the event of an unfavorable outcome.

The City has been named as a defendant in an additional suit filed in 2011. Following dismissal of its equitable claims in the 2009 case mentioned above, the County brought this suit at law, seeking damages for breach of certain obligations in connection with what is known as the 2003 Retrofit

Financing, including the retrofit indenture, the City swap guaranty agreement, and the reimbursement agreement. The County has demanded damages in the amount of \$675,762 plus costs, fees, expenses, and interest. The City has answered the complaint; setting forth its defenses. At this point, the City is unable to state whether an outcome unfavorable to the City is either probable or remote, nor is the City able to estimate the amount or range of loss, if any, in the event of an unfavorable outcome.

If these matters are not resolved, then the City may face a substantial financial loss. At December 31, 2010, amounts paid by the second guarantor and bond insurer through December 31, 2010 are presented on the statement of net assets and the balance sheet as due to the respective organizations. In addition, approximately \$234 million, the principal amount of the guaranteed Resource Recovery Facility debt outstanding at December 31, 2010, net of applicable debt service reserve funds, has been accrued as a contingent liability.

Debt

A municipal bond insurer insures the bondholders of general obligation bonds issued by the City in 1997, to which the City is in the process of repayment. In March 2012, the City missed its scheduled debt service payment on the bonds in the amount of \$5,265,000 at the direction of the former Receiver for the City, and subsequently the insurer proceeded pursuant to its subrogation rights against the City to recover amounts that were due under the bonds and remedies under the Debt Act including mandamus. The insurer filed its complaint on April 6, 2012. The insurer has granted several extensions to the City to file a responsive pleading. Presently, the City has a deadline of the end of December 5, 2012 to file a responsive pleading.

The City will assert a vigorous defense against the effort of the plaintiff to obtain a mandamus order against the City as such an order would disable the City from being able to provide essential services and seriously compromise the Recovery Plan, which the Receiver is attempting to implement.

Although there is little likelihood, if any, that the City can prevent judgment from being entered against the City, the City remains hopeful that the Court will not order mandamus against the City. The City also expects the Receiver's Office to intervene and argue that mandamus relief would interfere with their attempts to effectuate an economic recovery plan for the City.

Other

On December 7, 2010, certain plaintiffs filed a complaint against numerous defendants, including the City's Mayor, regarding the alleged "rescission" of their employment contracts with the School District. With regard to the City's Mayor, the complaint alleged that the Mayor had violated the plaintiff's due process rights.

On January 14, 2011, the named defendants jointly removed the case to the United States District Court for the Middle District of Pennsylvania. On February 11, 2011, the Mayor filed a motion to dismiss the plaintiff's due process claim for failure to state a claim for which relief could be granted. On March 8, 2011, the Mayor filed a subsequent motion to dismiss the plaintiff's amended complaint again for failure to state a claim for which relief could be granted. On September 22, 2011, the court dismissed the plaintiff's claim against the Mayor and also dismissed the Mayor from the action entirely.

On January 27, 2012, the School District filed a joinder complaint against third-party defendants, including the City's Mayor under the same matter. The joinder complaint alleged a civil conspiracy claim and a tortious interference with contract claim against the Mayor and another of the defendants. Essentially, the theory of the joinder complaint is that if the School District were found to be liable to

the plaintiffs, it would only be because of alleged wrongdoing on the part of the third-party defendants. Thus, the School District argues that any potential liability should shift to the third-party defendants, including the Mayor.

On February 28, 2012, the Mayor filed a motion to dismiss the joinder complaint for failure to state a claim for which relief could be granted. On May 7, 2012, the court dismissed the tortious interference with contract claim against the Mayor, but did not dismiss the civil conspiracy claim. Thus, the only pending litigation regarding the Mayor is the third-party civil conspiracy claim filed by the School District.

Currently, all attempts at settlement have failed. At this time, the Mayor has no intention to seek a settlement. Therefore, the City is preparing to contest the case vigorously as the City believes the City will prevail should the case go to trial. Due to the broad range of relief requested by the plaintiffs, it is impossible to predict the potential financial loss, if any, should the City not prevail at trial.

The City's insurance company has refused coverage in this matter, citing an exception in the City's policy. The City is disputing the insurance company's claim that the City is not covered. Whether the City prevail in its dispute with the insurance company regarding coverage may impact the City's exposure.

In another matter, a number of contractors that provided construction services to the developer of the Capital View Commerce Center (CVCC Project) have asserted claims against the City and a financial institution (Bank), both of which were involved in financing for the CVCC Project. Plaintiff contractors claim that they have not been paid by the developer of the CVCC Project and that, on a variety of legal theories, they are entitled to payment directly by the City and the Bank. The City has asserted preliminary objections to the contractors' claims, including that the Court lacks jurisdiction and that the claims asserted by the plaintiff contractors have no legal merit. The City's preliminary objections have been briefed and argued to the Court, which has not indicated when it will render its decision. At this point, the City is unable to state whether an outcome unfavorable to the City is either probable or remote, nor is the City able to estimate the amount or range of loss, if any, in the event of an unfavorable outcome.

On November 3, 2010, the United States Securities and Exchange Commission (SEC) issued a formal order of investigation in the matter of City municipal bonds. This "Order Directing Private Investigation and Designating Officers to Take Testimony" (Formal Order) stated that the SEC has information regarding possible violations, including securities fraud, by certain persons "from at least January 2008 to the present," of Section 17(a) of the Securities Act and Section 10(b) of the Securities Exchange Act, and Rule 10b-5 thereunder, in connection with the offer, purchase or sale of securities. The effect of the Formal Order was to initiate a "private investigation" under Section 20(a) of the Securities Act and Section 21(a) of the Exchange Act "to determine whether any persons or entities have engaged in, or are about to engage in, any of the reported acts or practices or any acts or practices of similar purport or object" to those reported in the Formal Order. The SEC commenced this private investigation shortly thereafter and has subpoenaed documents from the City and third parties, and has taken the testimony of current and former City officials and employees, and of third parties.

Legal counsel for the City has participated in settlement negotiations with the SEC, and the parties have agreed in principle on terms that will result in a settlement of the matter in SEC administrative cease and desist proceedings. In these proceedings, the City will consent to the SEC's administrative finding of numerous securities law violations, including securities fraud in violation of Section 10(b) of the Exchange Act and Rule 10b-5 thereunder, but will neither admit nor deny that the City and/or City

officials or employees committed any of the violations found by the SEC, and will not be required to pay any financial penalty or other costs. The parties are currently awaiting the SEC Commissioners' final approval of the settlement. At this point, the City is unable to state whether an outcome unfavorable to the City is either probable or remote, nor is the City able to estimate the amount or range of loss, if any, in the event of an unfavorable outcome.

The City is party to a suit arising from the City's economic development and transportation project commonly known as the Southern Gateway Project. Plaintiffs sought a declaration that a de facto taking had occurred as a result of the City's publicity of the project and payment of just compensation for the property. The lawsuit also seeks statutorily authorized damages in the form of attorneys' fees and other costs and fees.

The court issued an order declaring a de facto taking occurred and issued an award of just compensation in the amount of \$530,000. The Court also appointed a special master to determine the supplemental damages to which Plaintiffs were entitled. The Special Master issued a decision on December 30, 2009, awarding statutory interest in the amount of \$66,250 and other costs and fees in the amount of \$45,053, if paid as of December 31, 2009, for a total award of \$641,303. Subsequently, the City entered into a settlement agreement dated June 29, 2010 to pay the damages over a two-year period. The agreement called for the City to pay \$320,652 on or before July 9, 2010, and then to pay \$320,652 plus additional interest and additional attorneys fees incurred after the special master's decision on or before July 1, 2011. The total amount of the second installment was \$371,295. The City has satisfied the judgment, and the Plaintiffs filed a discontinuance of the action, such that the City owns the property in fee simple with no liens. The case is closed as of November 2, 2011.

A paving contractor that performed a major street paving project for the City in 2008 is seeking damages in the form of a price escalation clause that they allege was incorporated into the contract. The City has taken the position that the contractor was bound to the prices included in their bid, and that there was no price escalation clause in the contract. The City has responded to the plaintiff's requests for discovery. The plaintiff filed a motion for summary judgment, to which the City filed a response. The Court ruled in the City's favor denying the plaintiff's motion for summary judgment by Order of Court dated May 19, 2011. Because of the bankruptcy filing of City Council in October 2011, and subsequently due to the confirmation of a Receiver, the contractor and the City have agreed to a temporary stay in this case until September 2012. Since September, the plaintiff has made no attempt to lift the stay. The City has and will continue to vigorously defend this lawsuit and believes it is reasonably possible that the City will prevail. This case amounts to approximately \$250,000.

The United States Environmental Protection Agency (EPA) has issued an order against the City under the Clean Water Act, requiring the City to provide certain information dating back to 2006 in response to EPA inquiries into the issues involving the City's combined sewer overflows and its municipal separate storm system program. The EPA has issued a letter stating that they believe the City is in violation of the Clean Water Act and other regulatory mandates. The City, The Harrisburg Authority, and the EPA are parties to a tolling agreement that allows for the City and The Harrisburg Authority to negotiate a resolution to the violations to avoid monetary penalties. There is a good possibility that these negotiations could result in a consent decrees in which the City, The Harrisburg Authority, and the EPA agree to a timeline for the City and The Harrisburg Authority to come into regulatory compliance.

An attorney has been retained by the municipalities with whom the City has an agreement to transport and treat sewage, and from whom the City collects fees for such transportation and treatment. The municipalities allege that the City has overcharged for at least 10 years evidenced by the alleged

excessive transfer of "administrative fees" from the sewer fund into the City's general fund. The municipalities claim they are owed approximately \$15 million in reimbursement. Recently, the municipalities have begun to submit fees that are at the previous lower rate. The City expects that resolution of these possible claims will be incorporated into the recovery plan and has not accrued amounts due back to the sewer fund or to the surrounding municipalities for the alleged overcharge. At this point, the City is unable to state whether an outcome unfavorable to the City is either probable or remote, nor is the City able to estimate the amount or range of loss, if any, in the event of an unfavorable outcome.

Component Units

The Harrisburg Authority

The Harrisburg Authority had contractual relations with several vendors who completed the Resource Recovery Facility. These vendors were to be paid through a draw down from a construction advance provided by Covanta. Covanta failed to advance funds to pay these vendors when The Harrisburg Authority failed to reimburse Covanta on the advance, and the City failed under its guaranty of The Harrisburg Authority reimbursement. The Harrisburg Authority has been unable to pay the vendors since it does not believe the vendors costs are properly termed "operating expenses" and thus cannot be paid prior to debt service. The Harrisburg Authority has no defense to the claims as the work was approved by Covanta, The Harrisburg Authority, and The Harrisburg Authority's consulting engineer on the job. All have, at some point, demanded payment. One vendor has initiated a lawsuit. The Harrisburg Authority has stipulated to judgments of three vendors in the principal amount of \$1,021,985 plus interest and court costs. Only one of the three vendors has sought payment through mandamus at this point. This vendor seeks an order that The Harrisburg Authority pay immediately. While not contesting the work or the right of each vendor to be paid, The Harrisburg Authority believes the vendors should be paid by Covanta through draw downs from the Covanta construction advance. Furthermore, The Harrisburg Authority recognizes the rights of the bond trustees, which hold security interests in the Resource Recovery Facility revenues and has resisted paying the vendors ahead of debt service obligations. The Harrisburg Authority has involved the trustees in discussions and litigation at this point. The Harrisburg Authority seeks to have the Court consider the equities and all interested parties and set forth a plan to get all vendors paid the amounts due. The Harrisburg Authority believes the law supports such an outcome. No trial date has been set on the mandamus action. The Harrisburg Authority has a reasonable and valid basis for the positions it has taken. The principal amount due is accrued on The Harrisburg Authority's December 31, 2010 financial statements and may be handled through payment via a plan under Act 47, as amended.

There is one pending case in which a subcontractor of Barlow, unable to collect from Barlow for work performed at the Resource Recovery Facility, has sued The Harrisburg Authority, in the amount of \$529,550 plus interest, costs, etc. The Harrisburg Authority has no contractual privity with this subcontractor. The Harrisburg Authority does not believe it is liable under the law and is defending this case vigorously. The Harrisburg Authority believes it has a reasonable position on the cross-motions, which may result in dismissal of the case. As such, no liability for this case is reported in The Harrisburg Authority's December 31, 2010 financial statements.

During the years ended December 31, 2011 and 2012, The Harrisburg Authority conducted a forensic audit of the debt financings related to the Resource Recovery Facility. The Harrisburg Authority is evaluating the results of the forensic audit and any related outcome is subject to significant uncertainty.

The County is seeking \$6,743,197 as of October 26, 2010 for reimbursement of payments it made as guarantor of Swap Payments in June and December of 2009, June 2010, and payments under Retrofit Indentures, Series D and E of 2003. The County also demands interest and costs. On February 15, 2011, the County is seeking \$675,762 for reimbursement of payments made as guarantor of Swap Payments made in December 2010. The pleadings are closed and the case has been inactive. No trial date has been set. The Harrisburg Authority has defended by asserting that the County has frustrated The Harrisburg Authority's ability to charge rates that would have allowed it to meet its debt service. The Harrisburg Authority has also raised that the County has not been diligent in enforcing flow control ordinance, thus costing The Harrisburg Authority tipping fees, that otherwise would have been recovered. The Harrisburg Authority will defend itself vigorously. The Harrisburg Authority believes that it has a reasonable and valid basis for its position. The loss may be handled through payment via a plan under Act 47 (Municipalities Financial Recovery Act), as amended.

The Trustees of bondholders and bond insurer have made a claim against The Harrisburg Authority to recover amounts The Harrisburg Authority has not paid by under its various debt service obligations. Plaintiffs further seek all costs and attorneys fees associated with The Harrisburg Authority default and that these costs and fees be a "first draw" on Resource Recovery Facility revenues. The Lower Court granted the request for a receiver which The Harrisburg Authority appealed and which is pending before the Commonwealth Court. Plaintiffs may seek payment of its costs and fees if a receiver is appointed. The portion of the claim requesting monetary relief has been inactive and no trial date has been set. The Harrisburg Authority has responded to the claim for monetary relief in two ways. First, for the claims of the bond trustees, The Harrisburg Authority has defended that any amounts paid by the County cannot be recovered, and that the only rights to reimbursement are the County's under its Reimbursement Agreement. There does not appear to be a dispute that the bond insurer paid under its bond insurance policy, thus there is a likelihood that the insurer's claim for reimbursement will be successful. The potential loss is in excess of \$9 million. The Harrisburg Authority believes there is a reasonable and valid basis for its position as to the Trustee/Plaintiffs' claim for payment. The Harrisburg Authority believes Plaintiffs' claims for costs and fees to be excessive and may challenge certain portions of the claim for costs. The amount due may be handled through payment via a plan under Act 47, as amended.

Unless resolved through a plan under Act 47, it is likely that for each payment the County or the bond insurer make as guarantor and insurer, respectively, they will make a claim against The Harrisburg Authority for the amounts paid as well as costs and attorneys. As of November 5, 2012, the County and bond insurer have made payments to cover The Harrisburg Authority's debt service of \$48,737,813 and \$12,040,646, respectively

Harrisburg Parking Authority

On January 11, 2007, the Authority entered into an agreement with Harrisburg University of Science and Technology (University), whereby the Authority intends to purchase a condominium unit in a building to be constructed by the University. The condominium unit consists of seven floors of parking facilities which will include approximately 392 parking spaces. The total purchase price of this unit is \$14,000,000, which was financed through the issuance of the Guaranteed Parking Revenue Bonds, Series R of 2007. The agreement required an earnest money deposit in the amount of \$100,000 payable upon execution of the agreement and twenty-four equal monthly payments of \$579,167, commencing January 2007. As of December 31, 2010, \$14,000,500 represents the Authority's portion of equitable ownership interest in the property. All required payments have been made as of December 31, 2010.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

In addition to the aforementioned agreement, the Authority also entered into an Option to Purchase agreement with the University on January 11, 2007, whereby the Authority agrees to lease three hundred parking permits to the University for the right to park in the condominium unit. The agreement commences when the construction of the garage is complete and when the legal title to the parking units has been conveyed to the Authority. The first year's rent for the leased spaces will be the fair market rate, multiplied by 300 for parking spaces located within the central business district parking garages owned and operated in the City by the Authority. The Authority also grants the University a total of five options to purchase the parking units, the first option commencing on January 11, 2017, and the remaining options commencing on each succeeding five-year anniversary date. The options shall be exercisable with at least six months' advance written notice by the University to the Authority. The period of this agreement is thirty years.

On, January 27, 2010, the Authority filed a material event notice. A portion of the funds derived from the Series R Bonds are being used by the Authority to acquire a condominium unit in a building constructed by the University. The condominium unit consists of seven floors of parking facilities which will include approximately 392 parking spaces. Under the parking license, in any year in which revenues from operation of the parking facility fail to meet the Authority's debt service requirements on the Series R Bonds and the operation and maintenance costs of the parking facility, the University is required to pay the difference up to an annual cap (HU Subsidy) to the Authority.

Under the Indenture, the Authority agreed to pay debt service on the Series R Bonds from a debt service account funded, in part, with revenues of the parking facility, including the HU Subsidy and other payments to be made by the University under the parking license. In the event of a shortfall in the debt service account, the Authority agreed to pay debt service from a debt service reserve account.

Despite demand, the University failed to make the first payment of the HU Subsidy on or before November 10, 2009, as required by the parking license. To avoid a draw on the debt service reserve account to make the debt service payment on November 15, 2009, the Authority deposited money from its general fund into the debt service account. During the years ended December 31, 2011 and 2010, the University failed to make any payments of the HU Subsidy, as required by the parking license. As mentioned previously, the Authority withdrew a total of \$918,882 from the Debt Service Reserve Account during the year ended December 31, 2010 in order to make the debt services payments on May 15, 2010 and November 15, 2010. The Authority withdrew a total of \$523,464 from the Debt Service Reserve Account during the year ended December 31, 2011 in order to make the debt service payment on May 15, 2011. The Authority transferred \$574,454 from its main checking account in order to make the debt service payment on November 15, 2011. If the University fails to make future debt service payments on the Series R Bonds, the debt service payments will continue to be paid from the Debt Service Reserve Fund or the main checking account. As of December 31, 2011, settlement regarding the amount of the HU Subsidy is pending.

At December 31, 2011, the Authority was unable to meet Series R Bonds debt covenant requirement 6.05. On May 16, 2011, \$523,464 was withdrawn from the Debt Service Reserve Fund in order to meet the May 2011 debt service payment. Beginning in June 2011, the Authority made monthly transfers of \$74,572, in an effort to replenish the Debt Service Reserve Fund within the required 12 months. As of December 31, 2011, \$217,979 of the May 2011 transfer remained due to the Debt Service Reserve Fund. As a result of the deficiency in the Debt Service Reserve Fund, the Authority was unable to withdraw funds for the November 2011 debt service payment. On November 14, 2011, \$574,454 was transferred from the Authority's main checking account in order to meet the November 2011 debt service payment.

On May 23, 2012, despite demand, the University failed to make the payment of the HU Subsidy on or before May 10, 2012, as required by the parking license. As a result, there were insufficient funds in the debt service account to make the debt service payment due May 15, 2012. A total payment of \$729,954 was due to the bondholders on May 15, 2012, and such amount was transferred by the Trustee to the debt service account from other available funds of the Authority.

On January 18, 2011, the Authority received notice that Moody's Investor Service downgraded its rating on the Authority's Series T of 2007 Bonds to "Ba3" from "Baa2". In addition, a "negative outlook" was assigned to the rating on the Series T of 2007 Bonds. Per Moody's disclosure, such rating downgrade was due to the City filing for Act 47.

In February 2012, the Authority issued a notice of mandatory tender for exchange, stating that the Authority called for mandatory tender for exchange on March 8, 2012 all of the outstanding principal amount of the Series U-1 Bonds. Pursuant to the terms of the Series U-1 Bonds and the indenture, the federally taxable period for the Series U-1 Bonds terminated as of March 1, 2012. The federally taxable Series U-1 Bonds were to be exchanged on the mandatory tender date for federally tax-exempt Series U-1 Bonds, which bear interest at a rate of 8.5%, pursuant to the terms of the indenture.

25. TRANSACTIONS WITH COMPONENT UNIT

In accordance with the respective Articles 5 of the Second Supplemental Agreement of Lease, as amended by the Third and Fourth Supplemental Agreement of Lease and the Collection System Lease between The Harrisburg Authority and the City of Harrisburg, Pennsylvania, the City is, at the end of each lease year, required to accumulate amounts in the sewer revenue accounts, after withdrawals for operating expense obligations, until the balance is such that the reserve shall equal the sum of (1) one-half of the lease rental due under the next lease year, and (2) one-half of the annual operating expenses as estimated by the consulting engineers, for the next succeeding lease year. Additionally, after the required reserve balance is attained, the City is required to pay any excess funds to The Harrisburg Authority within 190 days after the end of the year. The City may withdraw funds from the reserve account to satisfy lease payments as required by the Collection System Lease agreement. The City's required reserves in excess of funds available at December 31, 2010 were \$3,579,283.

26. RESTATEMENT

The Harrisburg Authority

Effective January 1, 2010, The Harrisburg Authority adopted GASB Statement No. 51, "*Accounting and Financial Reporting for Intangible Assets*." This Statement requires that all intangible assets not specifically excluded by its scope provisions be classified as capital assets. During the year ended December 31, 2005, The Harrisburg Authority purchased a nonexclusive license for the use of the combustion technology, which was to be installed in the Resource Recovery Facility. The transaction, more fully described in Note 15, resulted in the purchase of an intangible asset and a capital lease. However, the license was considered impaired at December 31, 2009 and is deemed to have no value, as the technology underlying the license is not being used. The capital lease related to the license has been recorded at the outstanding balance as of December 31, 2009 of \$15 million plus accrued interest through December 31, 2009 of \$1,488,575.

Effective January 1, 2010, The Harrisburg Authority adopted GASB Statement No. 53, "*Accounting and Financial Reporting for Derivative Instruments*." This Statement addresses the recognition, measurement, and disclosure of information regarding derivative instruments entered into by state and

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

local governments. The Statement specifically requires governments to measure most derivative instruments at fair value in their financial statements. The standard requires that accounting changes to conform with the provisions of this Statement be applied retroactively. At December 31, 2009, the fair value of The Harrisburg Authority's derivative transactions were derivative assets of \$6,857,126 and derivative liabilities of \$7,829,070, resulting in a net decrease in beginning net assets of \$971,944.

Beginning net assets as of December 31, 2009 were restated to comply with the provisions of these statements as follows:

Net assets, December 31, 2009, as originally reported	\$ (168,684,953)
Restatement for GASB 51	(16,488,575)
Restatement for GASB 53	<u>(971,944)</u>
Net assets, December 31, 2009, as restated	<u>\$ (186,145,472)</u>

Redevelopment Authority of the City of Harrisburg

The Redevelopment Authority implemented GASB Statement No. 51, "Accounting and Financial Reporting for Intangible Assets." The right to building is specifically excluded from this Statement. Therefore, the Redevelopment Authority applied GASB Statement No. 31, "Accounting and Financial Reporting for Certain Investments and for External Investment Pools," to this transaction. The requirements of GASB Statement No. 31 provide for the right to building to be accounted for at amortized cost. The Redevelopment Authority has restated net assets by \$20,369,411, the cost paid for the right in 1998. No amortization was required to be recorded through December 31, 2010. This restatement increased the net assets reported at December 31, 2009 from (\$35,661,779) to (\$15,292,368).

27. SUBSEQUENT EVENTS

The Combined Police Pension Plan's funds are invested in various types of financial instruments. This diversification of the investment portfolio serves to assist in mitigating the various types of risks associated with different types of financial instruments. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments could occur in the near-term and that such a change could materially affect the amount reported on the statement of fiduciary net assets.

Subsequent events with respect to material event notices, debt related items, and receivership and financial recovery plan are included in the respective notes.

In March 2011, The Harrisburg Authority entered into a professional services agreement with respect to The Harrisburg Authority's sewer facility, for technical services, in an amount not to exceed \$2.871 million. The contract includes a provision whereby The Harrisburg Authority will give notice to proceed at each defined phase of the service. In March 2012, The Harrisburg Authority entered into a second professional services agreement with respect to The Harrisburg Authority's sewer facility, for technical services related to Phase 2 design, in the amount of \$937,000.

In April 2011, The Harrisburg Authority applied for a PennVest loan, in the amount not to exceed \$5.7 million for the purpose of financing The Harrisburg Authority's water system improvements. As of the date of this report, this loan has not settled.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO BASIC FINANCIAL STATEMENTS
DECEMBER 31, 2010

In August 2011, The Harrisburg Authority entered into an agreement with Covanta to manage all aspects of the air heater project at the Resource Recovery Facility, at an estimated cost of \$1.2 million for both units.

In March 2012, The Harrisburg Authority entered into an agreement with respect to the Resource Recovery Facility for sitework for the ash disposal landfill interim grading plan project, in an amount not to exceed \$3,798,930.

In September 2011, the Authority issued the “Harrisburg Parking Authority Tax Convertible Parking Revenue Bonds, Series U of 2011” (Series U Bonds) principal amount of \$10,645,000 (less an original issue discount of \$212,900) with an interest rate of 10.75% during the Federally Taxable Period, to provide for the financing of certain improvements to the Walnut Street Garage, including reimbursement of certain costs paid by the Authority; financing of certain change orders to the Harrisburg University Garage; prepaying of rent to the City for an extension of the lease for the Walnut Street Garage, Chestnut Street Garage, and Fifth Street Garage; and paying the costs of issuing the bonds. Series U Bonds are collectively comprised of three subseries; “Series U-1 Bonds” principal amount of \$7,885,000, “Series U-2 Bonds” principal amount of \$2,135,000, and “Series U-3 Bonds” principal amount of \$625,000. In February 2012, the Series U-1 Bonds converted from a 10.75% interest rate to a federally tax-exempt obligation rate of 8.50% on the bonds.

The City receives State Aid from the Commonwealth of Pennsylvania in accordance with the Municipal Pension Plan Funding and Recovery Act (Act 205 of 1984). The City received \$1,880,796 of State Aid on September 30, 2011; however, these funds were not deposited to the Plan until March 29, 2012.

Subsequent to year-end, the Redevelopment Authority amended the terms of the conduit debt agreement to purchase real estate tax liens from the Harrisburg School District. The line of credit was increased from \$7.5 million to a maximum of \$8 million. In addition, the total additional indebtedness incurred under the note was \$5,189,362. Under the terms of the agreement, the Authority is not obligated for repayment of the line of credit as a result of the security agreement with the bank.

In June 2011, the Authority was awarded a \$2.5 million Redevelopment Assistance Capital grant from the Commonwealth of Pennsylvania. The grant is to be used for the Furlow Building redevelopment, a project with projected costs of approximately \$5 million. The grant terminates on January 31, 2016.

In October 2012, the City was awarded and received a \$1.95 million PA DCED Financial Assistance Grant to fund for: Police and Fire protection services salaries, wages, FICA, and health benefits totaling \$1.75 million; and for 2010 and 2011 audit preparation professional consulting support totaling \$200,000.

CITY OF HARRISBURG, PENNSYLVANIA

**NOTES TO REQUIRED SUPPLEMENTARY INFORMATION – BUDGETARY COMPARISON
SCHEDULE**

YEAR ENDED DECEMBER 31, 2010

REQUIRED SUPPLEMENTARY INFORMATION

1. BUDGETARY DATA

Annual budgets are legally adopted for the General Fund, Debt Service Fund, State Liquid Fuels Tax Fund (nonmajor governmental fund), and for the Sewer (net of applicable activity of The Harrisburg Authority), and Sanitation Funds. Budgets for governmental funds are prepared on a cash basis with respect to revenues and on an item voucher basis with respect to expenditures. Specific funds exempted from legally adopted budgetary requirements include:

- Grant Programs Fund
- Capital Projects Fund
- Parks and Property Improvement Fund (nonmajor governmental fund)
- Harrisburg Senators Fund
- Incinerator Fund

Over 30 different grant programs, which are accounted for in the grant programs fund, are administered under project budgets determined by contracts with state and federal grantor agencies. Effective expenditure control is achieved in the Capital Projects Fund through debt provisions and supplemental appropriations of City Council. Controls over spending in the Parks and Property Improvement Fund (a nonmajor fund) is achieved by the use of internal spending limits.

The actual results of operations presented in accordance with accounting principles generally accepted in the United States of America differ from the budgetary basis used in preparation of the 2010 budget for governmental funds. The budget for the General Fund was prepared on a cash basis with respect to revenues and on an item voucher basis with respect to expenditures. For the purpose of preparing the Budgetary Comparison Schedule – Budgetary (Non-GAAP) Basis – General Fund, the actual results of operations have been presented on a budgetary basis consistent with the City's budgeted revenues and expenditures.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION – BUDGETARY COMPARISON
SCHEDULE
YEAR ENDED DECEMBER 31, 2010
REQUIRED SUPPLEMENTARY INFORMATION

A reconciliation of the differences between the budgetary basis and GAAP basis financial statements of the General Fund is as follows:

	Fund Balance, Beginning of Year	Revenues	Expenditures	Financing Sources (Uses) and Equity Transfer	Fund Balance, End of Year
Budgetary basis	\$ 6,978,577	\$ 55,640,111	\$ (48,965,334)	\$ (9,898,650)	\$ 3,754,704
Taxes receivable	7,565,523	2,100,644	-	-	9,666,167
Accounts Receivable	156,809	(8,842)	-	-	147,967
Other assets	53,306	-	(6,259)	-	47,047
Accounts payable, net of items vouchered	(74,261)	-	(1,291,716)	-	(1,365,977)
Accrued liabilities	(3,993,392)	403,772	(44,911,074)	-	(48,500,694)
Advances and amounts due to other funds and component units	713,953	115,170	554,760	-	1,383,883
Deferred revenue	(10,012,392)	(1,711,565)	-	-	(11,723,957)
Other	2,625,694	(973,792)	152,336	946,048	2,750,286
GAAP basis	<u>\$ 4,013,817</u>	<u>\$ 55,565,498</u>	<u>\$ (94,467,287)</u>	<u>\$ (8,952,602)</u>	<u>\$ (43,840,574)</u>

2. BUDGET TO ACTUAL COMPARISONS

The General Fund's budget comparison is presented in the Other Required Supplementary Information section. The State Liquid Fuels Tax Fund (a nonmajor fund) and major debt service fund budget comparisons are presented in the combining section. On the bottom of these comparisons is a demonstration of the adjustments necessary to reconcile to the GAAP change in fund balance/net assets.

3. COMPLIANCE

Because the legal level of budgetary control is so detailed that it is not practical to demonstrate compliance within this document, the City has prepared a separate budgetary report to demonstrate compliance at the line item level. However, there was an instance where the City exceeded the budgeted expenditure amount on a line item level.

City of Harrisburg, Pennsylvania

Federal Award Programs in Accordance
with OMB Circular A-133

Year Ended December 31, 2010

Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

The Honorable Linda D. Thompson, Mayor
and Honorable Members of City Council
City of Harrisburg, Pennsylvania

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Harrisburg, Pennsylvania, as of and for the year ended December 31, 2010, which collectively comprise the City of Harrisburg's basic financial statements and have issued our report thereon dated December 18, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The financial statements of The Harrisburg Authority, the Harrisburg Parking Authority, and the Coordinated Parking Fund were not audited in accordance with *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the City of Harrisburg's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Harrisburg's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City of Harrisburg's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses and one other deficiency that we consider to be a significant deficiency.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the City of Harrisburg's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying schedule of findings and questioned costs as Findings 2010-01, 2010-02, 2010-03, 2010-04, 2010-05, 2010-06, and 2010-07 to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with

The Honorable Linda D. Thompson, Mayor
and Honorable Members of City Council
City of Harrisburg, Pennsylvania
Independent Auditor's Report on Internal
Control over Financial Reporting and on Compliance
and Other Matters

governance. We consider the deficiency described in the accompanying schedule of findings and questioned costs as Finding 2010-08 to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Harrisburg's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as Findings 2010-03 and 2010-06.

We noted certain other matters that we have reported to management of the City of Harrisburg, Pennsylvania, in a separate letter dated December 18, 2012.

* * * * *

The City of Harrisburg's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit the City of Harrisburg's responses and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the audit committee, management, the Honorable Mayor, Members of City Council, others within the City, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Maher Duessel

Harrisburg, Pennsylvania
December 18, 2012

Independent Auditor's Report on Compliance with Requirements That Could
Have a Direct and Material Effect on Each Major Program and on Internal Control over
Compliance in Accordance with OMB Circular A-133

The Honorable Linda D. Thompson, Mayor
and Honorable Members of City Council
City of Harrisburg, Pennsylvania

Compliance

We have audited the City of Harrisburg, Pennsylvania's compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 *Compliance Supplement* that could have a direct and material effect on each of the City of Harrisburg, Pennsylvania's major federal programs for the year ended December 31, 2010. The City of Harrisburg's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the City of Harrisburg's management. Our responsibility is to express an opinion on the City of Harrisburg's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Harrisburg's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the City of Harrisburg's compliance with those requirements.

As described in Findings 2010-09 and 2010-10 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding cash management that are applicable to its Community Development Block Grant - Entitlement Grants Cluster, Home Investment Partnerships Program, and Public Safety Partnership and Community Policing Grants. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to those programs.

As described in Finding 2010-11 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding eligibility that are applicable to its Lead-Based Paint Hazard Control. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to this program.

The Honorable Linda D. Thompson, Mayor
and Honorable Members of City Council
City of Harrisburg, Pennsylvania
Independent Auditor's Report on Compliance
with Requirements That Could Have a Direct
and Material Effect on Each Major Program

As described in Finding 2010-12 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding procurement that are applicable to its Community Development Block Grant – Entitlement Grants Cluster and Lead-Based Paint Hazard Control. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to those programs.

As described in Finding 2010-13 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding suspension and debarment that are applicable to its Community Development Block Grant - Entitlement Grants Cluster, Home Investment Partnerships Program, and Lead-Based Paint Hazard Control. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to those programs.

As described in Findings 2010-14, 2010-15, and 2010-16 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding reporting that are applicable to its Community Development Block Grant - Entitlement Grants Cluster, Home Investment Partnerships Program, Homelessness Prevention and Rapid Re-Housing Program, Lead-Based Paint Hazard Control, Public Safety Partnership and Community Policing Grants, and National Urban Search and Rescue Response System. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to those programs.

As described in Finding 2010-17 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding subrecipient monitoring that are applicable to its Community Development Block Grant – Entitlement Grants Cluster. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to this program.

As described in Finding 2010-18 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding maintaining a public registry of units in which lead hazard control work was performed that are applicable to its Lead-Based Paint Hazard Control. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to this program.

As described in Finding 2010-19 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding written agreements with unit owners or tenants of units that are applicable to its Lead-Based Paint Hazard Control. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to this program.

As described in Finding 2010-20 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding testing of elevated blood lead levels that are applicable to its Lead-Based Paint Hazard Control. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to this program.

The Honorable Linda D. Thompson, Mayor
and Honorable Members of City Council
City of Harrisburg, Pennsylvania
Independent Auditor's Report on Compliance
with Requirements That Could Have a Direct
and Material Effect on Each Major Program

As described in Finding 2010-21 in the accompanying schedule of findings and questioned costs, the City of Harrisburg, Pennsylvania did not comply with requirements regarding final inspections that are applicable to its Lead-Based Paint Hazard Control. Compliance with such requirements is necessary, in our opinion, for the City of Harrisburg, Pennsylvania to comply with the requirements applicable to this program.

In our opinion, because of the effects of the noncompliance described in the preceding paragraphs, the City of Harrisburg, Pennsylvania, did not comply, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on the Lead-Based Paint Hazard Control for the year ended December 31, 2010. For all other major programs, in our opinion, except for the noncompliance described in the preceding paragraphs, the City of Harrisburg, Pennsylvania, complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2010. The results of our auditing procedures also disclosed other instances of noncompliance with those requirements, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as Findings 2010-09 and 2010-13.

Internal Control Over Compliance

Management of the City of Harrisburg, Pennsylvania is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the City of Harrisburg's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Harrisburg, Pennsylvania's internal control over compliance.

Our consideration of the internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified certain deficiencies in internal control over compliance that we consider to be material weaknesses.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as Findings 2010-09, 2010-10, 2010-11, 2010-12, 2010-13, 2010-14, 2010-15, 2010-16, 2010-17,

The Honorable Linda D. Thompson, Mayor
and Honorable Members of City Council
City of Harrisburg, Pennsylvania
Independent Auditor's Report on Compliance
with Requirements That Could Have a Direct
and Material Effect on Each Major Program

2010-18, 2010-19, 2010-20, and 2010-21 to be material weaknesses.

* * * * *

The City of Harrisburg, Pennsylvania's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit the City of Harrisburg's responses and, accordingly, we express no opinion on them.

This report is intended solely for the information and use of the audit committee, management, the Honorable Mayor, Members of City Council, others within the City, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

See accompanying notes to Schedule of Expenditures of Federal Awards.

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED DECEMBER 31, 2010

1. GENERAL

The accompanying Schedule of Expenditures of Federal Awards (Schedule) includes the federal grant activity of the primary government of the City of Harrisburg (City), Pennsylvania. The City's reporting entity is defined in Note 1(a) to the City's basic financial statements. Federal awards expended directly from federal agencies as well as federal awards passed through other government agencies are included on the Schedule.

2. BASIS OF ACCOUNTING

Generally, expenditures are recognized in the Schedule on the modified accrual basis of accounting. Federal expenditures under loan programs consist of loans disbursed during the year ended December 31, 2010.

3. SECTION 108 LOANS

The City entered into various promissory notes under Section 108 of the Housing and Community Development Act of 1974 (Public Law 93-383), as amended. The proceeds from the notes were to administer acquisition, relocation, clearance, rehabilitation, and disposition of City properties. These notes do not have continuing compliance requirements.

As collateral, the City pledged all grants approved or for which the City may become eligible under Title I of the Housing and Community Development Act of 1974, as amended, and program income derived from disposition by sale or lease of any real property to the extent acquired or rehabilitated with the guaranteed loan funds, including any interest earned on such disposition proceeds.

Interest payments are required to be made to the Federal Financing Bank on the daily unpaid principal balances.

The composition of promissory notes outstanding under Section 108 at December 31, 2010 is as follows:

<u>Date of Notice</u>	<u>Amount of Note</u>	<u>Interest Rate</u>	<u>Required Interest Payment</u>	<u>Principal Balance December 31, 2010</u>	<u>2010 Principal Payments</u>
May 13, 2000	\$ 3,960,000	5.75%- 6.56%	Semi-annually, February and August 1st	\$ 2,450,000	\$ 205,000
September 14, 2006	\$ 3,795,000	4.99%- 5.77%	Semi-annually, February and August 1st	<u>3,375,000</u>	<u>210,000</u>
				<u>\$ 5,825,000</u>	<u>\$ 415,000</u>

CITY OF HARRISBURG, PENNSYLVANIA
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED DECEMBER 31, 2010

Section 108 loans changed during the year as follows:

<u>Beginning of Year</u>	<u>Additions</u>	<u>Payments</u>	<u>End of Year</u>
<u>\$ 6,240,000</u>	<u>\$ -</u>	<u>\$ 415,000</u>	<u>\$ 5,825,000</u>

4. CONTINGENCIES

Certain Housing and Urban Development (HUD) Grant Funds were required to be deposited into a separate, identifiable, custodial "Guaranteed Loan Funds Account." The contract required that all funds in the Guaranteed Loan Funds Account be withdrawn and disbursed by the City for approved activities by September 30, 2008. Effective May 2008, the North Cameron Street Project, funded through HUD, was suspended due to allegations of improper financial management by the subgrantee. The ultimate outcome of this matter is subject to significant uncertainty. At December 31, 2010, the City is holding the remaining Section 108 Guaranteed Funds, in the amount of \$1,935,651, in a separate account.

CITY OF HARRISBURG, PENNSYLVANIA
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2010

Prior Year Findings

Financial Statement Findings

Control Deficiency: Material Weakness

Finding 2009-01: Monitoring and Reconciliation of Loans Receivable

Condition: For the Department of Building and Housing Development (DBHD) loans, administered by DBHD, we noted the following items:

- Consistent with prior years, DBHD loan construction projects are not set up to earn interest at the percentage and for the terms as shown in their loan agreements. Per discussion with management, it has been determined that Portfolio (the City's loan management system) does have the ability to automatically accrue interest on the outstanding balance. However, management has decided not to utilize this feature, as these construction project loans function as deferred grants in which a portion of the loan balance is forgiven each year and full payment of principal plus accrued interest is only due in the event of default.
- Loan balances per Portfolio are not reconciled to the general ledger balances recorded in Pentamation, the City's accounting system.
 - Loan issued in 2008 was double recorded in Portfolio and was not corrected in 2009.
 - New loans were issued in 2008 and 2009; however, certain loans were not recorded in the Portfolio.
- Loan amounts as documented in the mortgage and note agreement did not agree to the amounts actually disbursed. In addition, several typographical errors were noted in the mortgage and note agreement related to the amount of the loan, the amount of the grant, and the monthly payment amount.

For the Mayor's Office of Economic Development (MOED) loans, administered by MOED, we noted the following items:

- Loan balances per Portfolio were not reconciled to the Pentamation general ledger for the General Fund or the State Grants Fund.
 - Two new loans were entered into the Portfolio in 2008 under incorrect categories (i.e. loan entered in the General Fund in the Pentamation general ledger, but recorded as a State Grant Fund loan in the Portfolio) and were not corrected in 2009.
 - 2008 disbursements for loans per the Pentamation general ledger for the General Fund were not recorded in Portfolio in 2008 or 2009.
 - 2008 disbursement for a loan that was recorded in Portfolio was not recorded in the Pentamation general ledger.
- Loan documents for new loans issued during 2009 for \$100,000 were not available for our review.
- No written policies and procedures manual exists for the issuance of loans, formal notification of disapproval, assessing late fees, processing change orders, and processing of payments.

Recommendation: With respect to the DBHD loans, we recommend that:

- Procedures be established to include the accrued interest on construction projects in Portfolio.
- Procedures be established to reconcile all outstanding loan balances to the Pentamation general ledger balances.
- Procedures be established to ensure that accurate documentation is prepared and maintained for each loan.

CITY OF HARRISBURG, PENNSYLVANIA
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2010

With respect to the MOED loans, we recommend that:

- Procedures be established to ensure that all documentation for new loans or amendments to existing loans be contained in the loan file.
- Procedures be established to reconcile the loan balances in Portfolio to the Pentamation loan receivable general ledger balance of the state grants and general funds on at least a quarterly basis.
- A written policies and procedures manual be prepared.

Current Status: See current year Finding 2010-01.

Finding 2009-02: Artifact Cost

Condition: Throughout 2007 and 2008, the City sold historical artifacts through auction. However, the City was unable to verify the original cost of many of the items sold and held for sale.

Recommendation: We recommend that the City continue in their efforts to identify the cost of the artifacts held for sale.

Current Status: See current year Finding 2010-02.

Finding 2009-03: Financial Reporting and Debt Compliance

Condition: During the audit process, various material adjustments were proposed to the City's records by the auditors. These audit adjustments were necessary to correct the City's recording of matching funds for the Third Street Extension Project in the federal grant fund, agency fund cash, deferred revenue, compensated absences, adjust receivables and related allowances, expenses allocations, due to other governments, debt, and accounts payable.

Additionally, because one of the City's component units has been unable to meet their debt service requirements, the City has been required to pay under certain guarantee agreements. During the year ended December 31, 2009, and in future periods, the City has been unable to honor its guarantee. Ongoing requirements to honor the guarantee have caused the City to evaluate the potential for reporting the contingency for such debt issues. Audit adjustments were proposed to the City's records for the contingent liability for component unit debt. Because the aforementioned debt is no longer considered self-liquidating under the Debt Act, the City has exceeded its legal debt limit by approximately \$213 million.

Recommendation: We recommend that management review these transactions and evaluate whether measures can be taken by management to ensure that it can eliminate the financial reporting deficiencies noted above.

Current Status: See current year Finding 2010-03.

Finding 2009-04: Segregation of Duties

Condition: The City had segregation of duties issues noted in the following areas:

- No review of the payroll account reconciliation prepared by the Controller's office.
- Payments for MOED loans are received directly by MOED staff and recorded in the Portfolio system.
- Payments for building permits are received directly by the Bureau of Codes staff and the checks are not restrictively endorsed.
- Information Technology (IT) staff have control over multiple IT functions.

CITY OF HARRISBURG, PENNSYLVANIA
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2010

Recommendation: With respect to the payroll account, we recommend that someone review the bank statement upon receipt and, once the reconciliation has been prepared, that the reconciliation be reviewed for accuracy and reconciled to the general ledger by someone other than the person reconciling the account. With respect to the MOED loan payments and the building permit receipts, we recommend that all receipts go to the Treasury, as a central depository, and copies of check and/or a receipt be provided to MOED and the Bureau of Codes for recording in the appropriate system or for authorization of the permit. With respect to IT staffing, we recommend that the information technology operations, librarian, systems analyst, programming, network, and administrative functions be performed by separate employees to ensure that no one person has control over multiple information technology functions.

Current Status: See current year Finding 2010-04.

Finding 2009-05: Reconciling Subsidiary Reports

Condition: The City had not reconciled the amounts reported in Pentamation to the subsidiary reports for the Q and S accounts (utility billing accounts), capital assets, or accounts payable.

Recommendation: With respect to reconciliation of subsidiary reports, we recommend that:

- All Q and S account payments reported to the Department of Operations and Revenue by Treasury be reported properly on each customer's excel spreadsheet and that the spreadsheets are reconciled to Pentamation at year-end.
- Capital asset transactions per Pentamation be reconciled to the capital asset depreciation system.
- Cut-off procedures are established to ensure that all disbursements are reported in the appropriate periods.

Current Status: See current year Finding 2010-05.

Finding 2009-06 – Following Securities and Exchange Commission Regulations

Condition: On November 3, 2010, the United States Securities and Exchange Commission (SEC) issued a formal order of investigation in the matter of City municipal bonds. This "Order Directing Private Investigation and Designating Officers to Take Testimony" (Formal Order) states that the SEC has information regarding possible violations, including securities fraud, by certain persons "from at least January 2008 to present," of Section 17(a) of the Securities Act and Section 10(b) of the Exchange Act, and Rule 10b-5 thereunder, in connection with the offer; purchase or sale of securities. The effect of the Formal Order was to initiate a "private investigation" under Section 20(a) of the Securities Act and Section 21(a) of the Exchange Act "to determine whether any persons or entities have engaged in, or are about to engage in, any of the reported acts or practices or any acts or practices of similar purport or object" to those reported in the Formal Order. The SEC commenced this private investigation shortly thereafter and has subpoenaed documents from the City and third parties, and has taken the testimony of current and former City officials and employees, and of third parties.

Recommendation: We recommend that the City establish systems to ensure compliance with applicable SEC federal securities laws.

Current Status: See current year Finding 2010-06.

CITY OF HARRISBURG, PENNSYLVANIA
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2010

Control Deficiency: Significant Deficiency

Finding 2009-07 - Maintaining Proper Documentation for Disbursements

Condition: The City's policy is to maintain a copy of the check (in electronic format) and original supporting invoices for each disbursement. During our testing of 120 invoices, three had no supporting documentation or invoices and one had no check copy or supporting documentation or invoice.

Recommendation: We recommend that the City maintain proper documentation for all disbursements in accordance with City policy.

Current Status: See current year Finding 2010-08.

Federal Award Findings and Questioned Costs

Finding 2009-08: Schedule of Expenditures of Federal Awards

U.S. Department of Housing and Urban Development – Community Development Block Grants/Entitlement Program (CFDA #14.218); U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA # 14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA # 14.900); U.S. Department of Transportation – Passed through the Pennsylvania Department of Transportation – Highway Planning and Construction (CFDA # 20.205); U.S. Department of Homeland Security – Federal Emergency Management Agency – National Urban Search and Rescue Response System (CFDA # 97.025)

Condition: The City, after multiple attempts, could not provide an accurate expenditure detail of federal awards or schedule of expenditures of federal awards. Various material adjustments were proposed to the City's schedule of expenditures of federal awards during the audit process.

Recommendation: The City should designate one person with the responsibility of oversight of all federal grants and provide training as necessary for a grants coordinator. However, personnel in other departments should be cross-trained to perform duties associated with grants, should the grants coordinator become unable to perform the duties. Policies should be implemented to facilitate more timely and accurate grant revenue reporting and a central individual should be assigned to consolidate and prepare the schedule of expenditures of federal awards.

Current Status: No material discrepancies were noted during testing in the current year as it relates to the schedule of expenditures of federal awards provided by the City.

Finding 2009-09: Suspension and Debarment

U.S. Department of Housing and Urban Development – Community Development Block Grants/Entitlement Program (CFDA #14.218); U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA # 14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA # 14.900); U.S. Department of Transportation – Passed through the Pennsylvania Department of Transportation – Highway Planning and Construction (CFDA # 20.205)

Condition: During our audit, 16 eligible project files were selected for testing for suspension and debarment. The City was not able to provide evidence verifying that the contractor utilized was not suspended or debarred prior to awarding the contract for any of the project files tested.

CITY OF HARRISBURG, PENNSYLVANIA
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2010

Recommendation: The City should establish controls to ensure that verification that contractors bidding on a project are neither suspended nor debarred is performed prior to awarding the contract. The City should search the Excluded Parties List System and maintain supporting documentation that the search was performed.

Current Status: See current year Finding 2010-13.

Finding 2009-10: Davis-Bacon Requirements

U.S. Department of Transportation – Passed through the Pennsylvania Department of Transportation – Highway Planning and Construction (CFDA # 20.205)

Condition: During our audit, it was noted that the City did not collect certified payrolls of contractors and subcontractors hired to work on construction projects funded by the Highway Planning and Construction program.

Recommendation: The City should establish controls to collect and maintain certified payrolls of contractors and subcontractors performing work on construction projects funded by the Highway Planning and Construction program.

Current Status: No discrepancies were noted during testing in the current year.

Finding 2009-11: Real Property Acquisition

U.S. Department of Transportation – Passed through the Pennsylvania Department of Transportation – Highway Planning and Construction (CFDA # 20.205)

Condition: During our audit, one of two acquired properties selected for testing did not have evidence to substantiate that an appraisal was performed. Without this documentation in the property file, it could not be determined that just compensation was received for the property.

Recommendation: The City should establish controls to ensure appraisals are maintained in the property files for properties acquired with funding from the Highway Planning and Construction program.

Current Status: No discrepancies were noted during testing in the current year.

Finding 2009-12: Cash Management

U.S. Department of Transportation – Passed through the Pennsylvania Department of Transportation – Highway Planning and Construction (CFDA # 20.205)

Condition: During our audit, two of four reimbursement requests selected for testing contained invoices for allowable costs that were not paid within ten calendar days of the date of the Commonwealth of Pennsylvania's (Commonwealth) remittance.

Recommendation: The City should establish controls to ensure that invoices for vendors are paid within ten calendar days of the date of the Commonwealth's remittance.

Current Status: See current year Finding 2010-09.

CITY OF HARRISBURG, PENNSYLVANIA
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2010

Finding 2009-13: Special Tests and Provisions – Record Retention of Final Inspection Documentation

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA # 14.900);
Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA # 14.900)

Condition: During our audit, the City could not provide final inspection documentation for three out of six projects selected for testing.

Recommendation: The City should establish controls over record retention of federal program documentation to ensure that records are retained for the required amount of time. Records and supporting documentation for projects should be maintained in one central file location.

Current Status: See current year Finding 2010-21.

Finding 2009-14: Special Tests and Provisions – Testing of Elevated Blood Lead Levels

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA # 14.900);
Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA # 14.900)

Condition: During our audit, two of six project files selected for review of elevated blood lead levels in children under the age of six resulted in exceptions. The City was not able to provide evidence showing that testing of elevated blood lead levels were conducted on children under the age of six for one property. Testing of elevated blood lead levels for a second property was outside the required six-month timeframe.

Recommendation: The City should establish controls to ensure that all children under the age of six are being tested for elevated blood lead levels within six months preceding the start of lead hazard control work. The City should also obtain and maintain documentation in each project file regarding the name and age of children residing or frequenting the properties worked on, and the dates the testing was performed.

Current Status: See current year Finding 2010-20.

Finding 2009-15: Special Tests and Provisions – Contracts with Unit Owners or Tenants of Units for Lead Hazard Control Work

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA # 14.900);
Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA # 14.900)

Condition: During our audit, it was noted that for three of the six project files selected for testing, the City was not able to provide a signed agreement between the contractor and homeowner/tenant of the properties where lead hazard work was performed.

Recommendation: The City should establish controls to ensure that there is a valid contract for the services provided under the Lead-Based Paint Hazard Control program with a contractor certified to perform the lead hazard control work. Documentation of the agreement should be maintained in the project files.

Current Status: See current year Finding 2010-19.

CITY OF HARRISBURG, PENNSYLVANIA
SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2010

Finding 2009-16: Special Tests and Provisions – Public Registry

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA # 14.900);
Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA # 14.900)

Condition: During our audit, it was noted that the City did not maintain a public registry of units in which lead hazard work had been performed.

Recommendation: The City should establish controls to ensure that a public registry related to lead hazard control work is established and maintained in a publicly accessible address-based property information system throughout the grant period.

Current Status: See current year Finding 2010-18.

Finding 2009-17: Cash Management

U.S. Department of Housing and Urban Development – Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA # 14.900)

Condition: During our audit, one of three reimbursement requests selected for testing contained invoices for allowable costs that were not paid timely (within ten calendar days of the date of receipt). The invoices were paid 27 days after receipt from the Commonwealth.

Recommendation: The City should establish controls to ensure that invoices for vendors are paid within ten calendar days of the date of receipt.

Current Status: While no discrepancies were noted in testing of cash management related to the Lead-Based Paint Hazard Control Program during 2010, there were discrepancies noted in testing of other major programs during 2010 as it relates to cash management requirements. See current Findings 2010-09 and 2010-10.

Finding 2009-18: Reporting

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA # 14.900);
Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA # 14.900)

Condition: During our audit, the City could not provide documentation to substantiate the date of submission for one of the two quarterly progress reports to the Pennsylvania Department of Health selected for testing and for two quarterly progress reports to the U.S. Department of Housing and Urban Development selected for testing. The City also could not provide documentation for the submission date of the two Federal Financial Status Reports selected for testing. The City was not able to provide the Section 3 Report (Form HUD-60002) for the federal funds passed through the Pennsylvania Department of Health. The Section 3 Report (Form HUD-60002) related to the federal funds received from the U.S. Department of Housing and Urban Development was not submitted within the required timeframe.

Recommendation: The City should establish controls to ensure that all required reports are submitted within the appropriate timeframe and documentation is maintained validating the date of submission.

Current Status: See current year Findings 2010-14 and 2010-16.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

I. Summary of Audit Results

1. Type of auditor’s report issued: Unqualified – Going Concern

2. Internal control over financial reporting:

Material weakness(es) identified? yes no

Significant deficiency(ies) identified that are not considered to be material weakness(es)?

yes none reported

3. Noncompliance material to financial statements noted? yes no

4. Internal control over major programs:

Material weakness(es) identified? yes no

Significant deficiency(ies) identified that are not considered to be material weakness(es)?

yes none reported

5. Type of auditor’s report issued on compliance for major programs:

Adverse

Lead-Based Paint Hazard Control

Qualified

CDBG – Entitlement Grants Cluster

Home Investment Partnerships Program

Homelessness Prevention and Rapid Re-Housing Program – ARRA

Public Safety Partnership and Community Policing Grants – ARRA

National Urban Search and Rescue Response System

Unqualified

Edward Byrne Memorial Justice Assistance Grant Program/Grants to Units of Local Governments – ARRA

6. Any audit findings disclosed that are required to be reported in accordance with Section 510(a) of Circular A-133? yes no

7. Major Programs:

<u>CFDA Numbers</u>	<u>Name of Federal Program</u>
	CDBG – Entitlement Grants Cluster:
14.218	Community Development Block Grants/Entitlement Grants
14.253	Community Development Block Grants/Entitlement Grants – ARRA
14.239	Home Investment Partnerships Program
14.257	Homelessness Prevention and Rapid Re-Housing Program – ARRA
14.900	Lead-Based Paint Hazard Control
16.710	Public Safety Partnership and Community Policing Grants – ARRA
16.804	Edward Byrne Memorial Justice Assistance Grant Program/Grants to Units of Local Governments – ARRA
97.025	National Urban Search and Rescue Response System

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

8. Dollar threshold used to distinguish between type A and type B programs: \$300,000

9. Auditee qualified as low-risk auditee? yes no

II. Findings related to the financial statements which are required to be reported in accordance with GAGAS.

Control Deficiency: Material Weakness

Finding 2010-01: Monitoring and Reconciliation of Loans Receivable

Condition: For the Department of Building and Housing Development (DBHD) loans, administered by DBHD, we noted the following items:

- Consistent with prior years, DBHD loan construction projects are not set up to earn interest at the percentage and for the terms as shown in their loan agreements. Per discussion with management, it has been determined that Portfolio (the City's loan management system) does have the ability to automatically accrue interest on the outstanding balance. However, management has decided not to utilize this feature, as these construction project loans function as deferred grants in which a portion of the loan balance is forgiven each year and full payment of principal plus accrued interest is only due in the event of default.
- Loan balances per Portfolio are not reconciled to the general ledger balances recorded in Pentamation, the City's accounting system.
 - Loan issued in 2008 was double recorded in Portfolio and was not corrected in 2009 or 2010.
 - New loans were issued in 2008 and 2009; however, certain loans were not recorded in the Portfolio.

For the Mayor's Office of Equal Economic Opportunity (MOEEO) (formerly Mayor's Office of Economic Development or MOED) loans, administered by DBHD, we noted the following items:

- Loan balances per Portfolio were not reconciled to the Pentamation general ledger for the General Fund or the State Grants Fund.
 - One new loan was entered into the Portfolio in 2008 under incorrect categories (i.e., loan entered in the General Fund in the Pentamation general ledger, but recorded as a State Grant Fund loan in the Portfolio) and were not corrected in 2009 or 2010.
 - 2008 disbursements for loans per the Pentamation general ledger for the General Fund were not recorded in Portfolio in 2008, 2009 or 2010.
- No written policies and procedures manual exists for the issuance of loans, formal notification of disapproval, assessing late fees, processing change orders, and processing of payments.

Criteria: Subsidiary ledgers should support the amounts reported in Pentamation and be reconciled periodically.

Effect: The City's trial balances are misstated throughout the year.

Cause: Reconciliations are not being performed.

Recommendation: With respect to the DBHD loans, we recommend that:

- Procedures be established to include the accrued interest on construction projects in Portfolio.
- Procedures be established to reconcile all outstanding loan balances to the Pentamation general ledger balances.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

With respect to the MOED loans, we recommend that:

- Procedures be established to reconcile the loan balances in Portfolio to the Pentamation loan receivable general ledger balance of the state grants and general funds on at least a quarterly basis.
- A written policies and procedures manual be prepared.

Views of Responsible Officials: The City agrees. DBHD is developing a process to track accrued interest on construction projects with pro bono web site calculators. With respect to DBHD loans, DBHD is working with the Bureau of Financial Management to develop and implement procedures to reconcile outstanding loan balances with the Pentamation general ledger. With respect to MOEEO loans, DBHD is working with the Bureau of Financial Management to develop and implement procedures to reconcile loan balances in Portfolio to the Pentamation loan receivable general ledger related to state funds and general funds. These corrective actions are now possible with the hiring of the long-vacant Senior Accountant and Accounting Manager positions. DBHD has earlier developed a written loan policies and procedures manual.

Finding 2010-02: Artifact Cost

Condition: Throughout 2007 and 2008, the City sold historical artifacts through auction. However, the City was unable to verify the original cost of many of the items sold and held for sale.

Criteria: In order to accurately report the gains and losses on sales of the artifacts, the City needs to know the original cost.

Effect: The City was unable to provide actual cost for a significant number of artifacts sold and used estimates, based on extrapolated cost to sales for those items that it could locate, to assign a cost to the balance of the items sold.

Cause: The City hired an independent entity to catalog the cost of the artifacts. At times, the artifacts were logged into the catalog system in lots, rather than as individual pieces. Additionally, descriptions used in the sale did not match descriptions used in the catalog system.

Recommendation: We recommend that the City continue in their efforts to identify the cost of the artifacts held for sale.

Views of Responsible Officials: The City agrees. City Council adopted a Resolution in 2011 authorizing the auction of all remaining artifacts. Therefore, cost will no longer be an issue.

Finding 2010-03: Financial Reporting and Debt Compliance

Condition: During the audit process, various material adjustments were proposed to the City's records by the auditors. These audit adjustments were necessary to correct the City's recording of grant revenue, receivables (utility, taxes and other) and related allowances, due to other funds and due to other governments, capital assets, accounts payable, lease payable, and debt.

Additionally, because one of the City's component units has been unable to meet their debt service requirements, the City has been required to pay under certain guarantee agreements. Since the year ended December 31, 2009, and in future periods, the City has been unable to honor its guarantee. Ongoing requirements to honor the guarantee have caused the City to evaluate the potential for reporting the contingency for such debt issues. Audit adjustments were proposed to the City's records for the contingent liability for component unit debt. Because the aforementioned debt is no longer considered self-liquidating under the Debt Act, the City has exceeded its legal debt limit by approximately \$107.6 million.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Criteria: The City should have the ability to produce its financial statements in accordance with accounting principles generally accepted in the United States of America applicable to governmental entities (“GAAP”).

Effect: If the entity relies upon its auditors to assist them in producing GAAP financial statements, the auditor is required to communicate a significant deficiency or material weakness related to financial reporting.

Cause: The City does not have adequate staffing to produce GAAP financial statements and cash flow difficulties have prevented the City from honoring its guarantees.

Recommendation: We recommend that management review these transactions and evaluate whether measures can be taken by management to ensure that it can eliminate the financial reporting deficiencies noted above.

Views of Responsible Officials: The City agrees. The Bureau of Financial Management hired a Senior Accountant in November 2012, whose duties include the elimination of financial reporting deficiencies.

Finding 2010-04: Segregation of Duties

Condition: The City had segregation of duties issues noted in the following areas:

- Journal entries recorded in the general ledger system are not reviewed and approved.
- Q and S account utility billings are not reviewed and approved.
- Payments for MOEEO and DBHD loans are received directly by DBHD staff and recorded in the Portfolio system.
- Payments for building permits are received directly by the Bureau of Codes staff and the checks are not restrictively endorsed.
- Information Technology (IT) staff have control over multiple IT functions.

Criteria: In order to ensure that all transactions of the City are recorded and reported properly, the City needs to establish proper segregation of duties.

Effect: Opportunities exist for undetected intentional or unintentional errors in the City’s processes.

Cause: The City does not have adequate staffing involved in each of the processes for appropriate segregation of duties.

Recommendation: With respect to the journal entries, we recommend that the City follow its policy that all journal entries are entered, posted and reviewed by a person independent of each process. With respect to the Q and S account billings, we recommend that the City follow its policy that the Operation and Revenue Billing Clerk prepare the billings for review by the Director of Operations and Revenue prior to mailing. With respect to the MOEEO and DBHD loans and building permit receipts, we recommend that all receipts go directly to the City Treasurer’s office, as a central depository, and copies of check and/or a receipt be provided to DBHD and the Bureau of Codes for recording in the appropriate system or authorization of the permit. With respect to IT staffing, we recommend that the information technology operations, librarian, systems analyst, programming, network, and administrative functions be performed by separate employees to ensure that no one person has control over multiple information technology functions.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Views of Responsible Officials: The City agrees. See response to Finding 2010-03. Additionally, DBHD policy provides for the Bureau of Housing Asset Manager to photocopy loan payments for DBHD loan files and to forward loan payments to the City Treasurer's Office for deposit. The DBHD Bureau of Codes policy provides for the Bureau to enter into a database all building permit receipts and to forward building permit receipts to the City Treasurer's Office.

Finding 2010-05: Reconciling Subsidiary Reports

Condition: The City had not reconciled the amounts reported in Pentamation to the subsidiary reports for the Q and S accounts (utility billing accounts), capital assets, or accounts payable.

Criteria: Subsidiary ledgers should support the amounts reported in Pentamation and be reconciled periodically.

Effect: The City's trial balances and/or customer billings may be misstated throughout the year.

Cause: Reconciliations are not being performed.

Recommendation: With respect to reconciliation of subsidiary reports, we recommend that:

- All Q and S account balances are reconciled to Pentamation at year-end.
- Capital asset transactions per Pentamation be reconciled to the capital asset depreciation system.
- Cut-off procedures are established to ensure that all disbursements are reported in the appropriate periods.

Views of Responsible Officials: The City agrees. The new Senior Accountant will perform these reconciliations.

Finding 2010-06 – Following Securities and Exchange Commission Regulations

Condition: On November 3, 2010, the United States Securities and Exchange Commission (SEC) issued a formal order of investigation in the matter of City municipal bonds. This "Order Directing Private Investigation and Designating Officers to Take Testimony" (Formal Order) states that the SEC has information regarding possible violations, including securities fraud, by certain persons "from at least January 2008 to present," of Section 17(a) of the Securities Act and Section 10(b) of the Exchange Act, and Rule 10b-5 thereunder, in connection with the offer; purchase or sale of securities. The effect of the Formal Order was to initiate a "private investigation" under Section 20(a) of the Securities Act and Section 21(a) of the Exchange Act "to determine whether any persons or entities have engaged in, or are about to engage in, any of the reported acts or practices or any acts or practices of similar purport or object" to those reported in the Formal Order. The SEC commenced this private investigation shortly thereafter and has subpoenaed documents from the City and third parties, and has taken the testimony of current and former City officials and employees, and of third parties.

Criteria: In order to issue municipal bonds, the City is required to follow SEC federal securities laws.

Effect: Legal counsel for the City has participated in settlement negotiations with the SEC, and the parties have agreed in principle on terms that will result in a settlement of the matter in SEC administrative cease and desist proceedings. In these proceedings, the City will consent to the SEC's administrative finding of numerous securities law violations, including securities fraud in violation of Section 10(b) of the Exchange Act and Rule 10b-5 thereunder, but will neither admit nor deny that the City and/or City officials or employees committed any of the violations found by the SEC, and will not be required to pay any financial penalty or other costs. The parties are currently awaiting the SEC Commissioners' final approval of the settlement

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Cause: The City may have engaged in acts or practices inconsistent with SEC federal securities laws.

Recommendation: We recommend that the City establish systems to ensure compliance with applicable SEC federal securities laws.

Views of Responsible Officials: The City agrees, and has since enhanced its continuing disclosure process by drafting a formal written policy and instituting related procedures with respect to public statements regarding financial information made by the City and its compliance with its Continuing Disclosure Certificates. The City has complied with all its continuing disclosure requirements since March 2011.

Finding 2010-07 – Reconciling Bank Accounts

Condition: The City’s policy is that all bank account statements, other than payroll account bank statements, are to be received and reconciled by the City Treasurer’s office on a monthly basis. Bank statements for the payroll accounts are to be received directly and reconciled by the Controller’s office. During the audit, we noted the following:

- The bank statements for the Washington Square Escrow Account were not being received or maintained in the City Treasurer’s office. These bank statements were maintained in DBHD and there was no monthly reconciliation performed on this account.
- The payroll accounts were received by the City Treasurer’s office and then forwarded to the Finance Department. The bank statements were not reconciled by the Controller’s office, City Treasurer’s office or the Finance Department.
- Although the monthly reconciliations were prepared for all other accounts, these reconciliations were not prepared on a timely basis.

Criteria: In order to accurately report the City’s cash balances, the City should reconcile the bank accounts on a timely basis.

Effect: The City bank statements were not reconciled on a timely basis.

Cause: The City did not follow its policy for reconciling the bank statements on a timely basis.

Recommendation: We recommend that the City follow its policies for which department should receive and reconcile its bank accounts and that all bank accounts be reconciled on a timely basis.

Views of Responsible Officials: The City agrees. The newly-hired Senior Accountant will see to it that all bank accounts are reconciled by the appropriate department on a timely basis.

Control Deficiency: *Significant Deficiency*

Finding 2010-08 - Maintaining Proper Documentation for Disbursements

Condition: The City’s policy is to maintain a copy of the check (in electronic format) and original supporting invoices for each disbursement in the Finance Department. During our testing of 168 invoices, two disbursements had no supporting documentation or invoices and one had no check copy or supporting documentation or invoice. For the two disbursements with no supporting documentation or invoices, the City was able to obtain supporting documentation from another department; however, that documentation was not maintained by the Finance Department.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Criteria: In order to accurately substantiate the payment of City expenditure, the City should maintain a copy of the check and all supporting documentation.

Effect: The City was unable to provide a copy of a check or supporting documentation for disbursements.

Cause: The City did not follow its policy for maintaining electronic copies of each check and supporting documentation for each disbursement.

Recommendation: We recommend that the City maintain proper documentation for all disbursements in accordance with City policy.

Views of Responsible Officials: The City agrees. The newly-hired Senior Accountant will see to it that proper documentation is provided and maintained for all disbursements.

III – Findings and questioned costs for federal awards.

Control Deficiency: Material Weakness

Finding 2010-09: Cash Management

U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants (CFDA #14.218); U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants – ARRA (CFDA #14.253); U.S. Department of Housing and Urban Development – Home Investment Partnerships Program (CFDA #14.239); U.S. Department of Transportation – Passed through the Pennsylvania Department of Transportation – Highway Planning and Construction (CFDA #20.205)

Condition: During the audit, two out of the eight reimbursement requests selected for testing related to the Community Development Block Grants/Entitlement Program and Community Development Block Grants/Entitlement Program – ARRA contained invoices for allowable costs that were not paid within ten calendar days of the date of the U.S. Department of Housing and Urban Development’s (HUD) remittance.

During the audit, four out of the eight reimbursement requests selected for testing related to the Home Investment Partnerships Program contained invoices for allowable costs that were not paid within ten calendar days of the date of HUD’s remittance.

During the audit, three of six reimbursement requests selected for testing related to the Highway Planning and Construction Program contained invoices for allowable costs that were not paid within ten calendar days of the Commonwealth of Pennsylvania’s remittance.

Criteria: The U.S. Office of Management and Budget (OMB) Circular A-133 *Compliance Supplement* states that when funds are received, recipients must follow procedures to minimize the time elapsing between the receipt of federal funds and disbursements to vendors. For audit purposes, ten calendar days was considered reasonable when evaluating the time elapsed between the receipt of federal funds and disbursement to vendors.

The General Reimbursement Agreements for Federal-Aid Highway Projects entered into with the Commonwealth, acting through the Pennsylvania Department of Transportation, requires the City to pay the consultants and contractors within ten calendar days of the date of the Commonwealth’s remittance.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Cause: The City does not have controls in place to ensure that invoices are paid in accordance with the OMB Circular A-133 *Compliance Supplement*.

Effect: The City is not in compliance with cash management requirements. Failure to comply with grant award requirements could jeopardize future funding.

Recommendation: The City should establish controls to minimize the time elapsing between the receipt of federal funds and disbursements to vendors (defined as ten calendar days by the Pennsylvania Department of Transportation).

Views of Responsible Officials: The City agrees. With the recent filling of the vacant Senior Accountant and Accounting Manager positions in November 2012, the Bureau of Financial Management and DBHD will now develop procedures and controls which will be put in place to coordinate with the City Treasurer's Office the payment of said invoices within 10 calendar days.

DBHD has an established invoice payment schedule that is provided to each contractor/vendor annually. The schedule outlines the dates that invoices are due to the City, due to the Department Director for approval, and due to the Bureau of Financial Management for processing. The schedule also identifies the check print dates and the distribution date.

To minimize the delay in the disbursement of federal funds, the Bureau of Housing (BOH) has instituted the internal policy that all payment requests (pink sheets) will be marked "HOLD" to allow all checks for contractors to be distributed directly to Housing Staff. Copies of the checks are tagged with receipt labels and contractors/vendors are contacted to come in to sign for each check. If a contractor/vendor is unable to pick up a check, the tagged check receipt is mailed with the live check for the recipient to sign, date and return to DBHD.

In addition, the BOH has implemented internal policy changes to ensure that contractor/vendor invoices are processed and paid in a timely manner.

- BOH staff was instructed to inform all contractors/vendors to submit their invoices and/or payment requests directly to the Deputy Director of BOH.
- An Invoice Tracking Log was created to keep track of invoice processing from receipt-to-payment/check distribution. Each invoice is recorded in the log including the following information:
 - Date of receipt and initials of staff who received the invoice; associated project information (e.g. contractor, address, inspection date, etc.); the responsible Program Manager; date invoices were entered into e-Finance, approved by the Deputy Director of BOH and the Director of DBHD; date checks are anticipated and actual check date.

Finding 2010-10: Cash Management

U.S. Department of Justice – Public Safety Partnership and Community Policing Grants – ARRA (CFDA #16.710)

Condition: During the audit, it was noted that cash drawdowns submitted for reimbursement were based on the maximum allowable amount per the budget and not actual expenditures incurred.

Criteria: The Community Oriented Policing Services (COPS) Hiring Recovery Program Grant Owner's Manual states that only actual allowable costs incurred during the grant award period will be eligible for reimbursement and drawdown.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Cause: The City does not have controls in place to ensure that cash drawdowns are based on actual expenditures incurred.

Effect: There is a possibility that the actual allowable costs incurred by the City during the grant period do not exceed the amount budgeted per the grant agreement and could result in cash drawdowns in excess of actual expenditures incurred.

Recommendation: The City should establish a policy to ensure that cash drawdowns are based on actual expenditures incurred during the grant period.

Views of Responsible Officials: The City agrees. The Grants Manager has since developed procedures and controls to ensure that all future draws will be based on actual expenditures for salaries and benefits, not budgeted amounts. Subsequent draws have followed these procedures.

Finding 2010-11: Eligibility

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA #14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA #14.900)

Condition: During the audit, the City was not able to provide evidence supporting the family income of tenants in rental housing for two of 22 project files selected for testing. For one of these two project files, the City was also not able to provide evidence supporting the family composition and child status of the unit.

For one of 22 project files selected for testing, the family income of the owner-occupant exceeded 80 percent of the area median income level.

Criteria: The Lead Hazard Notice of Funds Available (Federal Register, Vol. 72, No. 48) states that for grants made to assist rental housing, at least 50 percent of the units must be occupied by or made available to families with incomes at or below 50 percent of the area median income level and the remaining units shall be occupied or made available to families with incomes at or below 80 percent of the area median income level. For grants made to assist housing owned by owner-occupants, all units should be the principal residents of families with income at or below 80 percent of the area median income level. Documentation of the income and family composition of occupants of units assisted should be maintained to meet Title X requirements.

Cause: The City does not have controls in place to ensure that documentation related to income levels and family composition is being maintained. The City does not have adequate controls in place to ensure that eligibility requirements related to area income levels are being met.

Effect: The City is not in compliance with eligibility requirements and failure to comply with grant award requirements could jeopardize future funding.

Recommendation: The City should obtain and maintain documentation in each project file to provide support of area income levels and family composition. The City should also establish a policy to ensure eligibility requirements related to area income levels are being met.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Views of Responsible Officials: The City agrees. DBHD personnel have developed policies and procedures to ensure that proper documentation is obtained and maintained in each project file to support area income levels and family composition, as well as eligibility requirements. BOH staff has revised program applications to capture family income and composition information more accurately. The annual income limits are included on the checklist of file documents. In addition, copies of all verifications (income, benefits, employment) as well as the income eligibility calculation forms, signed and dated by the intake staff person are maintained in the file.

Finding 2010-12: Procurement

U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants (CFDA #14.218); U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants – ARRA (CFDA #14.253); U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA #14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA #14.900)

Condition: During the audit, 22 Lead-Based Paint Hazard Control Program project files were selected for testing for procurement. The Department of Building and Housing Development (DBHD) has separate procurement policies with respect to the Lead-Based Paint Hazard Control Program that do not comply with federal requirements for full and open competition. The procurement procedures do not ensure that its prequalified list of contractors includes enough contractors to ensure full and open competition, do not require seal bids for procurement of services, or do not require that a cost or price analysis is conducted for every procurement.

For one of seven Community Development Block Grants/Entitlement Program project files selected for testing, DBHD was unable to provide documentation showing that the City's procurement procedures were followed.

Criteria: The Code of Federal Regulations (24 CFR 85.36) requires grantees to use their own procurement procedures which reflect applicable state and local laws and regulations, provided that the procurements conform to applicable federal laws and regulations. In addition, grantees must ensure that all procurement transactions are conducted in a manner providing full and open competition.

Cause: The DBHD procures services under the Lead-Based Paint Hazard Control Program by allowing the consumer to select from a pre-qualified list of contractors. However, the DBHD does not ensure that the consumer obtains at least two competitive bids prior to awarding the contract. The DBHD does not have controls in place to ensure that procurement procedures established by the City are being followed.

Effect: The City is not in compliance with procurement requirements. By allowing the consumer under the Lead-Based Paint Hazard Control Program to select contractor services, DBHD cannot ensure that costs are reasonable and that full and open procurement procedures are being followed. Failure to comply with grant award requirements could jeopardize future funding.

Recommendation: The DBHD should establish controls to ensure that procurement of services are in accordance with the requirements of 24 CFR 85.36 and the City's procurement policies.

Views of Responsible Officials: The City agrees. DBHD BOH revised its procurement policies and procedures in May 2012. The revised policies and procedures require an open bid process for all housing rehabilitation projects. The homeowners/property owners are no longer permitted to select a contractor to perform work on their properties. All housing rehabilitation work is publicly bid.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Finding 2010-13: Suspension and Debarment

U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants (CFDA #14.218); U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants – ARRA (CFDA #14.253); U.S. Department of Housing and Urban Development – Home Investment Partnerships Program (CFDA #14.239); U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA #14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA #14.900); U.S. Department of Transportation – Passed through the Pennsylvania Department of Transportation – Highway Planning and Construction (CFDA #20.205)

Condition: During the audit, 33 project files were selected for testing for suspension and debarment. The City was not able to provide evidence verifying that the contractor utilized was not suspended or debarred prior to awarding the contract for any of the project files tested.

Criteria: The Code of Federal Regulations (2 CFR 180.300) requires that grantees verify the entities engaged in covered transactions, procurement contracts for goods and services awarded that are expected to equal or exceed \$25,000, are not suspended or debarred or otherwise excluded. This verification may be accomplished by checking the Excluded Parties List System (EPLS) or the System for Award Management (SAM) maintained by the General Services Administration, collecting a certification from the entity, or adding a clause or condition to the covered transaction with that entity.

Cause: The City does not have controls in place to ensure that contractors are neither suspended nor debarred prior to awarding the contract.

Effect: The City is not in compliance with procurement, suspension, and debarment requirements. Failure to comply with grant award requirements could jeopardize future funding. However, none of the contractors selected for testing were suspended or debarred parties according to the contractor history in EPLS.

Recommendation: The City should establish controls to ensure that verification that contractors are neither suspended nor debarred is performed prior to awarding the contract. The City should search the EPLS or the SAM and maintain supporting documentation that the search was performed.

Views of Responsible Officials: DBHD BOH has instituted policies and procedures that include certification/verification that contractors working under BOH's rehabilitation programs are not debarred or suspended. The Project Director conducts a search of the EPLS system or the System for Award Management (SAM) bi-annually on each contractor and maintains the supporting documentation in each project file, as recommended by the auditors.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Finding 2010-14: Submitting Required Reports

U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants (CFDA #14.218); U.S. Department of Housing and Urban Development – Community Development Block Grant – Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants – ARRA (CFDA #14.253); U.S. Department of Housing and Urban Development – Homelessness Prevention and Rapid Re-Housing Program – ARRA (CFDA #14.257); U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA #14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA #14.900); U.S. Department of Justice – Public Safety Partnership and Community Policing Grants – ARRA (CFDA #16.710); U.S. Department of Homeland Security – Federal Emergency Management Agency – National Urban Search and Rescue Response System (CFDA #97.025)

Condition: During the audit, the City did not submit the Section 1512 ARRA Reports within the specified timeframe for two quarters selected for testing related to the Community Development Block Grants/Entitlement Program – ARRA and for two quarters selected for testing related to the Homelessness Prevention and Rapid Re-Housing Program – ARRA. The City did not submit the Section 1512 ARRA Reports within the specified timeframe for one of two quarters selected for testing related to the Public Safety Partnership and Community Policing Grants – ARRA.

The City could not provide documentation that the Federal Financial Reports were completed and/or submitted for any of the four quarters in 2010 related to the Community Development Block Grants/Entitlement Program – ARRA and for three of four quarters in 2010 related to the Lead-Based Paint Hazard Control Program. The City did not submit the Federal Financial Reports within the specified timeframe for one of two quarters selected for testing related to the Public Safety Partnership and Community Policing Grants – ARRA.

The City could not provide documentation to substantiate the date of submission for three quarterly progress reports to the Pennsylvania Department of Health selected for testing and for three quarterly progress reports to the U.S. Department of Housing and Urban Development selected for testing related to the Lead-Based Paint Hazard Control Program. The City did not submit the quarterly progress reports within the specified timeframe for two quarters selected for testing related to the Public Safety Partnership and Community Policing Grants – ARRA.

The City could not provide documentation that the Federal Financial Report for the fourth quarter in 2010 and the Semi-Annual Performance Report for the period ended December 31, 2010 were completed and/or submitted related to the National Urban Search and Rescue Response System.

Criteria: The City is required to submit quarterly Section 1512 ARRA Reports pursuant to the requirements of the American Recovery and Reinvestment Act of 2009. The City is required to submit these quarterly Section 1512 ARRA Reports within ten days after the end of each quarter, unless otherwise notified.

The City is required to submit quarterly Federal Financial Reports pursuant to the requirements in the OMB Circular A-133 *Compliance Supplement* for the Community Development Block Grants/Entitlement Program – ARRA, Lead-Based Paint Hazard Control Program, and Public Safety Partnership and Community Policing Grants – ARRA.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

The grant agreement between the Pennsylvania Department of Health and the City requires quarterly progress reports to be submitted within 15 days after the end of each calendar quarter. The U.S. Department of Housing and Urban Development (policy guidance number 2001-03 under the Lead-Based Paint Hazard Control Program) requires quarterly progress reports to be submitted no later than 30 days after the end of each calendar quarter. The COPS Hiring Recovery Program Grant Owner's Manual requires quarterly progress reports to be submitted no later than ten days after the end of each calendar quarter.

The Cooperative Agreement between the U.S. Department of Homeland Security – Federal Emergency Management Agency and the City requires that a quarterly Federal Financial Report is completed each calendar quarter and submitted within 30 days after the end of each calendar quarter. The Cooperative Agreement also requires the City to complete and submit a Semi-Annual Performance Report by July 31st and January 31st of each year until the Cooperative Agreement is closed.

Cause: The City does not have controls in place to ensure that all necessary reports are submitted within the specified timeframes required and that documentation is maintained regarding the date of submission.

Effect: The City is not in compliance with reporting requirements. Failure to comply with grant award requirements could jeopardize future funding.

Recommendation: The City should establish controls to ensure that all required reports are submitted within the appropriate timeframe and documentation is maintained validating the date of submission.

Views of Responsible Officials: The City agrees. Procedures have since been implemented by the Grants Manager to ensure that all required reports are submitted within the appropriate timeframe and a copy of the report filed in the respective grant file validating the date of submission. Also, DBHD BOH has developed a Calendar of Reports indicating specific reports required by HUD, due dates, and BOH personnel responsible for the completion of each report. This tracking calendar will assist DBHD personnel with timely completion and submission of reports.

Finding 2010-15: Preparing Required Reports

U.S. Department of Housing and Urban Development – Homelessness Prevention and Rapid Re-Housing Program – ARRA (CFDA #14.257); U.S. Department of Justice – Public Safety Partnership and Community Policing Grants – ARRA (CFDA #16.710)

Condition: The City did not report accurate information on the Section 1512 ARRA Reports for one of two quarters selected for testing related to the Homelessness Prevention and Rapid Re-Housing Program – ARRA. The City did not report accurate information on the Federal Financial Reports for two quarters selected for testing related to the Public Safety Partnership and Community Policing Grants – ARRA.

Criteria: The City is required to submit quarterly Section 1512 ARRA Reports for the Homelessness Prevention and Rapid Re-Housing Program - ARRA pursuant to the requirements of the American Recovery and Reinvestment Act of 2009. All data contained in each quarterly report must be cumulative in order to encompass the total amount of funds expended to date.

The City is required to submit quarterly Federal Financial Reports for the Public Safety Partnership and Community Policing Grants – ARRA. The expenditures for each quarter should reflect the amount of funds expended and recorded in the City's general ledger on a cumulative basis.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Cause: Adequate review for the accuracy of expenditures and cash receipts on the reports was not performed. Additionally, no reconciliation with the general ledger system was performed to ensure that the reports reflected all of the expenditures and receipts to date.

Effect: The data on the Section 1512 ARRA Report for one of two quarters selected for testing related to the Homelessness Prevention and Rapid Re-Housing Program – ARRA was not cumulative, and therefore, did not encompass the total amount of funds expended and received to date.

The data on the Federal Financial Reports for two quarters selected for testing related to the Public Safety Partnership and Community Policing Grants – ARRA were not cumulative, and therefore, did not encompass the total amount of funds expended and received to date.

Recommendation: The City should implement procedures to ensure that all reports are reconciled to the general ledger system and prepared by an individual knowledgeable of the reporting requirements. The reports should be reviewed and approved by an individual, other than the preparer, who is also knowledgeable of the reporting requirements.

Views of Responsible Officials: The City agrees, and has implemented new procedures for the preparation of Federal Financial Reports and reconciliation to the City’s general ledger system. All financial reports will be prepared ahead of the deadline and will be reviewed and approved by a qualified individual other than the preparer.

Finding 2010-16: Submitting Section 3 Summary Reports

U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants (CFDA #14.218); U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants – ARRA (CFDA #14.253); U.S. Department of Housing and Urban Development – Home Investment Partnerships Program (CFDA #14.239); U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA #14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA #14.900)

Condition: The City was not able to provide the Section 3 Summary Report (HUD-60002) for the federal funds received from HUD for the Community Development Block Grants/Entitlement Program – ARRA, Home Investment Partnerships Program, and the Lead-Based Hazard Control Program. The City was not able to provide the Section 3 Summary Report (HUD-60002) for the federal funds passed through the Pennsylvania Department of Health related to the Lead-Based Hazard Control Program.

Criteria: The OMB Circular A-133 *Compliance Supplement* and the Code of Federal Regulations specify that the Section 3 Summary Report is required to be completed and submitted to HUD annually by recipients of housing and urban development assistance in excess of \$200,000 expended for: (1) housing rehabilitation; (2) housing construction; or (3) other public construction costs.

The grant agreement between the Pennsylvania Department of Health and the City states that “the grantee shall provide Section 915 data for the previous calendar year on hiring and contracting with low-income residents. Section 915 data shall be provided to the Department on the Section 3 Summary Report (HUD-60002).”

Cause: The City does not have controls in place to ensure that all necessary reports are submitted within the specified timeframes required.

Effect: Failure to comply with grant award requirements could jeopardize future funding.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Recommendation: The City should establish controls to ensure that all required reports be submitted within the appropriate timeframe and documentation is kept regarding the date of submission.

Views of Responsible Officials: The City agrees. DBHD BOH staff have established and implemented controls to ensure that required reports (including the Section 3 Report) are submitted within the appropriate timeframe and that documentation is maintained regarding the date of submission.

Finding 2010-17: Subrecipient Monitoring

U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants (CFDA #14.218); U.S. Department of Housing and Urban Development – Community Development Block Grant - Entitlement Grants Cluster – Community Development Block Grants/Entitlement Grants – ARRA (CFDA #14.253)

Condition: During the audit, the City was unable to provide evidence that monitoring was performed during the year for one of two subrecipients selected for testing.

Criteria: The Code of Federal Regulations (24 CFR 570.503) requires that pass-through entities monitor subrecipient performance for compliance and follow up on any issues that were observed during monitoring.

Cause: The City does not have controls in place to ensure its subrecipients are in compliance with grant award requirements.

Effect: The City is not in compliance with subrecipient monitoring requirements. Failure to comply with grant award requirements could jeopardize future funding.

Recommendation: The City should establish controls to ensure that subrecipient monitoring occurs as required for all federal funding passed through from the City to subrecipients.

Views of Responsible Officials: DBHD BOH staff has established policies and procedures that ensure that all federally-funded subrecipients are monitored at least annually (including progress reports and site visits) and that monitoring reports are completed and filed. DBHD will decline to allocate CDBG funds to subrecipients who do not comply with the City's or HUD's monitoring policies.

Finding 2010-18: Special Tests and Provisions – Public Registry

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA #14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA #14.900)

Condition: During the audit, it was noted that the City did not maintain a public registry of units in which lead hazard work had been performed.

Criteria: The Lead-Based Paint Hazard Control Notice of Funds Available (Federal Register, Vol. 72, No. 48) states that the City is required to establish and maintain a public registry (listing) of lead-safe housing or inclusion of the lead-safe status of properties in a publicly accessible, address-based property information system to be affirmatively marketed to families with young children.

Cause: The City does not have controls in place to ensure that a public registry is established and maintained.

Effect: The City could not provide a public registry of units in which lead hazard work had been performed. Failure to comply with grant award requirements could jeopardize future funding.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Recommendation: The City should establish controls to ensure that a public registry related to lead hazard control work is established and maintained in a publicly accessible address-based property information system throughout the grant period.

Views of Responsible Officials: The City agrees. DBHD BOH staff has established and are maintaining the recommended public registry of lead-safe housing units and/or the status of units. This listing is available upon request. As the City's website is expanded, the listing will be accessible online.

Finding 2010-19: Special Tests and Provisions – Contracts with Unit Owners or Tenants of Units for Lead Hazard Control Work

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA #14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA #14.900)

Condition: During the audit, it was noted that for 21 of the 22 project files selected for testing, the City was not able to provide a signed agreement between the contractor and homeowner/tenant of the properties where lead hazard work was performed.

Criteria: The grant agreement between the Pennsylvania Department of Health and the City states that “the grantee shall be responsible to enter into or have its subcontractors enter into, any necessary written agreement with unit owners or tenants in units to be served under the Lead Hazard Control Program prior to the initiation of lead-based paint hazard control.” Because the federal funding received from the Pennsylvania Department of Health is passed through from the Department of Housing and Urban Development (HUD), this requirement was considered applicable to all federal funds received under the Lead-Based Paint Hazard Control Program of the City.

Cause: The City does not have controls in place to ensure that there is a valid contract for the services being provided under the Lead-Based Paint Hazard Control Program.

Effect: The City could not provide signed written agreements between the City or the City's subcontractors and unit owners or tenants in units. Failure to comply with grant award requirements could jeopardize future funding.

Recommendation: The City should establish controls to ensure that there is a valid contract for the services provided under the Lead-Based Paint Hazard Control Program with a contractor certified to perform the lead hazard control work. Documentation of the agreement should be maintained in the project files.

Views of Responsible Officials: The City agrees. DBHD BOH staff has established procedures to ensure that all documentation, specifically written agreements/contracts are included in all project files. Each project file contains a checklist of required items that is initialed and dated by the Administrative Assistant and Program Manager.

Finding 2010-20: Special Tests and Provisions – Testing of Elevated Blood Lead Levels

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA #14.900); Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA #14.900)

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Condition: During the audit, the City was not able to provide evidence showing that lead blood tests were conducted on children under the age of six for four of 22 project files selected for testing. The City was not able to provide supporting documentation to support not performing lead blood tests.

Criteria: The Lead-Based Paint Hazard Control Notice of Funds Available (Federal Register, Vol. 72, No. 48) states that each child under the age of six that resides or frequents the property should be tested for lead poisoning within the six months preceding the lead hazard control work.

Cause: The City does not have controls in place to ensure that all children under the age of six are being tested within six months preceding the lead work. The City is also not obtaining and maintaining adequate supporting documentation to support not performing lead blood tests (i.e. a consent form signed by the legal guardian stating why testing was not performed).

Effect: The City is not in compliance with the blood lead level testing requirements and failure to comply with grant award requirements could jeopardize future funding.

Recommendation: The City should establish controls to ensure that all children under the age of six are being tested for elevated blood lead levels within six months preceding the start of lead hazard control work. The City should also obtain and maintain documentation in each project file regarding the name and age of children residing or frequenting the properties worked on, and the dates the testing was performed. If testing was not performed on eligible children, the City should obtain and maintain documentation in each project file to support why testing was not performed.

Views of Responsible Officials: The City agrees. DBHD BOH has established procedures and controls to ensure that all documentation, especially elevated blood level testing information, is included in all Lead project files. Each project file contains a checklist of required items that is initialed and dated by the Administrative Assistant and Program Manager. Prior to commencing lead hazard control work, the City's contracted Lead nurse determines if children under the age of six have been, or should be tested for lead. The nurse provides signed copies of the testing consent forms and the test results for each child are documented in the files.

Finding 2010-21: Special Tests and Provisions – Record Retention of Final Inspection Documentation

U.S. Department of Housing and Urban Development – Lead-Based Paint Hazard Control (CFDA #14.900);
Passed through the Pennsylvania Department of Health – Lead-Based Paint Hazard Control (CFDA #14.900)

Condition: During the audit, the City could not provide final inspection documentation for two out of 22 projects selected for testing.

Criteria: The Code of Federal Regulations (24 CFR Section 570.490) states that records of the State and units of general local government, including supporting documentation, shall be retained for at least three years from closeout of the grant.

Cause: The City does not have controls in place to ensure that all records regarding the City's federal programs are retained for the required amount of time. It was noted during testing that supporting documentation for projects were in several locations and not maintained in one central file.

Effect: The City could not provide supporting documentation to support that final inspections related to the Lead-Based Paint Hazard Control program were performed. Failure to comply with grant award requirements could jeopardize future funding.

CITY OF HARRISBURG, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED DECEMBER 31, 2010

Recommendation: The City should establish controls over record retention of federal program documentation to ensure that records are retained for the required amount of time. Records and supporting documentation for projects should be maintained in one central file location.

Views of Responsible Officials: The City agrees. DBHD BOH has established procedures and controls to maintain and retain documents related to HUD Lead Hazard Control projects. A checklist is required to be included in each project file and is initialed and dated by the Administrative Assistant and Program Manager.
