

INTER-OFFICE MEMORANDUM

CITY OF HARRISBURG

October 12, 2010

TO: Linda D. Thompson, Mayor
City Council Members
Paul P. Wambach, Treasurer

FROM: Daniel C. Miller
City Controller

SUBJECT: Revenue and Expenditure Reports

Attached are the summary and detailed reports for the nine months ended September 30, 2010. Several items of significance regarding the reports are as follows:

The first section of the report (Revenues and Expenditures for the nine months ending September 30, 2010) provides an overall general summary of the City's budgeted funds at the highest level (fund level).

The second section of the report (September Year to Date Revenue – Budget to Actual) provides a detailed snapshot of all the budgeted revenue line items comprising the funds in section one.

The third section of the report (September Year to Date Revenue – Accounts with Less Than 75% Collections) extracts those accounts from section two that have not attained a minimum collection percentage of 75% of adopted budget. Care must be exercised in drawing conclusions with this report since each account collects revenue at various times throughout the year. The report does however serve as a useful "Management by Exception" tool.

The fourth section of the report (September Year to Date Expenditures – By Budget Unit) provides an overview of cost center activity at the program level.

The fifth section of the report (September Year to Date Expenditures – Budget to Actual) provides a detailed snapshot of all the expenditure/expense line items comprising each program within each fund.

The sixth section of the report (Budget Adjustment Report) details all budgetary changes to the expenditure/expense line items in section five. Changes to the City's Adopted Budget are partially governed by Title Two of the Administrative Code, Chapter 2-307.4, Section b. which states:

"Prior to the authorization of any individual budgetary transfer exceeding twenty thousand dollars (\$20,000) within the most restrictive category set forth in said budget ordinance, or any budgetary transfer from any personnel services allocation, the Business Administrator shall be required to obtain the approval of City Council. The permitted twenty thousand dollar transfer is a cumulative maximum for the budget year in any category (Ord. 28-1983).

The budget transfers on the report that exceed the maximum \$20,000 transfer limit have all been approved by City Council during the 7/13/2010 legislative session. A copy of that reallocation report is attached to the July Report to Elected Officials.

The seventh section of the report (Over-budget Line Items) includes accounts with year-to-date expenditures and encumbrance balances which have exceeded the Amended Budget. There are two line items on the attached report that require City Council to reallocate budget in order to correct (Fire Bureau overtime and Police Technical Services overtime). Both have been included on a second proposed reallocation plan put before City Council. The remainder of the over-budget line items can be corrected by the Budget Office.

If you have any questions or concerns, please feel free to contact me or Deputy Controller, William Leinberger at 255-3074.

Thank you.
