

INTER-OFFICE MEMORANDUM

CITY OF HARRISBURG

May 11, 2011

TO: Mayor Linda Thompson
City Council Members
Paul Wambach, Treasurer

FROM: Daniel Miller
Controller

SUBJECT: General Fund Cash Flow Analysis

Attached is the City's 2010 cash flow analysis with actual collections and disbursements through April 30, 2011. Several items of significance regarding the reports are as follows:

1. The 2011 year-end projected cash deficit is \$6.37 million. This is calculated as follows: Projected revenues and transfers of \$51.85 million less projected operating expenses of \$44.79 million and debt service of \$11.21 million. This results in a 2011 projected budgetary deficit of \$4.14 million. From this, 2010 year-end negative cash balance of \$1.15 million is deducted along with 2010 year-end accounts payable balance of \$1.08 million.
2. The attached cash flow analysis uses 2010 General Fund actual revenues as a projection for current year performance and those numbers are replaced with actual 2011 data as it becomes available. Currently, actual data is represented through March 2011.
3. The only revenue item that has been broken out separately in the revenue section is Administrative Service Charges, Transfers-In, and Harrisburg Parking Authority – Coordinated Parking Fund (HPA-CPF) Transfers. Since these sources represent nearly 30% of the projected 2011 revenue, and due to the fact that they can be drawn upon in times of need, they warranted separate disclosure.
4. You will also notice that 2011 projected year-end revenue of \$51.85 million is significantly less than 2010 actual collections of \$56.54 million. This is primarily due to the General Fund not anticipating receiving one-time administrative service charge revenues of \$4.21 million from the Water Fund, as it did during 2010.
5. General Expenses on the attached analysis represent all remaining expenditures other than payroll and fringe benefits, which themselves total approximately 65% of the projected 2011 expenditures. General expenses are projected based upon 2011 budgeted expenses of \$55.99 million less projected payroll, health insurance, and debt service expenditures.

If you have any questions or concerns, please feel free to contact the Controller's Office. Thank you.
